APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

- (*a*) The respondent's residence at the time of sending such notice.
- (*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
- (*c*) The name and address of the solicitor, if any, acting for the respondent.
- (*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

Mardi, le 7e jour de janvier 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le Ministre de l'Intérieur fait rapport comme suit :

Que le Synode du diocèse d'Athabasca a demandé la concession gratuite du lot numéro 10 de l'établissement de Wabiskaw, dans la province d'Alberta, à titre d'occupant dudit terrain à la date de l'extinction du traité indien. Il a été établi que le Synode était par ses agents en possession réelle desdits lots à la date de la conclusion du Traité Indien n° 8, à l'été de 1899,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la Loi des terres fédérales, d'autoriser la concession au Synode du Diocèse d'Athabasca du lot n° 10, Etablissement de Wabiskaw, dans la province d'Alberta, contenant 37·60 acres plus ou moins.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 décembre 1918, représentant que la compagnie dite "Canada Cement Company, Limited," a fait rapport de la découverte d'un gisement d'argile dans une partie de la subdivision légale 12 de la section 34, township 10, rang 6, à l'ouest du 4e méridien, comprenant une superficie de 21.26 acres, et que ladite argile a été trouvée convenable pour la fabrication du ciment :

Vu que cette argile, pour laquelle une demande de bail a été soumise, doit être employée comme un des ingrédients pour la fabrication du ciment et non pour la fabrication de la brique et autres produits de l'argile, le ministre demande l'autorisation de louer à la compagnie l'étendue de terrain demandée sous l'empire des dispositions des règlements régissant la cession à bail des terrains contenant du calcaire, du granit, de l'ardoise, du gypse, de la marne, du gravier, du sable ou toute pierre à bâtir, approuvés par arrêté en conseil du 13 mai 1910, et rétablis par arrêté en conseil du 16 août 1911. Ce bail ne sera pas sujet cependant aux dispositions de l'arrêté en conseil du 21 novembre 1912, qui traite de la cession à bail des terres fédérales contenant des gisements d'argile qui doit être employée dans la fabrication de la brique et autres produits de l'argile.

Le comité agrée cette recommandation et la soumet pour approbation.

Lundi, le 20e jour de janvier 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 28e jour de décembre 1918, représentant que la compagnie de chemin de fer Pacifique Canadien a demandé le privilège d'enlever une quantité de terre de certains terrains de la réserve forestière Elbow pour les remblais d'un grand viaduc de sa voie ferrée dans le voisinage ;

Le ministre observe qu'après examen des terrains en question il a été constaté que ces derniers consistent en collines de sable sans végétation, et qu'il est par conséquent impropable que l'affectation de ces terrains aux fins susdites causerait de sérieux dommages,—

Le ministre, par conséquent, recommande qu'on l'autorise, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, à permettre à ladite compagnie d'enlever toute quantité de terre requise pour lesdites fins des terrains ci-après décrits, situés dans le township 24, rang 4, à l'ouest du 3e méridien :—

PRESENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU qu'il est jugé opportun que les dispositions de l'article 154 de l'*Army Act*, concernant le mode de procédure à suivre par la police civile dans le cas de déserteurs, et les dispositions de l'article 163 de l'*Army Act* concernant la preuve soient appliquées en Canada à la police civile et aux procédures dans les cours qui ont juridiction civile.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu de l'autorité conférée au Gouverneur général en conseil par la *Loi du service militaire de 1917*, la *Loi des mesures de guerre de 1914*, ou autrement, afin de réglementer la procédure en rapport avec les déserteurs et les absents sans congé et d'établir des règles de preuve telles que celles prescrites aux articles de l'*Army Act* ci-dessus mentionnés, avec certaines modifications et additions, et afin de reviser et modifier et de consolider avec ces règles les dispositions des arrêtés en conseil du 5 août 1916 et du 4 novembre 1916, de sanctionner les règlements suivants en rapport avec la mise en vigueur de la *Loi du service militaire de 1917*, et ces règlements sont par les présentes établis et sanctionnés en conséquence.

RÈGLEMENTS.

1. Les règlements prescrits par les arrêtés en conseil du 5 août et du 19 novembre 1916 (C.P. 1873 et C.P. 2741) sont par les présentes rescindés.

2. Pour les fins du présent arrêté en conseil :

(*a*) Les expressions "cour de juridiction sommaire" et "cour", à moins que le contexte n'exige une interprétation différente, signifient tout juge ou tous juges de paix, magistrat de police, magistrat stipendiaire ou autre, quelque soit le nom sous lequel on le désigne, à qui juridiction est donnée ou qui est autorisé à agir par la partie XIV, XV ou XVI du Code criminel, bien que l'infraction puisse avoir été commise hors de la division territoriale où ce juge de paix, magistrat de police, magistrat stipendiaire ou autre a ou exerce ordinairement sa juridiction.

(*b*) L'expression "se livrer" signifie l'acte volontaire d'une personne qui se livre à la détention et qui, lorsqu'elle le fait, allègue pour raison qu'elle est un déserteur ou un absent sans congé du corps expéditionnaire canadien ou de la milice active.

3. Sur soupçon raisonnable qu'une personne est un déserteur ou est absent sans congé du corps expédition

naire canadien ou de la milice active du Canada, il est légal pour tout officier de la paix d'appréhender sans mandat la personne soupçonnée et de la citer immédiatement devant une cour de juridiction sommaire.

4. Lorsqu'une personne se livre à un officier de la paix comme étant un déserteur ou un absent sans congé, l'officier de police en charge du détachement ou corps auquel cette personne se livre ou auquel elle est remise immédiatement, une enquête dans le cas, et s'il appert de l'aveu de telle personne qu'elle est un déserteur ou un absent sans congé, il peut la faire délivrer à la garde des autorités militaires sans la citer devant une cour de juridiction sommaire, et dans ce cas il adressera à l'officier général ou autre officier commandant le district militaire un certificat signé de sa main relatif au fait, à la date et l'endroit de telle abandon et de tel aveu.

5. Un juge de paix, magistrat de police ou magistrat stipendiaire, ou toute autre autorisé à émettre un mandat pour l'arrestation d'une personne accusée de délit, s'il est convaincu d'après la preuve sous serment ou autrement qu'une personne qui est un déserteur ou un absent sans congé du corps expéditionnaire canadien ou de la milice active du Canada est ou est raisonnablement soupçonnée d'être dans sa juridiction, peut émettre un mandat autorisant que ce déserteur ou cet absent soit arrêté et cité immédiatement devant une cour de juridiction sommaire.

6. Lorsqu'une personne est citée devant une cour de juridiction sommaire sur l'accusation d'être un déserteur ou d'être absent sans congé du corps expéditionnaire canadien ou de la milice active du Canada, cette cour peut connaître du cas de la même manière que si cette personne avait été citée devant une cour une accusation d'acte criminel.

7. S'il appert que telle personne est un déserteur ou est absent sans congé et n'est pas coupable d'infraction de la *Loi du service militaire de 1917*, ou s'il appert que telle personne, quoique coupable d'infraction de ladite loi, s'est livrée immédiatement ou dès que la cour a jugé à propos de l'exiger, la cour le fera délivrer à la garde de l'autorité militaire de telle manière que la cour jugera la plus opportune, ou, jusqu'à ce qu'elle soit ainsi délivrée, ou jusqu'à ce que de plus amples renseignements puissent être obtenus, la cour le fera interner dans une prison, poste de police ou autre endroit légalement désigné pour la détention de ces personnes pour telle période que la cour jugera raisonnablement nécessaire.

8. La cour peut de temps à autre renvoyer à une autre audience ladite personne pour une période n'excédant pas huit jours dans chaque cas, et n'excédant pas en tout telle période que la cour juge raisonnablement nécessaire.

9. S'il appert à la cour que cette personne est un déserteur ou est absente sans congé et est coupable d'infraction de la *Loi du service militaire de 1917*, la cour fera immédiatement rapport des faits au ministre de la Justice, et au cas où le Ministre donne son consentement à la conviction de telle personne sous l'empire de l'article 16, paragraphe 4, de la dite loi, la cour considérera si telle personne doit ou non être déclarée coupable sous l'empire de ladite loi et, si elle l'est, si une peine quelconque doit lui être imposée, s'il y a une peine prescrite.

10. Si la cour décide que telle personne ne devrait pas être convaincue ou, si elle est reconnue coupable, que la condamnation devrait être suspendue, la cour fera immédiatement remettre cette personne à la garde de l'autorité militaire ainsi que prescrit au paragraphe 7 des présents règlements.

11. Si telle personne est reconnue coupable et condamnée à l'emprisonnement, la cour fera immédiatement rapport au Ministre de la Justice de la condamnation et de la peine imposée, et le Ministre peut ordonner que l'exécution de ladite peine ou de la partie de cette peine qui n'est pas expirée soit retardée jusqu'à ce que cette personne ait accompli tel service militaire qui peut être exigé d'elle, et il peut ordonner qu'elle soit délivrée à l'autorité militaire pour cette fin.

12. Quand la cour fait remettre une personne à l'autorité militaire ou quelle la fait détenir comme déserteur ou absent sans congé, la cour adressera à l'officier général ou autre officier commandant le district militaire un rapport au sujet de tel déserteur ou absent sans congé, contenant une description complète quant à la date, l'endroit et les circonstances de son arrestation ainsi que le compte rendu de l'enquête faite et de la décision prise par la cour dans le cas de telle personne.

13. Toute personne qui déserte ou est absente sans congé du corps expéditionnaire canadien ou de la milice active du Canada est coupable de délit et passible, sur conviction sommaire sous l'empire de la partie XV du Code Criminel, d'emprisonnement avec ou sans travaux forcés pour une période n'excédant pas deux ans, pourvu qu'aucune condamnation ne soit faite sous l'empire des dispositions du présent paragraphe à moins que l'accusé, avant sa désertion ou son absence, ait été placé dans l'effectif du corps expéditionnaire canadien ou de la milice du Canada et à moins que l'officier général ou autre officier commandant le district où l'homme est mis en accusation, ou l'officier exerçant l'autorité de tel officier ci-dessus mentionné consente à cette condamnation.

14. L'enrôlement d'une personne ou le fait qu'une personne a été prise dans l'effectif du corps expéditionnaire canadien ou de la milice active du Canada peut être prouvé par la production de l'attestation, d'un certificat de recrutement ou du rôle de service paraissant être signé par telle personne, ou par la production d'une copie de cette attestation ou du certificat de recrutement ou de telle partie du rôle de service s'appliquant à cette personne, cette copie étant authentiquée par l'officier qui a la garde des attestations ou du rôle de service sans preuve de l'écriture de tel officier ou du fait qu'il a la garde de l'attestation ou du rôle de service.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1910

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

Régles relatives aux pétitions et aux bills privés.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100.00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième............	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant d ent n'ont pas été versés.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

ORDERS IN COUNCIL.

[2637]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 28th day of September, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 18th September, 1917, from the Minister of Justice, submitting that it is in his opinion very desirable that provisions should be made by which aliens resident in Canada of the nationality of any of His Majesty's Allies should under principles and conditions corresponding to those which apply to British subjects within Canada be placed under the same liability for compulsory military service as exists with regards to British subjects;

The Minister observes that there are many young men in the country within the ages specified in the classes liable to be called out under the Military Service Act, 1917, of American, French, Belgian, Russian or other allied nationalities, who, unless provisions can be made for calling them out equally with British subjects, will, by reason of their immunity from compulsory service, enjoy, not only freedom from the dangers and vicissitudes of the war, but also the advantages incident to the demand for employment and the value of labour consequent upon the taking away of the British subjects who will be compelled to serve. This situation, if it be permitted, will produce general dissatisfaction and operate to prevent that measure of acquiescence in the enforcement of the law as against British subjects which may otherwise be anticipated,—

The Committee, on the recommendation of the Minister of Justice, therefore advise that Your Excellency may be pleased to send an urgent despatch to the Right Honourable the Secretary of State for the Colonies calling attention to the facts above mentioned and the obvious desirability of adopting such measures as may be possible by convention with the allied Governments or otherwise as will enable Your Excellency's Government in the exercise of its legislative powers to

Vendredi, le 28e jour de septembre 1917.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de la Justice, daté le 18 septembre 1917, représentant qu'il est d'avis qu'il serait opportun que des dispositions soient prises pour que les étrangers résidant en Canada de la nationalité d'un des alliés de Sa Majesté devraient, conformément à des conditions et principes correspondant à ceux qui s'appliquent aux sujets britanniques en Canada, être mis dans la même obligation relativement au service militaire que les sujets britanniques;

Le ministre représente qu'il y a dans le pays nombre de jeunes gens, dans les limites d'âge spécifiées dans les classes qui peuvent être appelées au service sous l'empire de la *Loi du service militaire de 1917*, de nationalité américaine, française, belge, russe ou autre nationalité alliée, qui, à moins que des mesures ne soient prises pour les appeler au service comme les sujets britanniques et à cause de leur exemption du service obligatoire, seront non seulement exempts des dangers et des vicissitudes de la guerre, mais jouiront des avantages résultant de la demande de main-d'œuvre et de la plus grande valeur que leur donnera le départ des sujets britanniques qui seront contraints de servir. Cette situation, si elle est permise, produira un mécontentement général et empêchera qu'on accorde l'acquiescement qu'on pourrait autrement espérer à l'application de la loi aux sujets britanniques,—

Par conséquent, à la recommandation du Ministre de la Justice, le comité recommande à Votre Excellence de bien vouloir adresser une dépêche urgente au Très Honorable Secrétaire d'Etat pour les Colonies, attirant son attention sur les faits ci-dessus mentionnés et sur l'opportunité évidente de prendre toutes les mesures possibles, par convention avec les gouvernements alliés ou autrement, pour permettre au Gouvernement de Votre Excellence dans l'exercice de ses pouvoirs légis-

apply the provisions of the Military Service Act, 1917, to aliens of allied nationality within the country with the consent and approval of, or without any objection or remonstrance from, their native Governments.

All of which is respectfully submitted for approval

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 4th day of October, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 3rd October, 1917, from the Minister of Justice, submitting that with a view to calling out for military service Class 1 as defined by the Military Service Act 1917, adequate preparations have now been made to admit of the settlement and direction for issue and publication of the requisite proclamation, which has been accordingly framed with the approval of the Military Service Council, a draft of which the Minister submits herewith,—

The Minister recommends that the same be approved under the powers vested in Your Excellency in Council by the said Act, the War Measures Act 1914, or otherwise; and that the proclamation as so drafted be issued on the 12th day of October, 1917, and published in the *Canada Gazette*, and, so far as possible, in the daily newspapers throughout the country, on the 13th day of October, 1917.

The Minister observes that the Central Appeal Judge has recommended that the conditions as to time or otherwise under which applications for certificates may be made so far as defined in the draft proclamation submitted herewith shall be as therein stated.

The Committee submit the same for approval.

Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS a reward of $20.00 is authorized to be paid in certain circumstances for the apprehension of a Non-Commissioned Officer or man of the Permanent Force, but no provision has been made for the payment of a reward for the apprehension of a deserter or absentee without leave from the Canadian Expeditionary Force or the Active Militia of Canada on active service ;

And whereas the lack of such reward makes it difficult to obtain the willing co-operation of the Civil Police in securing the arrest of deserters and absentees without leave and of men who have failed to comply with the terms of a Proclamation under the Military Service Act ;

And whereas this co-operation would be secured by the offer of a reward and by provision for the payment of the expenses incurred by the Civil Police in effecting arrests,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Militia and Defence, and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make and doth hereby make the following regulation:—

A reward of $10 may be paid to any Civil Police or Peace Officer for the apprehension and delivery into military custody of a deserter or absentee without leave from the Canadian Expeditionary Force or from the Active Militia of Canada on active service, or of a man

Jeudi, le 4e jour d'octobre 1917.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU COMITÉ du Conseil privé a été soumis un rapport du Ministre de la Justice, daté le 3 octobre 1917, représentant que dans le but d'appeler au service militaire la classe 1 ainsi que définie par la *Loi du service militaire de 1917* des préparations adéquates ont maintenant été faites pour la sanction et la promulgation de la proclamation requise, qui a été rédigée en conséquence avec l'approbation du Conseil du service militaire, et dont le Ministre soumet copie avec les présentes.

Le ministre recommande que cette proclamation soit approuvée sous l'empire des pouvoirs conférés à Votre Excellence en conseil par ladite loi, la *Loi des mesures de guerre de 1914* ou autrement, et que la proclamation ainsi rédigée soit émise le 12e jour d'octobre 1917 et publiée dans la *Gazette du Canada*, et, autant que possible, dans les journaux quotidiens de tout le pays, le 13e jour d'octobre 1917.

Le ministre représente que le juge d'appel central a recommandé que les conditions de temps ou autres d'après lesquelles les demandes de certificats peuvent être faites, en autant que défini dans le projet de proclamation, soient telles qu'elles y sont prescrites.

Le comité soumet le tout pour approbation.

RODOLPHE BOUDREAU,

[3452]

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 24e jour de décembre 1917.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le paiement d'une récompense de $20 est autorisé dans certaines circonstances pour l'arrestation d'un officier non breveté ou d'un soldat de la force permanente, mais qu'aucune disposition n'a été prise pour le paiement d'une récompense pour l'arrestation d'un déserteur ou d'un absent sans congé du Corps Expéditionnaire Canadien ou de la milice active du Canada en service actif ;

Et attendu qu'à défaut de telle récompense, il est difficile d'obtenir la coopération volontaire de la police civile pour l'arrestation de déserteurs et d'absents sans congé et d'hommes qui ne se sont pas conformés aux prescriptions d'une proclamation promulguée sous l'empire de la *Loi du service militaire* ;

Et attendu que cette coopération serait assurée par l'offre d'une récompense et par des dispositions pour le paiement des frais encourus par la police civile en faisant les arrestations,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Milice et de la Défense et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir par les présentes le règlement suivant :

Une récompense de $10.00 peut être payée à tout agent de la police civile ou officier de la paix pour l'arrestation et la remise à la garde de l'autorité militaire d'un déserteur ou d'un absent sans congé du Corps Expéditionnaire Canadien ou de la milice active du Ca-

who is absent without leave from the military forces of Canada on account of his failure to comply with the terms of a proclamation or order under the Military Service Act, 1917.

A District Paymaster is authorized to pay the reward to the person entitled to receive it upon the certificate of the Assistant Adjutant General for the Military District in which the man was delivered into military custody. Such certificate shall set out such particulars as the District Paymaster may require, and shall not be granted until proof is obtained that the man is in fact a deserter or absentee, as the case may be.

The District Paymaster, on a similar certificate, is further authorized to pay to any such person the necessary and reasonable expenses incurred in affecting the arrest of deserters or absentees without leave, and the reasonable and necessary expense of the board and lodging of any such deserter or absentee without leave while in civil custody.

The sum required to make good any expenses incurred for the purpo e of effecting his arrest while a deserter or an absentee without leave (but not including any reward payable for such arrest) and for his return to his corps, as may be awarded by his Commanding Officer, or in case he requires to be tried by court-martial, by the court-martial, or if he is on board one of His Majesty's ships, by the Commanding Officer of the ship, may be deducted from the ordinary pay due to a man of any of the Military Forces of Canada, but no award shall be made under this provision if the man has been convicted by a civil court for the absence without leave.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of January, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a memorandum, dated 4th January, 1918, from the Acting Minister of Justice, reporting upon the recommendation of the Military Service Council, that it is found necessary or advisable to enlarge the Dominion Police Force temporarily for purposes connected with the proper administration of the Military Service Act, 1917;

The Minister states that there are men to be sought out, identified and brought in who are offenders or who do not comply with the requirements of the statute, or with the regulations, proclamations or orders issued or to be issued or emanating from the authorities constituted under the Act, and in many cases it is impossible or inadvisable that this service should be performed by the military police;

Although it is proposed to utilize the local police forces throughout the country so far as available they are generally speaking more or less inadequate for this additional work,—

The Minister, therefore, recommends that the Chief Commissioner of Dominion Police be authorized under the direction of the Minister of Justice, either through a Commissioner of Police directly charged with the duty, or otherwise, to appoint such additional number of inspectors, sergeants and police constables as may be necessary for the services aforesaid, and to organize this additional force and direct its operations in such lawful manner as may seem most expedient and effective for the purpose of accomplishing the above mentioned objects, or for any other purpose requiring the discharge of police duties in connection with the due administration of the Act and the regulations thereunder; and moreover that the rates of pay applicable to this temporary force may be so modified or enlarged

nada en service actif, ou d'un homme qui est absent sans congé des forces militaires du Canada parce qu'il ne s'est pas conformé aux prescriptions d'une proclamation ou ordonnance promulguée sous l'empire de la *Loi du service militaire de 1917.*

Un officier payeur de district est autorisé à payer la récompense à la personne qui a droit de la recevoir sur le certificat de l'adjudant général en second du district militaire où l'homme a été remis à la garde de l'autorité militaire. Ce certificat donnera les détails que l'officier payeur du district peut exiger et ne sera pas accordé avant que la preuve ait été obtenue que l'homme concerné est bien un déserteur ou un absent, selon le cas.

L'officier payeur du district, sur certificat semblable, est autorisé à payer à toute telle personne les frais nécessaires et raisonnables encourus pour effectuer l'arrestation de déserteurs ou d'absents sans congé, ainsi que les frais raisonnables et nécessaires de la pension et du logement de tout tel déserteur ou absent sans congé tant qu'il est sous la garde de l'autorité civile.

La somme requise pour rembourser tous frais encourus pour l'arrestation d'un déserteur ou d'un absent sans congé (mais ne comprenant pas la récompense payable pour telle arrestation) et pour son retour à sa division, telle somme étant adjugée par l'officier commandant, ou par la cour martiale dans le cas où le procès a eu lieu devant une cour martiale, ou par l'officier commandant le navire s'il est à bord d'un des navires de Sa Majesté, peut être déduite de la solde ordinaire d'un homme d'une des forces militaires du Canada, mais aucune compensation ne sera adjugée en vertu du présent article si l'homme a été déclaré coupable d'absence sans congé par une cour civile.

Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mardi, le 8e jour de janvier 1918.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un mémoire du Ministre suppléant de la Justice, daté le 4 janvier 1918, faisant rapport, à la recommandation du Conseil du service militaire, qu'il est jugé nécessaire ou opportun d'augmenter temporairement l'effectif de la police fédérale pour certaines fins en rapport avec la bonne administration de la *Loi du service militaire de 1917*;

Le ministre représente qu'il y a des hommes à rechercher, identifier et appréhender qui sont des délinquants ou qui ne se conforment pas aux prescriptions de la loi ou des règlements, proclamations ou ordonnances émises ou devant être émises ou émanant des autorités constituées sous l'empire de la loi, et que dans nombre de cas il est impossible ou inopportun que ce service soit fait par la police militaire;

Bien qu'on se propose d'utiliser autant que possible les services de la police locale dans tout le pays, elle est généralement parlant inadéquate pour ce travail additionnel,—

Par conséquent, le ministre recommande que le Commissaire en chef de la police fédérale soit autorisé, sous la direction du ministre de la Justice, soit par l'entremise d'un commissaire de police directement chargé de ce devoir, soit autrement, à nommer tel nombre additionnel d'inspecteurs, sergents et constables qui peuvent être nécessaires pour le service susdit, et à organiser cette force additionnelle et diriger ses opérations de telle manière légale qui peut sembler la plus opportune et efficace pour les fins ci-dessus mentionnées ou pour toute autre fin exigeant l'intervention de la police en rapport avec la bonne administration de la loi et des règlements; et de plus, que le tarif de paye de cette force temporaire soit modifié ou élevé dans les limites déjà prescrites pour la paye de la police fédérale ainsi qu'il within the limits already prescribed for pay of the Dominion Police as may be necessary to provide efficiently for the requirements of the service.

The Committee concur in the above recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Wednesday, 1st day of May, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS under section 27 of the Military Service Regulations, provision is made for the notification to the Registrar or Deputy Registrar by men exempted of any change in address;

And whereas the Registrars report that this provision is very generally disobeyed, and that the sanction provided for its breach by the Regulations, namely, the probability that the man's exemption will be cancelled by reason of his failure to answer a communication addressed to him at the last post office address of which he has given notice, is not effective, because there is a large number of exempted men who, by reason of their physical condition, cannot be usefully employed in a military capacity;

And whereas the Minister of Justice is of the opinion that provision for the civil punishment of men who make default in the obedience to the provisions of the said paragraph would be useful,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under and in virtue of the power conferred on the Governor in Council by the Military Service Act, 1917, the War Measures Act, 1914, and otherwise, is pleased to make the following regulation, as subsection 2 of paragraph 27 of the Military Service Regulations, and the same is hereby made and enacted accordingly:—

Regulation.

"Any person who makes default in the performance of the duty imposed upon him by this paragraph shall be liable on summary conviction to imprisonment for three months with hard labour, or to a fine of one hundred dollars, or to both.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under the powers conferred by the War Measures Act, 1914, the Military Service Act, 1917, or otherwise existing in that behalf, is pleased to order as follows:—

Section 1 of the Consolidated Regulations, established by the Governor in Council on 2nd March, 1918, is amended by adding to paragraph (*m*) thereof the following:—

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que l'article 27 des règlements du service militaire prescrivent que les hommes exemptés doivent notifier le registraire ou sous-registraire de tout changement de leur adresse;

Et attendu que les registraires font rapport que cette prescription est généralement violée et que la sanction prescrite pour telle violation par les règlements, savoir: la probabilité que l'exemption de l'homme sera annulée à cause de sa négligence de répondre à une communication qui lui est adressée à la dernière adresse dont il a donné avis, n'est pas efficace, parce qu'il y a un grand nombre d'exemptés qui, à cause de leur condition physique, ne peuvent être utilement employés dans le service militaire;

Et attendu que le Ministre de la Justice est d'avis qu'il serait opportun d'imposer une peine civile aux hommes qui ne se conforment pas aux dispositions du dit paragraphe,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi du service militaire de 1917*, la *Loi des mesures de guerre de 1914*, et autrement, de faire le règlement suivant, qui sera le paragraphe 2 de l'article 27 des règlements du service militaire, et ce règlement est par les présentes fait et décrété en conséquence:

Règlement.

"Toute personne qui fait défaut dans l'accomplissement du devoir que lui impose le présent article sera passible sur conviction sommaire d'emprisonnement pour trois mois aux travaux forcés, ou d'une amende de cent dollars, ou des deux peines."

Toutefois, tout ordre de se présenter pour examen médical ou pour le service militaire émis par un registraire et envoyé par la poste recommandée à l'adresse de tout homme par qui ou pour qui cette adresse a été donnée au registraire, sera décisivement censé avoir été reçu par l'homme auquel il a été adressé à l'expiration de sept jours de la date où cet ordre, dans le cours ordi-

AT THE GOVERNMENT HOUSE AT OTTAWA

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Acting Minister of Justice reports that, for the purpose of avoiding undue expense in connection with the prosecution of defaulters under the Military Service Act, 1917; for the purpose of obviating the necessity of requiring Registrars or Deputy Registrars to attend the trials of such defaulters to prove facts disclosed in the records of such Registrars or Deputy Registrars relating to such defaulters; and for the purpose of avoiding unnecessary delays in the conduct of such trials, it is, in his opinion, desirable to amend the provisions of section 24 of the Order in Council of the 23rd of October, 1918 (P.C. 2585), enacted in substitution for section 24 of the Order in Council of the 9th November, 1917 (P.C. 3168), better to insure the attainment of the above purposes,—

Therefore His Excellency the Governor General in Council, in virtue of the powers conferred by the War Measures Act, 1914, the Military Service Act, 1917, and otherwise, is pleased to make and enact the following regulation, and the same is hereby made and enacted accordingly:—

Regulation.

Section 24 of the Order in Council of the 23rd October, 1918 (P.C. 2585), enacted in substitution for section 24 of the Order in Council of the 9th November, 1917 (P.C. 3168), and section 24 of the said last mentioned Order in Council are hereby rescinded, and the following is substituted therefor, as and from the publication hereof in the *Canada Gazette*, namely:—

24. A certificate purporting to be signed by a registrar or deputy registrar setting forth any fact as disclosed by the records of such registrar or deputy registrar in relation to the status of any person in any class or sub-class under the Military Service Act, 1917, which has been by proclamation called out on active service or in relation to any proceeding taken by the civil or military authorities with respect to such person, or in relation to any failure upon the part of any such person to comply with any requirements of the said Acts or of the regulations made thereunder, shall be *prima facie* evidence of the fact certified without proof of the record or of the official character or signature of the registrar or deputy registrar signing the same.

The KING has been pleased to approve of :—

Monsieur Auguste Henri Ponsot as Consul General of France at Montreal for the Dominion of Canada.

32-1

ORDERS IN COUNCIL.

[3122]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 20th day of December, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Railways and Canals reports that by the Order in Council dated the 20th day of November, 1918, (P.C. 2854) the persons, from time to time comprising the Board of Directors of the Canadian Northern Railway Company (which controls and operates the Canadian Northern Railway System) were appointed a Board of Management of the Canadian Government Railways;

That as a matter of convenience in connection with the operation of both systems under one management, the use of one name as a collective or descriptive title for both systems is highly desirable, and refers to the established use of the term "Canadian Northern Railway System" as a descriptive (but not corporative) title for all lines of railway owned or controlled by the Canadian Northern Railway Company and also to the use of the name Canadian Government Railways, which is also merely one of description;

That the use of such a title is a mere matter of description for convenience of reference and does not create a new legal corporate entity or affect in any manner whatsoever the legal status or the rights or obligations of the individual corporations collectively so denoted,—

Therefore, His Excellency the Governor General in Council is pleased to order and direct and doth hereby order and direct the Board of Directors aforementioned to use as a collective or descriptive designation the name "Canadian National Railways," in lieu of the names Canadian Northern Railway System and Canadian Government Railways wherever such last mentioned names are or may be at present used (including without restricting the generality of the aforegoing all operating and traffic forms) in respect of the whole of the lines of railway and railway properties controlled or operated by the Board ; provided that deeds, leases, agreements and documents of all kinds requiring execution under seal shall continue to be drawn and executed under the respective corporate names of the corporations (including the Crown), owing or entitled to the properties affected thereby, and that nothing in this Order shall be taken to restrict or enlarge or otherwise affect the liability of such respective corporations for any of their respective acts or omissions, the corporate entity in each case being preserved and the rights and liabilities remaining the same as heretofore, notwithstanding the use of the collective or descriptive desigation herein ordered.

RODOLPHE BOUDREAU,
32-1 Clerk of the Privy Council.

[113]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 17th day of Janaary, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Finance, referring to a despatch from the Right Honourable the Secretary of State for the Colonies, dated 5th October, 1918, inviting the attention of the Canadian Government to the desirability of taking measures to prevent the exportation of Russian rouble notes from Canada reports,—

That he finds that prohibition of export was established in Great Britain because of strong enemy demands for these notes for use in Russia ;

That the importation and exportation of this class of currency is under restrictions in the United States ;

That so far no restrictions have been placed on the importation and exportation of such currency by Canada for the reason that the traffic in these notes was not found to be at all considerable, and

That recently, however, it has been ascertained by the Post Office Department that large importations of Russian roubles are being made through Canada with the view of supplying banking firms in the United States with the Currency in question ;

Therefore His Excellency the Governor General in Council, in view of the foregoing, is pleased, on the recommendation of the Minister of Finance and under and by virtue of the provisions of The War Measures Act, 1914, to order that the importation into Canada and the exportation from Canada of Russian rouble notes shall be and the same is hereby prohibited, except in such cases as may be deemed advisable by the Minister of Finance under license to be issued by him.

RODOLPHE BOUDREAU,
32-1 Clerk of the Privy Council.

[134]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 20th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th December, 1918, from the Minister of the Interior stating that the Canadian Pacific Railway Company has applied for the privilege of removing a quantity of earth from certain lands in the Elbow Forest Reserve for the purpose of filling in a large trestle on its right of way in the vicinity;

The Minister observes that an examination of the lands in question has shown that they consist of rolling sand hills, with no tree growth, and it is improbable, therefore, that the use of these lands for the purpose indicated will result in any very serious destruction,—

The Minister, therefore recommends that he be authorized, under the provisions of section 17 of the Forest Reserves and Parks Act, to issue a permit to the said company to remove such quantity of earth as may be required for the purpose above mentioned from the following lands in Township 24, Range 4, west of the 3rd Meridian :—

"A strip 200 feet wide along the east side of the right of way and a strip 400 feet wide along the west side of the right of way in the northeast ¼ of Section 5, comprising 37·5 acres more or less;

"A strip 100 feet wide along each side of the right of way in the southeast ¼ of Section 17, comprising ·12 acres;

"And a strip 100 feet wide on each side of the right of way extending a distance of approximately 1,200 feet north of the south boundary of the northeast ¼ of Section 17."

and that the royalty to be paid by the company for this privilege be fixed at the rate of one cent per cubic yard.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
31-4 Clerk of the Privy Council.

[3200]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 14th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, under and in virtue of the provisions of sections 34 and 76 of The Dominion Lands Act, is pleased to make the following regulations for the drainage of Dominion lands in the Provinces of Alberta and Saskatchewan, and the same are hereby made and established accordingly :—

PART I.—*Small Drainage Projects.*

The Minister of the Interior may, subject to the provisions of The Irrigation Act, chapter 61, Revised Statutes of Canada, 1906, and the amendments thereto, authorize the sale or other disposal of the Dominion land comprised in any drainage project, the plans of which have been approved by him, provided :

(*a*) The area of land to be reclaimed in any such project shall not exceed two sections.

(*b*) The estimated cost of the works as shown by the report thereon prepared by an engineer of the Reclamation Service of the Department of the Interior shall not exceed two thousand dollars ($2,000), and

(*c*) The approval by the competent authority of the Government of the province in which the lands are situated has been given for the construction of the proposed works.

2. Application shall be made in writing to the Minister of the Interior, describing the land to be drained and the general nature and estimated cost of the proposed works.

3. An inspection and survey shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, to determine the feasibility of the proposed project and the nature and cost of the required works. The applicant may be required to deposit with the Minister a sum estimated to be sufficient to cover the cost of such inspection and survey and the preparation of the necessary plans.

4. If, as the result of such inspection and survey the project is found to be feasible and in the public interest, and within the limit of area and cost hereinbefore fixed, and the Minister of the Interior approves of the proposed project, he shall cause plans of the proposed works to be prepared and shall forward for the approval of the proper officer of the province in which the land is situated a copy of the engineer's report and a blue print of the plans of the proposed works, showing :—

(*a*) That adequate provision has been made for the disposal of the water to be drained away and for the protection of roads, highways, and other public works; and

(*b*) That agreement has been made between or among the applicants (if there be more than one) for sharing the cost of constructing the proposed works.

5. Upon the receipt of the approval of the Provincial Government, the Minister of the Interior may authorize the construction of the works and may enter into an agreement for the sale or the disposal otherwise of the vacant and available Dominion land included in the project, upon such terms and conditions as he considers advisable in the public interest; provided that no sale of land shall be made at a less rate than one dollar ($1) per acre.

6. The approval of the Minister of the Interior and of the competent authority of the Provincial Government, as hereinbefore set forth, shall entitle the applicant, or applicants, to exercise (under the provisions of "The Reclamation Act," of the Province of Alberta or of "The Reclamation Act, 1917," of the Province of Saskatchewan, as the case may be) all the powers respecting the expropriation of land required for any right of way for the proposed works that are, or may be exercised under the law of the province in which the land is situated, and in settling the damages with the owners of any such land all the provisions of the said provincial law shall apply. Any works so constructed shall thereafter be maintained in the same manner and subject to the same conditions as are prescribed by the Private Ditches Act of the Province of Alberta or of the Province of Saskatchewan, as the case may be, as if the said works had been constructed in accordance with such Act.

PART II.—*Drainage in Connection with Road Construction.*

1. When application is made to the Minister of the Interior by the Lieutenant Governor in Council of the province for the purchase of any swamp land or land covered by water, for reclamation by drainage in order to facilitate the construction, improvement, or maintenance of any public highway through the district in which the said land is situated, by the construction of drainage works on or through the said land, the Minister may, subject to the provisions of the Irrigation Act, Chapter 61, R.S.C. 1906, and the amendments thereto, sell to the Provincial Government such portion of the land to be so reclaimed as in his opinion will realize, when sold after reclamation, a sum sufficient to cover the cost of the drainage and road works. An agreement for the sale and purchase of the land shall be executed by and between the Minister of the Interior and the Provincial Government. No such sale shall be made at a less rate than one dollar ($1.00) per acre and each sale shall be subject, *inter alia* to the following conditions :—

(*a*) Any land so sold and purchased shall be offered for sale at public auction by the Provincial Govern-

ment within two years after the date of the completion of the drainage works. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*b*) The purchase price of the land shall be paid by the province to the Minister of the Interior in five equal, annual instalments, the first of which shall become due and payable within thirty days of the date of the sale of the land at public auction, with interest at the rate of six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*c*) The proceeds of the sale of the land shall be applied by the Provincial Government towards the cost of the drainage and road work, and any surplus money remaining after the total cost of such works, including the purchase price of the land, shall have been recouped to the Provincial Government shall be paid to the Minister of the Interior annually on or before the 31st day of March.

(*d*) The expenses of the sale of the land and of the collection of the purchase price shall be considered as part of the cost of the said works.

(*e*) The drainage works shall, after construction be maintained in serviceable condition by or under the direction of the Provincial Government.

(*f*) Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid to the Minister of the Interior and until each and every condition of the sale shall have been fulfilled, but may thereafter be issued either to the nominees of the Provincial Government or to the said Government.

(*g*) There shall be submitted by the Provincial Government to the Minister of the Interior annually, on or before the 31st day of March, a complete statement of the nature and extent of the works constructed, and the cost thereof, in each and every such drainage project in connection with which any such sale of Dominion land has been made, and such statements shall be subject to verification by inspection of the said works and examination of the provincial records of cost by an officer or officers detailed thereto by the Minister of the Interior.

2. An inspection and survey of the land applied for shall be made under the direction of the government of the province in which the land is situated by an engineer or Provincial Land Surveyor, who shall prepare plans of the proposed works, with an estimate of the cost thereof and the proportionate cost and benefit to each parcel of land affected thereby, and such plans and estimates and statements of cost and benefit shall be submitted in duplicate, to the Minister of the Interior with the application for the purchase of the land and for permission to drain away any water.

PART III—*Dominion Land within Organized Drainage Districts.*

When in any drainage district organized under the provisions of the Drainage Act of the province there is any vacant and available Dominion land that will be benefited by the proposed drainage, and upon which, if privately owned, a proportion of the cost of the drainage works could properly be assessed, the Minister of the Interior may, subject to the provisions of the Irrigation Act, and the amendments thereto, upon receipt of application to that effect from the Government of the province, sell such land, or any part thereof, to the province, subject, *inter alia*, to the following conditions:

(*a*) The land shall be sold at a rate per acre to be mutually agreed upon, but no sale shall be made at a less rate than one dollar ($1.00) per acre.

(*b*) Ten per cent (10%) of the purchase price shall be paid to the Minister of the Interior within thirty days of the date upon which the land shall have been offered for sale, as set forth in the next succeeding paragraphs of these regulations, and the balance shall be paid in nine equal, annual instalments, the first of which shall become due and payable one year from the date upon which the land was offered for sale, with interest at the rate of six per centum (6%) per annum upon all unpaid principal and seven per centum (7%) per annum upon all arrears of principal and interest.

(*c*) The land so sold to the province shall be offered for sale at public auction by the Provincial Government within two years after the date of the completion of the drainage works, or within such extended period as may be authorized by the Minister of the Interior for that purpose. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*d*) Title to the land shall remain in the Crown in the right of Canada until payment of the purchase price shall have been made in full and each and every condition of the sale shall have been fulfilled, and Letters Patent may then issue either to the nominees of the Provincial Government, or to the said Government. Should the Provincial Government desire to complete the purchase and acquire title to any part of the land sold before payment in full has been made for the whole area sold, payment in full shall be made for such part before Letters Patent may be issued for such part.

(*e*) The Provincial Government shall, before fixing the date of any sale, prescribe the conditions with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, but such conditions shall be subject to the approval of the Minister of the Interior, and no sale shall be made until such approval has been given.

(*f*) The proceeds of the sale by the Provincial Government of land so acquired shall be applied by the Provincial Government as follows:—

(1) To recoup to the province any and all expenditures made by it in connection with the organization of the drainage district and the construction of the drainage works thereon or in connection therewith, including the purchase price of the land, other than the proportionate cost assessed upon privately-owned land and remaining unpaid at that date.

(2) To cancel and remit the unpaid assessments charged against the aforesaid privately-owned land in the drainage district.

(3) To refund to the owners thereof any portion, or all, of the assessments previously paid on the said privately-owned land in the drainage district, and

(4) Any surplus remaining shall be applied towards the construction of roads and bridges in the rural municipality, or municipalities, in which the said drainage district is situated.

(*g*) An account shall be kept by the Provincial Government of the proceeds of all sales of Dominion land acquired in connection with each such drainage district, and of the disposition made thereof, and a detailed statement thereof and of the expense incurred by the province in connection with each such district shall be rendered to the Minister of the Interior annually, on or before the 31st day of March, until the proceeds of the sales of land in any such drainage district shall have been fully expended and accounted for.

2. The Provincial Government shall have an investigation made, in accordance with the provincial laws respecting drainage, and shall have a report and plans prepared, together with an estimate of the cost of the proposed works. the area and character of the land affected thereby, and the proportion of the cost to be assessed upon such parcel of land affected.

3. Such reports, plans, estimates of cost and proportionate assessment shall be forwarded to the Minister of the Interior, together with a separate statement of the Dominion land affected by the proposed works and the proportion of the cost of the works to

be assessed upon each parcel thereof, with a request that the said land, or such portion thereof as may be available, be sold to the Provincial Government in order to facilitate the organization of the drainage district and the undertaking of the necessary work.

4. If the plans of the proposed works and the estimated cost thereof are approved by him, the Minister of the Interior may, subject to the provisions of these regulations, sell to the Provincial Government the available Dominion land affected by the proposed works.

5. The organization of the drainage district shall then be completed in accordance with the provincial laws. In the event of failure to organize a drainage district through the unwillingness of the resident owners, or for any other cause, the agreement for sale shall not be executed and the application submitted by the province for the purchase of the land shall be cancelled.

6. Any land which at the time of the organization of the drainage district is held under entry but is unpatented, and which is subsequently abandoned by the entrant, shall not be liable for any portion of the cost of the works remaining unpaid at the date of the said abandonment. Such land shall, however, upon abandonment, be sold to the province at the same rate and subject to the same conditions as other available Dominion land within the said district ; provided that when such land is subsequently sold by the Provincial Government credit shall be given the purchaser for the amount of any drainage assessments paid by the previous entrant, and that the sale shall be subject to any such assessment remaining unpaid at the date of the sale.

PART IV.—*Drainage initiated by the Dominion Government.*

When, in the opinion of the Minister of the Interior, it is desirable in the public interest to drain lakes or swamps for the purpose of reclaiming swamp land or land covered by water, and where not less than one-half of the total land and water area in any such reclamation project in vacant and available Dominion land, the Minister may cause inspection and survey to be made to determine the feasibility of the proposed project, the area of land susceptible of reclamation, and the probable cost of the required works. Should any such reclamation project be found, as the result of such inspection and survey, to be feasible within reasonable limits of cost and desirable as a matter of public policy, the Minister may, subject to the appropriation by Parliament of money sufficient to cover the estimated cost thereof, cause the required works to be constructed in conformity with the drainage laws of the province in which the land is situated.

2. Such inspections and surveys as may be required to determine the feasibility of the proposed project and to design and lay out the required works and equitably assess the cost hereof upon the lands benefited shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior and the report of such engineer, and the plans, specifications, estimates, and assessments, prepared by him shall, after having been approved by the Minister, be dealt with in accordance with the drainage laws of the province in which the project is located.

3. Subject to the approval by the Lieutenant Governor in Council of the engineer's report, plans, specifications and assessments, and to the constitution of the drainage district, the work shall be carried out by the Reclamation Service, under the direction of the Minister of the Interior.

4. The proportion of the cost of the works assessed upon any land other than vacant Dominion land, comprised in any such drainage district, shall be collected annually by the Provincial Government in the manner prescribed by the provincial drainage laws and shall be remitted forthwith upon receipt thereof by the Provincial Treasurer, after deducting any necessary outlay by way of cost of collection, to the Minister of the Interior.

5. All vacant and available Dominion land so reclaimed shall be offered for sale at public auction within five years after the completion of the drainage works, upon such terms and conditions as may be fixed by the Minister of the Interior at the time of the sale upon either of the plans hereinafter set forth :

(*a*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in nine equal, annual payments, the first of which shall become due and payable one year from the date of the sale, with interest at six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*b*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in twenty (20) equal, annual payments of principal and interest on the amortization plan. Provided, however, that the Minister may set apart any portion or all of any land so reclaimed for Soldier Settlement in accordance with the laws and regulations respecting Soldier Settlement, and at a valuation to be fixed by the Minister.

6. The Minister of the Interior shall, before fixing the date of any sale, prescribe the conditions, if any, with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, and shall place an upset price upon each quarter-section or other parcel of land, and no parcel of land shall be sold for less than the price so fixed.

7. Any land which at the time of the organization of the drainage district is held under entry, but is unpatented, and which is subsequently abandoned by the entrant, shall be offered for sale at public auction in the manner and subject to the conditions prescribed in clauses 5 and 6 of this part, and subject to all unpaid assessments then due or to become due on account of the cost of the drainage works.

8. Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid and until each and every condition of the sale shall have been fulfilled. Provided that the purchaser shall have the right to complete payment and take title to the land at any time after four years from the date of the sale, subject to the fulfilment by him to the Minister's satisfaction of all the conditions thereof.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 17th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by section 6 of the regulations, passed under the authority of the Soldier Settlement Act, concerning the granting of loans to settlers, approved by Council on the 5th of April, 1918, and by section 7 of the regulations under the said Act concerning the granting of free entries on Dominion Lands, approved by Council on the 14th of May, 1918, that

"Upon the applicant's right as a settler being "satisfactorily established, a statement in the form "of an attestation of such right signed by the Chair-"man of the Board, shall be issued to such appli-"cant."

And whereas Qualification Committees are being appointed in each province of the Dominion under the Soldier Settlement Board to determine the qualifications of applicants to benefit according to the provisions of the Act and to convey their findings on each case to the Provincial Supervisor of the Board;

And whereas it is desirable in order to deal promptly with cases that the Provincial Supervisors shall have authority to issue certificates that applicants are qualified to benefit under the Act without reference to the Board at Ottawa, and it is desirable to amend the regulations accordingly;

And whereas the benefits of the Act are limited to members of the expeditionary forces specified in the Act who have left the forces with honourable record or have been honourably discharged, and doubt exists as to what service constitutes honourable record and what is meant by being discharged honourably, and the Soldier Settlement Board has recommended that a definition be made of those members who are entitled to benefit under the Act,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, and of the Soldier Settlement Board, is pleased to make and prescribe the following regulations to be the "Qualification Regulations" of the Soldier Settlement Board and the same are hereby made and prescribed accordingly:

QUALIFICATION REGULATIONS.

1. Pending amendment by statute defining eligibility, the members of the expeditionary forces specified in the Soldier Settlement Act, 1917, eligible to benefit thereunder as "settlers" are those members who have been discharged or left the forces after having served in an actual theatre of war or outside the country in which they enlisted, or in the case of the Canadian Expeditionary Forces, after having served in Canada only and having received injury or disability due to service for which pension has been granted; or the widows of any members who died on such service; provided that no member shall be entitled to the benefits of the Act if the discharge certificate or certificate of service granted him by the Department of Militia and Defence, or other military authorities as the case may be, show dishonourable conduct or record.

2. Qualification Committees shall be appointed in advisory capacities under the Soldier Settlement Board in each province to determine the qualifications of applicants. The committee shall be satisfied that each applicant is qualified as to (*a*) military service, (*b*) physical and personal fitness to farm, (*c*) capital or assets, and (*d*) farming experience.

3. Any applicant wishing to make application under the Act shall be required to fill up a Preliminary Information Form which shall be in the form provided by the Board. The same shall be forwarded to the Provincial Supervisor. Unless found disqualified without further examination, the applicant may be required by the Supervisor to appear in person before a Qualification Committee.

4. All applicants shall be required before their applications can be dealt with to produce certificates of discharge or other documentary evidence from the Department of Militia and Defence, or other proper military authorities as the case may be, establishing their military service and the character and termination thereof as required by the Soldier Settlement Act and regulations thereunder, and the responsibility shall be upon all applicants of having in their possession and producing the official documents from the proper military authorities establishing their military service. In all cases where such evidence is not satisfactory, the Qualification Committee or Supervisor may reserve decision until the applicant has obtained the necessary evidence. The best assistance of the Soldier Settlement Board shall be given when required to obtaining from the proper military authorities or Pension Boards the information required.

5. Any applicant holding an "Attestation" issued by the Board certifying to his eligibility so far as military service is concerned, subject to his ability to farm being approved, may be required to appear before a Qualification Committee before an application from him for loan is dealt with.

6. The Qualification Committee shall convey to the Provincial Supervisor its decision respecting each applicant, whether he is a person qualified as above, or is disqualified on one or more of the above-mentioned grounds, or is recommended for training at an agricultural school or with a practical farmer or otherwise. The record of the decision shall be signed by the Chairman of the Qualification Committee or person acting for him.

7. In each case where the applicant is approved as qualified to benefit under the Act, the Provincial Supervisor shall issue to the applicant a "Qualification Certificate" which shall be in a form prescribed by the Board. In other cases the applicant shall be notified of the training required, or other decision of the Committee.

8. Such Qualification Certificate shall entitle the holder thereof to be dealt with as an applicant for soldier grant entry on available Dominion Lands, or as an applicant for a loan on the security of land, as provided in the Act and the regulations thereunder.

9. Pending examination and decision by a Qualification Committee, the Supervisor may, if the applicant is eligible by reason of military service to benefit under the Act, recommend such applicant for entry on Dominion Lands under the Soldier Settlement Act and regulations thereunder, subject to confirmation after a decision of the Qualification Committee is given. Application for such entry shall be made in the prescribed manner, and the agent of Dominion Lands shall reserve the land, if available, without issuing a certificate of entry pending examination by a Qualification Commit-

tee and pending agricultural training of the applicant until notified of the final decision of the Board. The applicant in the meantime shall not take possession of the land and shall have no rights in respect thereto.

10. Pending appointment of Qualification Committees, or in the event of Qualification Committees not meeting within a reasonable time, the Supervisor may in special cases of urgency, if satisfied that the applicant is qualified, issue a Qualification Certificate, or may prescribe agricultural training to be taken by the applicant before appearance before a Qualification Committee, or render such decision as is appropriate to the case.

11. The Soldier Settlement Board shall make such further provisions and regulations as to procedure and otherwise in determining the qualifications of the applicants as are deemed by the Board necessary and which are not inconsistent with these regulations.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 28e jour de décembre 1918, représentant que la compagnie de chemin de fer Pacifique Canadien a demandé le privilège d'enlever une quantité de terre de certains terrains de la réserve forestière Elbow pour les remblais d'un grand viaduc de sa voie ferrée dans le voisinage ;

Le ministre observe qu'après examen des terrains en question il a été constaté que ces derniers consistent en collines de sable sans végétation, et qu'il est par conséquent impropable que l'affectation de ces terrains aux fins susdites causerait de sérieux dommages,—

Le ministre, par conséquent, recommande qu'on l'autorise, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, à permettre à ladite compagnie d'enlever toute quantité de terre requise pour lesdites fins des terrains ci-après décrits, situés dans le township 24, rang 4, à l'ouest du 3e méridien :—

"Une lisière de 200 pieds de large le long du côté est de la voie et une lisière de 400 pieds de large le long du côté ouest de ladite voie, dans le quart nord-est de la section 5, comprenant 37·5 acres plus ou moins.

Une lisière de 100 pieds de large le long des deux côtés de la voie dans le quart sud-est de la section 17, comprenant ·12 acres, et une lisière de 100 pieds de large de chaque côté de la voie sur une distance approximative de 1,200 pieds au nord de la borne sud du quart nord-est de la section 17. Le droit à être payé par ladite compagnie pour ce privilège est fixé à un cent par verge cube."

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre des Finances fait rapport à propos d'une dépêche du très honorable secrétaire d'État pour les colonies, datée le 5 octobre 1918, attirant l'attention du gouvernement canadien sur l'opportunité de prendre des mesures pour empêcher l'exportation du Canada de roubles-papier russes,—

Qu'il constate que cette exportation a été interdite en Grande-Bretagne à cause de la demande considérable par l'ennemi de ces billets pour circulation en Russie ;

Que l'importation et l'exportation de ce genre de papier-monnaie sont soumises à des restrictions aux Etats-Unis ;

Que jusqu'ici le Canada n'a imposé aucune restriction à l'importation et l'exportation de ce papier-monnaie pour la raison que le trafic de ces billets n'était pas considérable, et

Que récemment, toutefois, le département des Postes a constaté qu'il se faisait de fortes importations par voie du Canada de roubles russes dans le but de fournir ce papier-monnaie aux banques des Etats-Unis,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vue de ce qui précède, à la recommandation du ministre des Finances et en vertu des dispositions de la *Loi des mesures de guerre de 1914*, de décréter que soit par les présentes prohibée l'exportation du Canada de roubles-papier russes, sauf dans les cas où le ministre des Finances peut juger opportun de la permettre, par un permis qu'il accordera.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre des Finances fait rapport qu'il n'est plus nécessaire de continuer à appliquer les restrictions concernant les emprunts, prescrites par l'arrêté en conseil du vingt-deuxième jour de décembre 1917 (C.P. 3439) et par les arrêtés en conseil le modifiant,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre des Finances et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir et promulguer par les présentes le règlement suivant :—

RÈGLEMENT.

1. L'arrêté du Gouverneur général en conseil, daté le 22 décembre 1917 (C.P. 3439), et les arrêtés du Gouverneur en conseil modifiant cet arrêté sont par les présentes rescindés, et nulles obligations, débentures ou autres valeurs ou actions ne seront censées avoir été illégalement émises, vendues ou offertes en vente parce qu'elles ont antérieurement été émises, vendues ou offertes en vente sans le certificat de consentement du ministre des Finances exigé par les dispositions desdits arrêtés en conseil.

Vendredi, le 20e jour de décembre 1918

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le Ministre des Chemins de fer et Canaux fait rapport que par un arrêté en conseil daté le 20e jour de novembre 1918 (C.P. 2854) les personnes composant le Bureau des directeurs de la Compagnie de chemin de fer Canadian Northern (qui contrôle et administre le réseau des voies ferrées du chemin de fer Canadian Northern) a été constitué en un bureau d'administration des chemins de fer du gouvernement canadien ;

Que pour faciliter l'exploitation des deux systèmes sous la même direction il est très opportun d'avoir un seul nom comme titre collectif ou descriptif pour les deux réseaux. Le ministre fait mention de l'usage établi de l'expression "Canadian Northern Railway System" comme titre descriptif (mais non corporatif) de toutes les voies ferrées appartenant à la Compagnie de chemin de fer Canadian Northern ou dont elle a le contrôle, ainsi que de la désignation de "chemins de fer du gouvernement", qui n'est aussi qu'un titre descriptif ;

Que tel titre n'est que purement descriptif et n'est employé que pour plus de commodité ; qu'il ne crée pas une nouvelle entité coopérative ni n'affecte en aucune manière la situation légale ou les droits ou obligations des corporations individuelles ainsi collectivement désignées,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'ordonner et enjoindre par les présentes au bureau de directeurs ci-dessus mentionné de prendre comme désignation collective ou descriptive le nom de "Canadian National Railways", au lieu des noms "Canadian Northern Railway System" et "Canadian Government Railways" partout où ces derniers noms sont ou peuvent être actuellement employés (y compris, sans restreindre la généralité de ces désignations, toutes les formules d'exploitation et de trafic) pour toutes les voies ferrées et les propriétés contrôlées par le bureau. Toutefois, les actes, baux, conventions et documents quelconques exigeant exécution sous sceau continueront à être rédigés et exécutés sous les noms corporatifs respectifs des corporations (y compris la Couronne), auxquelles appartiennent les propriétés affectées ou qui en ont le titre, et rien dans le présent arrêté ne sera censé restreindre, accroître ou autrement affecter la responsabilité de telles corporations respectives pour leurs actions ou omissions respectives, l'entité corporative dans chaque cas étant conservée et les droits et responsabilités restant les mêmes qu'auparavant, nonobstant l'emploi de la désignation collective ou descriptive décrétée par les présentes.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que l'article 6 des règlements adoptés sous l'empire de la *Loi d'établissement des soldats*, concernant les prêts aux colons, approuvés par le conseil le 5 avril 1918, et par l'article 7 des règlements aussi sous le régime de ladite loi, concernant la concession d'inscriptions gratuites sur les terres fédérales, approuvés par le conseil le 14 mai 1918, il est prescrit ce qui suit :—

" Dès que le droit du postulant comme colon aura " été dûment établi, il lui sera remis un certificat " sous forme d'attestation de ce droit, signé par le " président de la Commission " ;

Et attendu que des comités de qualifications sont actuellement nommés dans chaque province du Canada, sous la direction de la Commission d'établissement des soldats, pour déterminer les qualifications des postulants à bénéficier des dispositions de la loi et pour faire rapport de chaque cas à l'inspecteur provincial de la Commission ;

Et attendu qu'il est opportun, afin de décider promptement des cas divers, que les inspecteurs provinciaux soient autorisés à émettre des certificats que les postulants sont qualifiés à bénéficier des dispositions de la loi sans recours à la Commission à Ottawa, et qu'il est désirable de modifier les règlements en conséquence;

Et attendu que les dispositions de la loi sont restreintes aux membres des forces expéditionnaires spécifiées dans cette loi qui ont quitté ces forces avec des états de service honorables ou en ont été honorablement congédiés, et qu'un doute existe sur ce qui constitue des états de service honorables et ce que signifie la réforme honorable, et que la Commission d'établissement des soldats a recommandé qu'une définition soit faite des membres de ladite force expéditionnaire qui ont droit de bénéficier de la loi,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur et de la Commission d'établissement des soldats, d'établir les règlements suivants, qui seront "les règlements de qualification" de la Commission d'établissement des soldats, et ces règlements sont par les présentes établis en conséquence.

RÈGLEMENTS DE QUALIFICATION.

1. Jusqu'à modification par statut définissant la qualification, les membres des forces expéditionnaires spécifiées dans la *Loi d'établissement des soldats, 1917*, qualifiés pour bénéficier à titre de colons des dispositions de cette loi, sont ceux qui ont été congédiés ou ont quitté ces forces après avoir servi sur un théâtre actuel de la guerre ou hors du pays où ils se sont enrôlés, ou dans le cas du corps expéditionnaire canadien, après avoir servi en Canada seulement et, dans ce service, avoir souffert de blessures ou d'invalidité pour lesquelles une pension a été accordée; ou les veuves des membres de ces corps qui sont morts en service, pourvu qu'aucun de ces membres n'ait droit de bénéficier des dispositions de la loi si le certificat de congé ou les certificats de service qui lui ont été donnés par le Département de la Milice et Défense ou autres autorités militaires, selon le cas, indiquent une conduite ou des états de service déshonorants.

2. Les comités de qualification seront nommés à titre de corps consultatifs dépendant de la Commission d'établissement des soldats dans chaque province, pour déterminer les qualifications des postulants. Le comité s'assurera que chaque postulant est qualifié quant à (*a*) le service militaire, (*b*) l'aptitude physique et la capacité de cultiver la terre, (*c*) le capital ou les ressources, et (*d*) l'expérience en agriculture.

3. Quiconque désire faire une demande sous le régime de la loi devra remplir une formule de renseignements préliminaires qui sera en la forme prescrite par la Commission. Cette formule sera adressée à l'inspecteur provincial. A moins qu'il ne soit constaté sans autre examen que le postulant n'est pas qualifié, l'inspecteur peut exiger qu'il se présente en personne devant un comité de qualification.

4. Avant que leur demande soit prise en considération, tous les requérants devront présenter leur certificat de congé ou autres preuves documentaires du Département de la Milice et de la Défense ou autres autorités militaires compétentes, selon le cas, établissant le fait de leur service militaire ainsi que le genre de service et la date où il s'est terminé, ainsi que requis par la *Loi d'établissement des soldats* et les règlements sous le régime de cette loi. Les postulants seront tenus d'avoir en leur possession et de présenter les documents officiels des autorités militaires compétentes établissant leur service militaire. Dans tous les cas où cette preuve documentaire n'est pas satisfaisante, le comité de qualification ou l'inspecteur peut retarder sa décision jusqu'à ce que le postulant ait obtenu la preuve nécessaire. La Commission d'établissement des soldats, quand on le demandera, donnera toute l'aide possible pour obtenir des autorités militaires compétentes ou des bureaux de pension les renseignements requis.

5. Tout postulant qui a un certificat émis par la Commission attestant sa qualification en tant que le service militaire est concerné, pourvu que ses aptitudes à la culture soient constatées, peut être requis de se présenter devant un comité de qualification avant que sa demande d'un prêt soit considérée.

6. Le comité de qualification communiquera à l'inspecteur provincial sa décision concernant chaque postulant, qu'il soit dûment qualifié ainsi qu'il est exigé ci-dessus ou qu'il ne le soit pas pour une ou plusieurs des raisons mentionnées, ou qu'il soit recommandé pour instruction à une école d'agriculture ou avec un cultivateur pratique ou autrement. Le rapport de cette

décision sera signé par le président du comité de qualification ou son agent.

7. Dans chaque cas où le postulant est jugé qualifié à bénéficier des dispositions de la loi, l'inspecteur provincial remettra au postulant un "certificat de qualification" en la forme prescrite par la Commission. Dans les autres cas le postulant sera notifié de l'instruction qu'il lui faut recevoir, ou de toute autre décision du comité.

8. Ce certificat de qualification donnera droit au porteur à être considéré comme postulant pour l'inscription sur les terres fédérales disponibles, ou comme postulant pour un prêt garanti par le terrain, ainsi que prescrit dans la loi et les règlements sous le régime de cette loi.

9. Jusqu'à examen et décision par un comité de qualification, l'inspecteur, si le postulant est qualifié en raison de son service militaire à bénéficier des dispositions de la loi, peut recommander ce postulant pour inscription sur les terres fédérales sous l'empire de la *Loi d'établissement des soldats* et des règlements sous le régime de cette loi, sujet à confirmation après que le comité de qualification a rendu une décision. La demande d'inscription sera faite de la manière prescrite et l'agent des terres fédérales réservera le terrain, s'il est disponible, sans émettre un certificat d'inscription jusqu'à examen par un comité de qualification et jusqu'à ce que le postulant ait reçu l'instruction requise en agriculture, et enfin jusqu'à ce qu'il soit notifié de la décision finale de la Commission. Dans l'intervalle, le postulant ne prendra pas possession du terrain et n'y aura aucun droit.

10. Jusqu'à la nomination des comités de qualification, ou au cas où ces comités ne se réuniraient pas dans un délai raisonnable, l'inspecteur peut dans les cas d'urgence spéciaux, s'il est convaincu que le postulant est qualifié, délivrer un certificat de qualification, ou il peut exiger que le postulant s'instruise en agriculture avant de se présenter à un comité de qualification, ou il peut rendre toute décision appropriée au cas.

11. La Commission d'établissement des soldats prendra telles autres mesures et établira tels règlements quant à la procédure et autrement pour déterminer les qualifications des postulants qu'elle jugera nécessaires et qui ne sont pas incompatibles avec les présents règlements.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième.............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000...........	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000...........	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000..........	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000..........	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000..........	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnels....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

[134]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 20th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th December, 1918, from the Minister of the Interior stating that the Canadian Pacific Railway Company has applied for the privilege of removing a quantity of earth from certain lands in the Elbow Forest Reserve for the purpose of filling in a large trestle on its right of way in the vicinity;

The Minister observes that an examination of the lands in question has shown that they consist of rolling sand hills, with no tree growth, and it is improbable, therefore, that the use of these lands for the purpose indicated will result in any very serious destruction,—

The Minister, therefore recommends that he be authorized, under the provisions of section 17 of the Forest Reserves and Parks Act, to issue a permit to the said company to remove such quantity of earth as may be required for the purpose above mentioned from the following lands in Township 24, Range 4, west of the 3rd Meridian:—

"A strip 200 feet wide along the east side of the right of way and a strip 400 feet wide along the west side of the right of way in the northeast ¼ of Section 5, comprising 37·5 acres more or less;

"A strip 100 feet wide along each side of the right of way in the southeast ¼ of Section 17, comprising ·12 acres;

"And a strip 100 feet wide on each side of the right of way extending a distance of approximately 1,200 feet north of the south boundary of the northeast ¼ of Section 17."

and that the royalty to be paid by the company for this privilege be fixed at the rate of one cent per cubic yard.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 14th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, under and in virtue of the provisions of sections 34 and 76 of The Dominion Lands Act, is pleased to make the following regulations for the drainage of Dominion lands in the Provinces of Alberta and Saskatchewan, and the same are hereby made and established accordingly:—

PART I.—*Small Drainage Projects.*

The Minister of the Interior may, subject to the provisions of The Irrigation Act, chapter 61, Revised Statutes of Canada, 1906, and the amendments thereto, authorize the sale or other disposal of the Dominion land comprised in any drainage project, the plans of which have been approved by him, provided:

(*a*) The area of land to be reclaimed in any such project shall not exceed two sections.

(*b*) The estimated cost of the works as shown by the report thereon prepared by an engineer of the Reclamation Service of the Department of the Interior shall not exceed two thousand dollars ($2,000), and

(*c*) The approval by the competent authority of the Government of the province in which the lands are situated has been given for the construction of the proposed works.

2. Application shall be made in writing to the Minister of the Interior, describing the land to be drained and the general nature and estimated cost of the proposed works.

3. An inspection and survey shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, to determine the feasibility of the proposed project and the nature and cost of the required works. The applicant may be required to deposit with the Minister a sum estimated to be sufficient to cover the cost of such inspection and survey and the preparation of the necessary plans.

4. If, as the result of such inspection and survey the project is found to be feasible and in the public interest, and within the limit of area and cost hereinbefore fixed, and the Minister of the Interior approves of the proposed project, he shall cause plans of the proposed works to be prepared and shall forward for the approval of the proper officer of the province in which the land is situated a copy of the engineer's report and a blue print of the plans of the proposed works, showing:—

(*a*) That adequate provision has been made for the disposal of the water to be drained away and for the protection of roads, highways, and other public works; and

(*b*) That agreement has been made between or among the applicants (if there be more than one) for sharing the cost of constructing the proposed works.

5. Upon the receipt of the approval of the Provincial Government, the Minister of the Interior may authorize the construction of the works and may enter into an agreement for the sale or the disposal otherwise of the vacant and available Dominion land included in the project, upon such terms and conditions as he considers advisable in the public interest; provided that no sale of land shall be made at a less rate than one dollar ($1) per acre.

6. The approval of the Minister of the Interior and of the competent authority of the Provincial Government, as hereinbefore set forth, shall entitle the applicant, or applicants, to exercise (under the provisions of "The Reclamation Act," of the Province of Alberta or of "The Reclamation Act, 1917," of the Province of Saskatchewan, as the case may be) all the powers respecting the expropriation of land required for any right of way for the proposed works that are, or may be exercised under the law of the province in which the land is situated, and in settling the damages with the owners of any such land all the provisions of the said provincial law shall apply. Any works so constructed shall thereafter be maintained in the same manner and subject to the same conditions as are prescribed by the Private Ditches Act of the Province of Alberta or of the Province of Saskatchewan, as the case may be, as if the said works had been constructed in accordance with such Act.

PART II.—*Drainage in Connection with Road Construction.*

1. When application is made to the Minister of the Interior by the Lieutenant Governor in Council of the province for the purchase of any swamp land or land covered by water, for reclamation by drainage in order to facilitate the construction, improvement, or maintenance of any public highway through the district in which the said land is situated, by the construction of drainage works on or through the said land, the Minister may, subject to the provisions of the Irrigation Act, Chapter 61, R.S.C. 1906, and the amendments thereto, sell to the Provincial Government such portion of the land to be so reclaimed as in his opinion will realize, when sold after reclamation, a sum sufficient to cover the cost of the drainage and road works. An agreement for the sale and purchase of the land shall be executed by and between the Minister of the Interior and the Provincial Government. No such sale shall be made at a less rate than one dollar ($1.00) per acre and each sale shall be subject, *inter alia* to the following conditions:—

(*a*) Any land so sold and purchased shall be offered for sale at public auction by the Provincial Govern-

ment within two years after the date of the completion of the drainage works. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*b*) The purchase price of the land shall be paid by the province to the Minister of the Interior in five equal, annual instalments, the first of which shall become due and payable within thirty days of the date of the sale of the land at public auction, with interest at the rate of six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*c*) The proceeds of the sale of the land shall be applied by the Provincial Government towards the cost of the drainage and road work, and any surplus money remaining after the total cost of such works, including the purchase price of the land, shall have been recouped to the Provincial Government shall be paid to the Minister of the Interior annually on or before the 31st day of March.

(*d*) The expenses of the sale of the land and of the collection of the purchase price shall be considered as part of the cost of the said works.

(*e*) The drainage works shall, after construction be maintained in serviceable condition by or under the direction of the Provincial Government.

(*f*) Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid to the Minister of the Interior and until each and every condition of the sale shall have been fulfilled, but may thereafter be issued either to the nominees of the Provincial Government or to the said Government.

(*g*) There shall be submitted by the Provincial Government to the Minister of the Interior annually, on or before the 31st day of March, a complete statement of the nature and extent of the works constructed, and the cost thereof, in each and every such drainage project in connection with which any such sale of Dominion land has been made, and such statements shall be subject to verification by inspection of the said works and examination of the provincial records of cost by an officer or officers detailed thereto by the Minister of the Interior.

2. An inspection and survey of the land applied for shall be made under the direction of the government of the province in which the land is situated by an engineer or Provincial Land Surveyor, who shall prepare plans of the proposed works, with an estimate of the cost thereof and the proportionate cost and benefit to each parcel of land affected thereby, and such plans and estimates and statements of cost and benefit shall be submitted in duplicate, to the Minister of the Interior with the application for the purchase of the land and for permission to drain away any water.

PART III—*Dominion Land within Organized Drainage Districts.*

When in any drainage district organized under the provisions of the Drainage Act of the province there is any vacant and available Dominion land that will be benefited by the proposed drainage, and upon which, if privately owned, a proportion of the cost of the drainage works could properly be assessed, the Minister of the Interior may, subject to the provisions of the Irrigation Act, and the amendments thereto, upon receipt of application to that effect from the Government of the province, sell such land, or any part thereof, to the province, subject, *inter alia*, to the following conditions:

(*a*) The land shall be sold at a rate per acre to be mutually agreed upon, but no sale shall be made at a less rate than one dollar ($1.00) per acre.

(*b*) Ten per cent (10%) of the purchase price shall be paid to the Minister of the Interior within thirty days of the date upon which the land shall have been offered for sale, as set forth in the next succeeding paragraphs of these regulations, and the balance shall be paid in nine equal, annual instalments, the first of which shall become due and payable one year from the date upon which the land was offered for sale, with interest at the rate of six per centum (6%) per annum upon all unpaid principal and seven per centum (7%) per annum upon all arrears of principal and interest.

(*c*) The land so sold to the province shall be offered for sale at public auction by the Provincial Government within two years after the date of the completion of the drainage works, or within such extended period as may be authorized by the Minister of the Interior for that purpose. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*d*) Title to the land shall remain in the Crown in the right of Canada until payment of the purchase price shall have been made in full and each and every condition of the sale shall have been fulfilled, and Letters Patent may then issue either to the nominees of the Provincial Government, or to the said Government. Should the Provincial Government desire to complete the purchase and acquire title to any part of the land sold before payment in full has been made for the whole area sold, payment in full shall be made for such part before Letters Patent may be issued for such part.

(*e*) The Provincial Government shall, before fixing the date of any sale, prescribe the conditions with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, but such conditions shall be subject to the approval of the Minister of the Interior, and no sale shall be made until such approval has been given.

(*f*) The proceeds of the sale by the Provincial Government of land so acquired shall be applied by the Provincial Government as follows:—

(1) To recoup to the province any and all expenditures made by it in connection with the organization of the drainage district and the construction of the drainage works thereon or in connection therewith, including the purchase price of the land, other than the proportionate cost assessed upon privately-owned land and remaining unpaid at that date.

(2) To cancel and remit the unpaid assessments charged against the aforesaid privately-owned land in the drainage district.

(3) To refund to the owners thereof any portion, or all, of the assessments previously paid on the said privately-owned land in the drainage district, and

(4) Any surplus remaining shall be applied towards the construction of roads and bridges in the rural municipality, or municipalities, in which the said drainage district is situated.

(*g*) An account shall be kept by the Provincial Government of the proceeds of all sales of Dominion land acquired in connection with each such drainage district, and of the disposition made thereof, and a detailed statement thereof and of the expense incurred by the province in connection with each such district shall be rendered to the Minister of the Interior annually, on or before the 31st day of March, until the proceeds of the sales of land in any such drainage district shall have been fully expended and accounted for.

2. The Provincial Government shall have an investigation made, in accordance with the provincial laws respecting drainage, and shall have a report and plans prepared, together with an estimate of the cost of the proposed works, the area and character of the land affected thereby, and the proportion of the cost to be assessed upon such parcel of land affected.

3. Such reports, plans, estimates of cost and proportionate assessment shall be forwarded to the Minister of the Interior, together with a separate statement of the Dominion land affected by the proposed works and the proportion of the cost of the works to

be assessed upon each parcel thereof, with a request that the said land, or such portion thereof as may be available, be sold to the Provincial Government in order to facilitate the organization of the drainage district and the undertaking of the necessary work.

4. If the plans of the proposed works and the estimated cost thereof are approved by him, the Minister of the Interior may, subject to the provisions of these regulations, sell to the Provincial Government the available Dominion land affected by the proposed works.

5. The organization of the drainage district shall then be completed in accordance with the provincial laws. In the event of failure to organize a drainage district through the unwillingness of the resident owners, or for any other cause, the agreement for sale shall not be executed and the application submitted by the province for the purchase of the land shall be cancelled.

6. Any land which at the time of the organization of the drainage district is held under entry but is unpatented, and which is subsequently abandoned by the entrant, shall not be liable for any portion of the cost of the works remaining unpaid at the date of the said abandonment. Such land shall, however, upon abandonment, be sold to the province at the same rate and subject to the same conditions as other available Dominion land within the said district ; provided that when such land is subsequently sold by the Provincial Government credit shall be given the purchaser for the amount of any drainage assessments paid by the previous entrant, and that the sale shall be subject to any such assessment remaining unpaid at the date of the sale.

PART IV.—*Drainage initiated by the Dominion Government.*

When, in the opinion of the Minister of the Interior, it is desirable in the public interest to drain lakes or swamps for the purpose of reclaiming swamp land or land covered by water, and where not less than one-half of the total land and water area in any such reclamation project in vacant and available Dominion land, the Minister may cause inspection and survey to be made to determine the feasibility of the proposed project, the area of land susceptible of reclamation, and the probable cost of the required works. Should any such reclamation project be found, as the result of such inspection and survey, to be feasible within reasonable limits of cost and desirable as a matter of public policy, the Minister may, subject to the appropriation by Parliament of money sufficient to cover the estimated cost thereof, cause the required works to be constructed in conformity with the drainage laws of the province in which the land is situated.

2. Such inspections and surveys as may be required to determine the feasibility of the proposed project and to design and lay out the required works and equitably assess the cost hereof upon the lands benefited shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, and the report of such engineer, and the plans, specifications, estimates, and assessments, prepared by him shall, after having been approved by the Minister, be dealt with in accordance with the drainage laws of the province in which the project is located.

3. Subject to the approval by the Lieutenant Governor in Council of the engineer's report, plans, specifications and assessments, and to the constitution of the drainage district, the work shall be carried out by the Reclamation Service, under the direction of the Minister of the Interior.

4. The proportion of the cost of the works assessed upon any land other than vacant Dominion land, comprised in any such drainage district, shall be collected annually by the Provincial Government in the manner prescribed by the provincial drainage laws and shall be remitted forthwith upon receipt thereof by the Provincial Treasurer, after deducting any necessary outlay by way of cost of collection, to the Minister of the Interior.

5. All vacant and available Dominion land so reclaimed shall be offered for sale at public auction within five years after the completion of the drainage works, upon such terms and conditions as may be fixed by the Minister of the Interior at the time of the sale upon either of the plans hereinafter set forth :

(*a*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in nine equal, annual payments, the first of which shall become due and payable one year from the date of the sale, with interest at six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*b*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in twenty (20) equal, annual payments of principal and interest on the amortization plan. Provided, however, that the Minister may set apart any portion or all of any land so reclaimed for Soldier Settlement in accordance with the laws and regulations respecting Soldier Settlement, and at a valuation to be fixed by the Minister.

6. The Minister of the Interior shall, before fixing the date of any sale, prescribe the conditions, if any, with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, and shall place an upset price upon each quarter-section or other parcel of land, and no parcel of land shall be sold for less than the price so fixed.

7. Any land which at the time of the organization of the drainage district is held under entry, but is unpatented, and which is subsequently abandoned by the entrant, shall be offered for sale at public auction in the manner and subject to the conditions prescribed in clauses 5 and 6 of this part, and subject to all unpaid assessments then due or to become due on account of the cost of the drainage works.

8. Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid and until each and every condition of the sale shall have been fulfilled. Provided that the purchaser shall have the right to complete payment and take title to the land at any time after four years from the date of the sale, subject to the fulfilment by him to the Minister's satisfaction of all the conditions thereof.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise that further residence on the part of Mr. John Austin, who obtained homestead entry for the N. W. ¼ of Section 28, Township 9, Range 16, west of the 3rd Meridian, on the 7th December, 1911, be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, so that free patent may be issued to Mr. Austin upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Minister states that the above mentioned homesteader has performed two terms of six months' residence and has cultivated an area of 53 acres ; that the entrant is now over 80 years of age and the medical certificates furnished the Department of the Interior from time to time during the years 1915–16–17 show that Mr. Austin has been unable to do any manual labour owing to serious ill health.

Friday, the 28th day of September, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 18th September, 1917, from the Minister of Justice, submitting that it is in his opinion very desirable that provisions should be made by which aliens resident in Canada of the nationality of any of His Majesty's Allies should under principles and conditions corresponding to those which apply to British subjects within Canada be placed under the same liability for compulsory military service as exists with regards to British subjects;

The Minister observes that there are many young men in the country within the ages specified in the classes liable to be called out under the Military Service Act, 1917, of American, French, Belgian, Russian or other allied nationalities, who, unless provisions can be made for calling them out equally with British subjects, will, by reason of their immunity from compulsory service, enjoy, not only freedom from the dangers and vicissitudes of the war, but also the advantages incident to the demand for employment and the value of labour consequent upon the taking away of the British subjects who will be compelled to serve. This situation, if it be permitted, will produce general dissatisfaction and operate to prevent that measure of acquiescence in the enforcement of the law as against British subjects which may otherwise be anticipated,—

The Committee, on the recommendation of the Minister of Justice, therefore advise that Your Excellency may be pleased to send an urgent despatch to the Right Honourable the Secretary of State for the Colonies calling attention to the facts above mentioned and the obvious desirability of adopting such measures as may be possible by convention with the allied Governments or otherwise as will enable Your Excellency's Government in the exercise of its legislative powers to apply the provisions of the Military Service Act, 1917, to aliens of allied nationality within the country with the consent and approval of, or without any objection or remonstrance from, their native Governments.

All of which is respectfully submitted for approval.

RODOLPHE BOUDREAU,
33–1 Clerk of the Privy Council.

Thursday, the 4th day of October, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 3rd October, 1917, from the Minister of Justice, submitting that with a view to calling out for military service Class 1 as defined by the Military Service Act 1917, adequate preparations have now been made to admit of the settlement and direction for issue and publication of the requisite proclamation, which has been accordingly framed with the approval of the Military Service Council, a draft of which the Minister submits herewith,—

The Minister recommends that the same be approved under the powers vested in Your Excellency in Council by the said Act, the War Measures Act 1914, or otherwise; and that the proclamation as so drafted be issued on the 12th day of October, 1917, and published in the *Canada Gazette*, and, so far as possible, in the daily newspapers throughout the country, on the 13th day of October, 1917.

The Minister observes that the Central Appeal Judge has recommended that the conditions as to time or otherwise under which applications for certificates may be made so far as defined in the draft proclamation submitted herewith shall be as therein stated.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
33–1 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 24th day of December, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS a reward of $20.00 is authorized to be paid in certain circumstances for the apprehension of a Non-Commissioned Officer or man of the Permanent Force, but no provision has been made for the payment of a reward for the apprehension of a deserter or absentee without leave from the Canadian Expeditionary Force or the Active Militia of Canada on active service;

And whereas the lack of such reward makes it difficult to obtain the willing co-operation of the Civil Police in securing the arrest of deserters and absentees without leave and of men who have failed to comply with the terms of a Proclamation under the Military Service Act;

And whereas this co-operation would be secured by the offer of a reward and by provision for the payment of the expenses incurred by the Civil Police in effecting arrests,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Militia and Defence, and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make and doth hereby make the following regulation:—

A reward of $10 may be paid to any Civil Police or Peace Officer for the apprehension and delivery into military custody of a deserter or absentee without leave from the Canadian Expeditionary Force or from the Active Militia of Canada on active service, or of a man who is absent without leave from the military forces of Canada on account of his failure to comply with the terms of a proclamation or order under the Military Service Act, 1917.

A District Paymaster is authorized to pay the reward to the person entitled to receive it upon the certificate of the Assistant Adjutant General for the Military District in which the man was delivered into military custody. Such certificate shall set out such particulars as the District Paymaster may require, and shall not be granted until proof is obtained that the man is in fact a deserter or absentee, as the case may be.

The District Paymaster, on a similar certificate, is further authorized to pay to any such person the necessary and reasonable expenses incurred in affecting the arrest of deserters or absentees without leave, and the reasonable and necessary expense of the board and lodging of any such deserter or absentee without leave while in civil custody.

The sum required to make good any expenses incurred for the purpose of effecting his arrest while a deserter or an absentee without leave (but not including any reward payable for such arrest) and for his return to his corps, as may be awarded by his Commanding Officer, or in case he requires to be tried by court-martial, by the court-martial, or if he is on board one of His Majesty's ships, by the Commanding Officer of the ship, may be deducted from the ordinary pay due to a man of any of the Military Forces of Canada, but no award shall be made under this provision if the man has been convicted by a civil court for the absence without leave.

33–1 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of January, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a memorandum, dated 4th January, 1918, from the Acting Minister of Justice, reporting upon the recommendation of the Military Service Council, that it is found necessary or advisable to enlarge the Dominion Police Force temporarily for purposes connected with the proper administration of the Military Service Act, 1917;

The Minister states that there are men to be sought out, identified and brought in who are offenders or who do not comply with the requirements of the statute, or with the regulations, proclamations or orders issued or to be issued or emanating from the authorities constituted under the Act, and in many cases it is impossible or inadvisable that this service should be performed by the military police;

Although it is proposed to utilize the local police forces throughout the country so far as available they are generally speaking more or less inadequate for this additional work,—

The Minister, therefore, recommends that the Chief Commissioner of Dominion Police be authorized under the direction of the Minister of Justice, either through a Commissioner of Police directly charged with the duty, or otherwise, to appoint such additional number of inspectors, sergeants and police constables as may be necessary for the services aforesaid, and to organize this additional force and direct its operations in such lawful manner as may seem most expedient and effective for the purpose of accomplishing the above mentioned objects, or for any other purpose requiring the discharge of police duties in connection with the due administration of the Act and the regulations thereunder; and moreover that the rates of pay applicable to this temporary force may be so modified or enlarged within the limits already prescribed for pay of the Dominion Police as may be necessary to provide efficiently for the requirements of the service.

The Committee concur in the above recommendation and submit the same for approval.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS under section 27 of the Military Service Regulations, provision is made for the notification to the Registrar or Deputy Registrar by men exempted of any change in address;

And whereas the Registrars report that this provision is very generally disobeyed, and that the sanction provided for its breach by the Regulations, namely, the probability that the man's exemption will be cancelled by reason of his failure to answer a communication addressed to him at the last post office address of which he has given notice, is not effective, because there is a large number of exempted men who, by reason of their physical condition, cannot be usefully employed in a military capacity;

And whereas the Minister of Justice is of the opinion that provision for the civil punishment of men who make default in the obedience to the provisions of the said paragraph would be useful,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Justice, and under and in virtue of the power conferred on the Governor in Council by the Military Service Act, 1917, the War Measures Act, 1914, and otherwise, is pleased to make the following regulation, as subsection 2 of paragraph 27 of the Military Service Regulations, and the same is hereby made and enacted accordingly:—

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Acting Minister of Justice reports that, for the purpose of avoiding undue expense in connection with the prosecution of defaulters under the Military Service Act, 1917 ; for the purpose of obviating the necessity of requiring Registrars or Deputy Registrars to attend the trials of such defaulters to prove facts disclosed in the records of such Registrars or Deputy Registrars relating to such defaulters ; and for the purpose of avoiding unnecessary delays in the conduct of such trials, it is, in his opinion, desirable to amend the provisions of section 24 of the Order in Council of the 23rd of October, 1918 (P.C. 2585), enacted in substitution for section 24 of the Order in Council of the 9th November, 1917 (P.C. 3168), better to insure the attainment of the above purposes,—

Therefore His Excellency the Governor General in Council, in virtue of the powers conferred by the War Measures Act, 1914, the Military Service Act, 1917, and otherwise, is pleased to make and enact the following regulation, and the same is hereby made and enacted accordingly :—

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th January, 1919, from the Minister of the Interior stating that Harold O. Leach was granted homestead entry by proxy, for the North-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, on the 19th January, 1917.

That at the time this entry was granted the Agent of Dominion Lands was unaware that Mr. Leach had been appointed on the 15th May, 1915, to the position of Assistant Engineer on the staff of the Manitoba Hydrometric Survey.

That on the 14th February, 1916, Mr. Leach was granted leave of absence without pay in order to enlist in the Canadian Expeditionary Force, and on the 21st of that month he was appointed to the 184th Overseas Battalion, C.E.F.

That section 84 of the Dominion Lands Act at that time provided, that no officer or employee of or under the Department of the Interior should directly or indirectly purchase or acquire any Dominion Lands or any interest therein, but there was some doubt then as to whether this provision of the law had reference to members of the Outside Service, to which Mr. Leach was attached.

That by an amendment made to the Dominion Lands Act during the last session of Parliament, it is now contrary to the law for any employee of the Department to secure Dominion Lands either directly or indirectly by purchase or homestead entry.

That Mr. Leach was killed in action on the 1st September, 1918, leaving as his next of kin his mother, Mrs. M. E. Leach of Winnipeg, Manitoba.

That the late Mr. Leach was not notified that his entry had been granted in error and that he died believing that he still held the land.

In view of all the circumstances of this case, the Minister recommends that the said Harold O. Leach be confirmed in his standing as an entrant for the homestead with respect to the land above mentioned, the north-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, notwithstanding any question that might arise as to whether or not any section of the Act at the time this entry was granted, prohibited the granting of an entry to an employee of the Outside Service of the Department of the Interior.

The Committee concur in the foregoing recommendation, and submit the same for approval.

Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, submitting that Alex. Chisholm squatted on the south-east quarter of Section 36, Township 82, Range 18, west of the 6th Meridian, in August 1914, prior to the completion of the survey of this land, therefore, he was unable to obtain a homestead entry at the time he squatted on this quarter-section; that it has been ascertained through the records of the Department of Militia and Defence that Mr. Chisholm enlisted on the 27th April, 1915, and was officially reported killed in action on the 9th October, 1916; that up to the present time, this land has been reserved in order that the late squatter might make entry, this action being in accordance with the ordinary practice of the Department of the Interior; that an application has now been made that the estate of the deceased be granted patent for the quarter-section.

In view of all the circumstances of the case, the Minister recommends that the said Alex. Chisholm, now deceased, be given the status of an entrant for a homestead with respect to the land above mentioned, the south-east quarter of Section 36, Township 82, range 18, west of the 6th Meridian, in order that his estate may obtain letters patent for the said land under the provisions of the Orders in Council of the 8th May, 1915, and the 20th September, 1915, which provide for the immediate issue of letters patent for the homestead in the cases where the entrant has been killed on active military service in defence of the British Empire.

The Committee concur in the foregoing recommendation, and submit the same for approval.

The Minister, therefore, recommends, as the collection is purely for scientific purposes, that the Regulations established by Order in Council of the 21st June, 1909, and reapplied to all Dominion Parks by the Order in Council of the 6th June, 1911, forbidding the hunting and taking of any wild animal or bird within any park's limits be waived in this case, and that Dr. Charles Walcott be granted permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks for the summer of 1919, the permission being confined, however, to two male and two female specimens of each species of mammals and six of each species of birds.

The Reserve of Officers, C.E.F., is organized for the purpose of providing a Reserve of qualified officers, who may be selected or recalled for active duty, and shall be composed of:

i. Officers who have served with the C.E.F. Overseas or in Canada and been struck off the active strength.

ii. Officers struck off the Active List of the C.E.F. at their own request.

OFFICERS CANADIAN EXPEDITIONARY FORCE.

Regulations Governing Appointments, Rank, Gradation and Precedence Generally.

1. Definitions of Rank.

The following classification shall govern rank of officers in the Canadian Expeditionary Force:

(a) The "Substantive" rank of an officer shall be his rank in the Active Militia of Canada at time of his appointment to the Canadian Expeditionary Force, or subsequent promotion in the former.

(b) The "Temporary" rank of an officer shall be the rank granted to him in the Canadian Expeditionary Force.

(c) The "Acting" rank of an officer shall be such rank in the Canadian Expeditionary Force as may be granted him during any period in which he may be called upon to perform duties pertaining to a higher rank than that he already holds, and upon the relinquishment of which he will automatically revert to his former status.

(d) All rank in the Canadian Expeditionary Force shall be temporary. Officers will receive the pay and allowances for such rank.

(e) Officers granted "Acting" rank will receive pay and allowances prescribed for such rank.

2. Promotion.

The promotion of officers shall be by selection with due regard to efficiency, record of service and seniority.

3. Seniority.

The seniority of officers will be determined as follows:

(a) If appointed in Canada, by date of approval by the Adjutant-General; or, by date published in Routine Orders, or Canada Gazette; or, subsequent promotions.

(b) If appointed overseas, from date of appointment or subsequent promotions, published in London Gazette.

(c) Officers automatically absorbed into C.E.F. in Canada under the provisions of P.C. 1569 (Routine Order 795) will take seniority in the C.E.F. from date of appointment, or last promotion, while actively employed at time of, or since date of, promulgation of Routine Order above quoted.

4. Seconding of Officers.

When a regimental officer on the Active List is employed away from his own corps upon any duty not connected with the corps (unless of a purely temporary nature) he may be "seconded" in his corps. In that case, his name is shown in italics on the Regimental List.

Officers shall be seconded under the following conditions:

(a) When extra regimentally employed in an appointment provided for by establishment.

(b) Specially employed under authority from Militia Headquarters.

(c) Attached to the Royal Air Force on probation.

(d) Attached to Imperial, Overseas or Colonial Military or Naval Forces (temporary or on probation.)

An officer on the seconded list shall, on becoming the senior of his rank, be eligible for promotion by seniority or selection, as the case may be.

5. Gradation of Officers.

Should necessity arise, the seniority of officers bearing rank of the same date shall be determined by the seniority held by them in the Canadian Militia, irrespective of the arm of the service to which they belong.

In event of a decision becoming necessary regarding two or more officers who have not previously held a commission in the Canadian Militia, then precedence will be determined by the order of seniority of the arm of the service to which they belong.

6. Reversion of Officers to Junior Rank.

Officers reverting to junior rank will be graded for seniority from the original date of their appointment or promotion to the rank to which they revert.

7. Gradation on re-appointment from the C.E.F. Reserve.

Officers re-appointed to the Active List from the C.E.F. Reserve will take precedence as follows:

(a) If re-appointed within three months (91 days) from date of their transfer to the Reserve, they will be graded as from the original date of their rank and seniority.

(b) If re-appointed subsequent to the expiration of three months from the date of transfer to the Reserve, they shall be graded with rank and seniority as from the date of re-appointment only.

8. Seniority of Officers on exchange or Transfer.

The seniority of officers on exchange or transfer from one unit to another within the same arm of the service, if by order, shall remain unaltered. If by request, they shall take precedence in the corps to which they have exchanged or are transferred, with the rank they hold as from date of such exchange or transfer.

Officers transferred from one arm of the service to another shall take rank and precedence as for a new appointment to that arm, unless otherwise specially provided for by the authority of the Adjutant-General.

9. Rank—How Shown.

For the purposes of gradation and precedence officers will be shown in order of seniority by their respective C.E.F. ranks, with any acting ranks held by them indicated in brackets immediately below.

10. Officers Absent from Units for more than three Months.

An officer absent from a unit by reason of disability through illness for more than a period of three months, shall be struck off the strength of his unit and transferred to the District Casualty Unit. On becoming fit for service, he will then be considered for re-employment or other disposal.

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de la Justice, daté le 18 septembre 1917, représentant qu'il est d'avis qu'il serait opportun que des dispositions soient prises pour que les étrangers résidant en Canada de la nationalité d'un des alliés de Sa Majesté devraient, conformément à des conditions et principes correspondant à ceux qui s'appliquent aux sujets britanniques en Canada, être mis dans la même obligation relativement au service militaire que les sujets britanniques;

Le ministre représente qu'il y a dans le pays nombre de jeunes gens, dans les limites d'âge spécifiées dans les classes qui peuvent être appelées au service sous l'empire de la *Loi du service militaire de 1917*, de nationalité américaine, française, belge, russe ou autre nationalité alliée, qui, à moins que des mesures ne soient prises pour les appeler au service comme les sujets britanniques et à cause de leur exemption du service obligatoire, seront non seulement exempts des dangers et des vicissitudes de la guerre, mais jouiront des avantages résultant de la demande de main-d'œuvre et de la plus grande valeur que leur donnera le départ des sujets britanniques qui seront contraints de servir. Cette situation, si elle est permise, produira un mécontentement général et empêchera qu'on accorde l'acquiescement qu'on pourrait autrement espérer à l'application de la loi aux sujets britanniques,—

Par conséquent, à la recommandation du Ministre de la Justice, le comité recommande à Votre Excellence de bien vouloir adresser une dépêche urgente au Très Honorable Secrétaire d'Etat pour les Colonies, attirant son attention sur les faits ci-dessus mentionnés et sur l'opportunité évidente de prendre toutes les mesures possibles, par convention avec les gouvernements alliés ou autrement, pour permettre au Gouvernement de Votre Excellence dans l'exercice de ses pouvoirs législatifs, d'appliquer les dispositions de la *Loi du service militaire de 1917* aux étrangers de nationalité alliée dans ce pays avec le consentement et l'approbation, ou sans objection ou représentation de leurs gouvernements nationaux.

Le tout respectueusement soumis pour approbation.

RODOLPHE BOUDREAU,

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU COMITÉ du Conseil privé a été soumis un rapport du Ministre de la Justice, daté le 3 octobre 1917, représentant que dans le but d'appeler au service militaire la classe 1 ainsi que définie par la *Loi du service militaire de 1917* des préparations adéquates ont maintenant été faites pour la sanction et la promulgation de la proclamation requise, qui a été rédigée en conséquence avec l'approbation du Conseil du service militaire, et dont le Ministre soumet copie avec les présentes.

Le ministre recommande que cette proclamation soit approuvée sous l'empire des pouvoirs conférés à Votre Excellence en conseil par ladite loi, la *Loi des mesures de guerre de 1914* ou autrement, et que la proclamation ainsi rédigée soit émise le 12e jour d'octobre 1917 et publiée dans la *Gazette du Canada*, et, autant que possible, dans les journaux quotidiens de tout le pays, le 13e jour d'octobre 1917.

Le ministre représente que le juge d'appel central a recommandé que les conditions de temps ou autres d'après lesquelles les demandes de certificats peuvent être faites, en autant que défini dans le projet de proclamation, soient telles qu'elles y sont prescrites.

Le comité soumet le tout pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le paiement d'une récompense de $20 est autorisé dans certaines circonstances pour l'arrestation d'un officier non breveté ou d'un soldat de la force permanente, mais qu'aucune disposition n'a été prise pour le paiement d'une récompense pour l'arrestation d'un déserteur ou d'un absent sans congé du Corps Expéditionnaire Canadien ou de la milice active du Canada en service actif ;

Et attendu qu'à défaut de telle récompense, il est difficile d'obtenir la coopération volontaire de la police civile pour l'arrestation de déserteurs et d'absents sans congé et d'hommes qui ne se sont pas conformés aux prescriptions d'une proclamation promulguée sous l'empire de la *Loi du service militaire* ;

Et attendu que cette coopération serait assurée par l'offre d'une récompense et par des dispositions pour le paiement des frais encourus par la police civile en faisant les arrestations,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Milice et de la Défense et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, d'établir par les présentes le règlement suivant :

Une récompense de $10.00 peut être payée à tout agent de la police civile ou officier de la paix pour l'arrestation et la remise à la garde de l'autorité militaire d'un déserteur ou d'un absent sans congé du Corps Expéditionnaire Canadien ou de la milice active du Canada en service actif, ou d'un homme qui est absent sans congé des forces militaires du Canada parce qu'il ne s'est pas conformé aux prescriptions d'une proclamation ou ordonnance promulguée sous l'empire de la *Loi du service militaire de 1917*.

Un officier payeur de district est autorisé à payer la récompense à la personne qui a droit de la recevoir sur le certificat de l'adjudant général en second du district militaire où l'homme a été remis à la garde de l'autorité militaire. Ce certificat donnera les détails que l'officier payeur du district peut exiger et ne sera pas accordé avant que la preuve ait été obtenue que l'homme concerné est bien un déserteur ou un absent, selon le cas.

L'officier payeur du district, sur certificat semblable, est autorisé à payer à toute telle personne les frais nécessaires et raisonnables encourus pour effectuer l'arrestation de déserteurs ou d'absents sans congé, ainsi que les frais raisonnables et nécessaires de la pension et du logement de tout tel déserteur ou absent sans congé tant qu'il est sous la garde de l'autorité civile.

La somme requise pour rembourser tous frais encourus pour l'arrestation d'un déserteur ou d'un absent sans congé (mais ne comprenant pas la récompense payable pour telle arrestation) et pour son retour à sa division, telle somme étant adjugée par l'officier commandant, ou par la cour martiale dans le cas où le procès a eu lieu devant une cour martiale, ou par l'officier commandant le navire s'il est à bord d'un des navires de Sa Majesté, peut être déduite de la solde ordinaire d'un homme d'une des forces militaires du Canada, mais aucune compensation ne sera adjugée en vertu du présent article si l'homme a été déclaré coupable d'absence sans congé par une cour civile.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un mémoire du Ministre suppléant de la Justice, daté le 4 janvier 1918, faisant rapport, à la recommandation du Conseil du service militaire, qu'il est jugé nécessaire ou opportun d'augmenter temporairement l'effectif de la police fédérale pour certaines fins en rapport avec la bonne administration de la *Loi du service militaire de 1917* ;

Le ministre représente qu'il y a des hommes à rechercher, identifier et appréhender qui sont des délinquants ou qui ne se conforment pas aux prescriptions de la loi ou des règlements, proclamations ou ordonnances émises ou devant être émises ou émanant des autorités constituées sous l'empire de la loi, et que dans nombre de cas il est impossible ou inopportun que ce service soit fait par la police militaire ;

Bien qu'on se propose d'utiliser autant que possible les services de la police locale dans tout le pays, elle est généralement parlant inadéquate pour ce travail additionnel,—

Par conséquent, le ministre recommande que le Commissaire en chef de la police fédérale soit autorisé, sous la direction du ministre de la Justice, soit par l'entremise d'un commissaire de police directement chargé de ce devoir, soit autrement, à nommer tel nombre additionnel d'inspecteurs, sergents et constables qui peuvent être nécessaires pour le service susdit, et à organiser cette force additionnelle et diriger ses opérations de telle manière légale qui peut sembler la plus opportune et efficace pour les fins ci-dessus mentionnées ou pour toute autre fin exigeant l'intervention de la police en rapport avec la bonne administration de la loi et des règlements ; et de plus, que le tarif de paye de cette force temporaire soit modifié ou élevé dans les limites déjà prescrites pour la paye de la police fédérale ainsi qu'il peut être nécessaire pour répondre adéquatement aux exigences du service.

Le comité agrée cette recommandation et la soumet pour approbation

ATTENDU que l'article 27 des règlements du service militaire prescrivent que les hommes exemptés doivent notifier le registraire ou sous-registraire de tout changement de leur adresse ;

Et attendu que les registraires font rapport que cette prescription est généralement violée et que la sanction prescrite pour telle violation par les règlements, savoir: la probabilité que l'exemption de l'homme sera annulée à cause de sa négligence de répondre à une communication qui lui est adressée à la dernière adresse dont il a donné avis, n'est pas efficace, parce qu'il y a un grand nombre d'exemptés qui, à cause de leur condition physique, ne peuvent être utilement employés dans le service militaire ;

Et attendu que le Ministre de la Justice est d'avis qu'il serait opportun d'imposer une peine civile aux hommes qui ne se conforment pas aux dispositions du dit paragraphe,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Justice et en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi du service militaire de 1917*, la *Loi des mesures de guerre de 1914*, et autrement, de faire le règlement suivant, qui sera le paragraphe 2 de l'article 27 des règlements du service militaire, et ce règlement est par les présentes fait et décrété en conséquence :

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 28e jour de décembre 1918, représentant que la compagnie de chemin de fer Pacifique Canadien a demandé le privilège d'enlever une quantité de terre de certains terrains de la réserve forestière Elbow pour les remblais d'un grand viaduc de sa voie ferrée dans le voisinage ;

Le ministre observe qu'après examen des terrains en question il a été constaté que ces derniers consistent en collines de sable sans végétation, et qu'il est par conséquent impropable que l'affectation de ces terrains aux fins susdites causerait de sérieux dommages,—

Le ministre, par conséquent, recommande qu'on l'autorise, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, à permettre à ladite compagnie d'enlever toute quantité de terre requise pour lesdites fins des terrains ci-après décrits, situés dans le township 24, rang 4, à l'ouest du 3e méridien :—

"Une lisière de 200 pieds de large le long du côté est de la voie et une lisière de 400 pieds de large le long du côté ouest de ladite voie, dans le quart nord-est de la section 5, comprenant 37·5 acres plus ou moins.

Une lisière de 100 pieds de large le long des deux côtés de la voie dans le quart sud-est de la section 17, comprenant ·12 acres, et une lisière de 100 pieds de large de chaque côté de la voie sur une distance approximative de 1,200 pieds au nord de la borne sud du quart nord-est de la section 17. AU comité du Consil privé a été soumis un rapport du ministre de l'Intérieur, représentant qu'Alexandre Chisholm, en août 1914, s'établit comme squatter sur le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, avant que fut complété l'arpentage de ce terrain, et fut par conséquent incapable d'obtenir une inscription de homestead lors de son établissement comme squatter sur ledit quart de section. Les archives du département de la Milice et de la Défense établissent que M. Chisholm s'est enrôlé le 27 avril 1915 et que d'après les rapports officiels il a été tué en service le 9 octobre 1916. Jusqu'à présent ce terrain a été tenu en réserve pour permettre au squatter défunt de s'inscrire, conformément à la coutume du département de l'Intérieur. Demande a maintenant été faite que patente dudit quart de section soit accordée à la succession du défunt.

Vu toutes ces circonstances, le ministre recommande que ledit Alex Chisholm, défunt, soit considéré comme inscrit en ce qui concerne le terrain susmentionné, soit le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, pour que sa succession obtienne les lettres patentes dudit terrain en vertu des dispositions des arrêtés en conseil du 8 mai 1915 et du 20 septembre 1915, qui stipulent que dans le cas d'un inscrit tué en service militaire actif dans la défense de l'Empire Britannique les lettres patentes de son homestead seront immédiatement délivrées.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 22 janvier 1919, représentant que le docteur Charles Walcott, secrétaire du Smithsonian Institute, Washington, a demandé la permission de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été prochain pour le Musée National des Etats-Unis,—

Par conséquent, comme cette collection est purement pour des fins scientifiques, le ministre recommande que soient suspendus dans ce cas les règlements des parcs établis par un arrêté en conseil du 21 juin 1909, et de nouveau appliqués auxdits parcs par un arrêté en conseil du 6 juin 1911, prohibant la chasse et la capture de tout animal ou oiseau sauvage dans les limites des parcs, et que permission soit accordée au docteur Charles Walcott de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été de 1919. Toutefois, la permission est limitée à deux spécimens mâles et deux spécimens femelles de chaque espèce et à six spécimens de chaque espèce d'oiseaux.

Le comité agrée cette recommandation et la soumet pour approbation.

33–4 Greffier du Conseil privé.

PRESENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

A la recommandation du ministre de l'Intérieur, le Comité du Conseil privé recommande que M. John Austin qui, le 7 décembre 1911, a obtenu l'inscription de homestead du quart nord-ouest de la section 28, township 9, rang 16, à l'ouest du 3e méridien, soit relevé de toutes obligations de résidence futures en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, pour que patente gratuite soit délivrée à M. Austin sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le ministre déclare que le colon susmentionné a accompli deux termes de six mois de résidence et a mis en culture une superficie de 53 acres ; que l'inscrit est aujourd'hui âgé de 80 ans et les certificats médicaux fournis au département de temps à autre au cours des années 1915-16-17 démontrent que M. Austin a été incapable de se livrer à tout travail manuel pour raisons de santé.

DEMANDES AU PARLEMENT.

SÉNAT.

Substances des règles et formes de procédure du Sénat concernant les bils de divorce.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÉGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième.............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000............	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000...........	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000.........	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000..........	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000..........	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnels....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

CHAMBER OF THE SENATE.

OTTAWA, Thursday, 20th February, 1919.

This day, at THREE o'clock, p.m., HIS EXCELLENCY THE GOVERNOR GENERAL proceeded in state to the Chamber of the Senate, in the Parliament Buildings, and took his seat upon the Throne. The Members of the Senate being assembled, His Excellency was pleased to command the attendance of the House of Commons, and that House being present, HIS EXCELLENCY was pleased to open the SECOND SESSION of the THIRTEENTH PARLIAMENT OF THE DOMINION OF CANADA with the following Speech :—

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

Since the last session of Parliament events have transpired of the highest consequence to the Empire and to Canada. After withstanding with steadfast valour repeated assaults pressed with the utmost vigour and determination, the Allied Forces, taking the offensive in all theatres of action, advanced to decisive and overwhelming victory. Upon terms of practically unconditional surrender on the part of the enemy, armistices were arranged and are now in effect, under which extensive strategic territories have been evacuated, guns, munitions and other war material and supplies surrendered on a vast scale, and the greater part of the hostile fleets delivered up to the Allies. A Conference is now being held at Paris to determine the conditions upon which peace will be concluded. As the decisions of this conference will be of vital importance to Canada as well as to other parts of the Empire, it is being attended by the Right Honourable the Prime Minister, accompanied by others of my advisers.

In the notable victories leading to the glorious issue accomplished by the arms of the Allies, none of the forces engaged bore a more valorous or heroic part than those of Canada, whose achievements throughout the entire war have won imperishable renown for their country. It is most gratifying to be able to state that, in the final and decisive stages of the mighty struggle, our divisions in the field were maintained at over-strength, and equipped in the highest degree with all the requirements of modern warfare. The appreciation and gratitude of the nation cannot be too earnestly and sincerely expressed to the gallant members of the Canadian Expeditionary Force, whose sacrifices, sufferings and heroism have played so effectual a part in vindicating the cause of world-liberty and civilization.

Prior to the armistice, plans and preparations had been made for the return, demobilization and re-establishment in civil life, after the close of the war, of our soldiers with their dependents overseas. These are now in operation, and while this great undertaking presents, owing to after-war conditions, many difficulties and complications, it is confidently expected that it will be accomplished speedily and satisfactorily.

Immediately upon the conclusion of the armistice, which necessarily involved the cessation of operations in the manufacture of munitions and in other essential war industries, steps were taken by my advisers to facilitate the readjustment of business, and to provide employment. Orders in Council embodying the measures adopted will be laid before you without delay.

A Bill relating to the franchise, with such provisions as are necessary having regard to existing conditions, and providing among other things for effectually enabling women to vote, and conferring upon them the privilege of sitting in Parliament, will be submitted for your consideration.

Your attention will also be invited to Bills providing for aid in the construction of highways; for assisting returned soldiers in establishing themselves upon the land, and for promoting desirable immigration and farm settlement.

Bills will also be submitted for the promotion of vocational education; for the creation of a Department of Public Health; for promoting better housing conditions throughout the Dominion by loans made for the purpose to the several Provincial Governments, and for the validation by Parliament of Orders in Council prohibiting the importation and manufacture of intoxicating beverages, and the transportation thereof into any community where their sale is contrary to law. Other necessary legislation dealing with matters, including pensions to soldiers and their dependents, now regulated by Orders in Council, will be laid before you. Further important measures, designed to promote the welfare and prosperity of the people in the new era of reconstruction, social as well as material, upon which the world has entered, will be recommended to your consideration.

After more than four years of war, and notwithstanding the sudden dislocation brought about by the armistice, Canada's industrial, commercial and financial stability has been well maintained. It is the expectation that in addition to business arising from the resumption of public and private undertakings in Canada which were suspended by the war, and needed improvements and betterments throughout the Dominion, Canada will obtain substantial participation in the expansion of export trade following the conclusion of the war, and the liberation of commerce from the restraints which have existed during its continuance. Steps have been taken by my advisers to promote and facilitate such participation.

Gentlemen of the House of Commons:

The accounts of the last and the estimates for the next fiscal year will be submitted to you without delay, and you will be asked to make the necessary financial provision for meeting the remaining expenditures arising out of the war and connected with demobilization; also for the establishment of credits for the financing of purchases of our agricultural, industrial and other products.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

It is appropriate that we should acknowledge our thankfulness to Divine Providence for the successful issue of the terrible struggle in which for so long a period our armies have been engaged, and for the restoration of peace to the world. Through the long conflict, with its dire vicissitudes and varying fortunes, our people never allowed themselves to doubt that victory would finally crown our cause, which was that of truth and justice. The deeply loyal and earnest co-operation of the Overseas Dominions and Dependencies with the Mother Country must more firmly cement for all time those ties which bind the Empire in indissoluble union. The spirit born of common sacrifice, suffering and heroic endeavour will also, it is confidently hoped, permanently unite the Allies by the bonds of a great memory and tradition, and effectually promote the formation of a League of Nations which will ensure for all time the peace of the world.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 20th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th December, 1918, from the Minister of the Interior stating that the Canadian Pacific Railway Company has applied for the privilege of removing a quantity of earth from certain lands in the Elbow Forest Reserve for the purpose of filling in a large trestle on its right of way in the vicinity;

The Minister observes that an examination of the lands in question has shown that they consist of rolling sand hills, with no tree growth, and it is improbable, therefore, that the use of these lands for the purpose indicated will result in any very serious destruction,—

The Minister, therefore recommends that he be authorized, under the provisions of section 17 of the Forest Reserves and Parks Act, to issue a permit to the said company to remove such quantity of earth as may be required for the purpose above mentioned from the following lands in Township 24, Range 4, west of the 3rd Meridian:—

"A strip 200 feet wide along the east side of the right of way and a strip 400 feet wide along the west side of the right of way in the northeast ¼ of Section 5, comprising 37·5 acres more or less;

"A strip 100 feet wide along each side of the right of way in the southeast ¼ of Section 17, comprising ·12 acres;

"And a strip 100 feet wide on each side of the right of way extending a distance of approximately 1,200 feet north of the south boundary of the northeast ¼ of Section 17."

and that the royalty to be paid by the company for this privilege be fixed at the rate of one cent per cubic yard.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[3200]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 14th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council, under and in virtue of the provisions of sections 34 and 76 of The Dominion Lands Act, is pleased to make the following regulations for the drainage of Dominion lands in the Provinces of Alberta and Saskatchewan, and the same are hereby made and established accordingly:—

Part 1.—*Small Drainage Projects.*

The Minister of the Interior may, subject to the provisions of The Irrigation Act, chapter 61, Revised Statutes of Canada, 1906, and the amendments thereto, authorize the sale or other disposal of the Dominion land comprised in any drainage project, the plans of which have been approved by him, provided:

(*a*) The area of land to be reclaimed in any such project shall not exceed two sections.

(*b*) The estimated cost of the works as shown by the report thereon prepared by an engineer of the Reclamation Service of the Department of the Interior shall not exceed two thousand dollars ($2,000), and

(*c*) The approval by the competent authority of the Government of the province in which the lands are situated has been given for the construction of the proposed works.

2. Application shall be made in writing to the Minister of the Interior, describing the land to be drained and the general nature and estimated cost of the proposed works.

3. An inspection and survey shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, to determine the feasibility of the proposed project and the nature and cost of the required works. The applicant may be required to deposit with the Minister a sum estimated to be sufficient to cover the cost of such inspection and survey and the preparation of the necessary plans.

4. If, as the result of such inspection and survey the project is found to be feasible and in the public interest, and within the limit of area and cost hereinbefore fixed, and the Minister of the Interior approves of the proposed project, he shall cause plans of the proposed works to be prepared and shall forward for the approval of the proper officer of the province in which the land is situated a copy of the engineer's report and a blue print of the plans of the proposed works, showing:—

(*a*) That adequate provision has been made for the disposal of the water to be drained away and for the protection of roads, highways, and other public works; and

(*b*) That agreement has been made between or among the applicants (if there be more than one) for sharing the cost of constructing the proposed works.

5. Upon the receipt of the approval of the Provincial Government, the Minister of the Interior may authorize the construction of the works and may enter into an agreement for the sale or the disposal otherwise of the vacant and available Dominion land included in the project, upon such terms and conditions as he considers advisable in the public interest; provided that no sale of land shall be made at a less rate than one dollar ($1) per acre.

6. The approval of the Minister of the Interior and of the competent authority of the Provincial Government, as hereinbefore set forth, shall entitle the applicant, or applicants, to exercise (under the provisions of "The Reclamation Act," of the Province of Alberta or of "The Reclamation Act, 1917," of the Province of Saskatchewan, as the case may be) all the powers respecting the expropriation of land required for any right of way for the proposed works that are, or may be exercised under the law of the province in which the land is situated, and in settling the damages with the owners of any such land all the provisions of the said provincial law shall apply. Any works so constructed shall thereafter be maintained in the same manner and subject to the same conditions as are prescribed by the Private Ditches Act of the Province of Alberta or of the Province of Saskatchewan, as the case may be, as if the said works had been constructed in accordance with such Act.

Part 11.—*Drainage in Connection with Road Construction.*

1. When application is made to the Minister of the Interior by the Lieutenant Governor in Council of the province for the purchase of any swamp land or land covered by water, for reclamation by drainage in order to facilitate the construction, improvement, or maintenance of any public highway through the district in which the said land is situated, by the construction of drainage works on or through the said land, the Minister may, subject to the provisions of the Irrigation Act, Chapter 61, R.S.C. 1906, and the amendments thereto, sell to the Provincial Government such portion of the land to be so reclaimed as in his opinion will realize, when sold after reclamation, a sum sufficient to cover the cost of the drainage and road works. An agreement for the sale and purchase of the land shall be executed by and between the Minister of the Interior and the Provincial Government. No such sale shall be made at a less rate than one dollar ($1.00) per acre and each sale shall be subject, *inter alia* to the following conditions:—

(*a*) Any land so sold and purchased shall be offered for sale at public auction by the Provincial Govern-

ment within two years after the date of the completion of the drainage works. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*b*) The purchase price of the land shall be paid by the province to the Minister of the Interior in five equal, annual instalments, the first of which shall become due and payable within thirty days of the date of the sale of the land at public auction, with interest at the rate of six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*c*) The proceeds of the sale of the land shall be applied by the Provincial Government towards the cost of the drainage and road work, and any surplus money remaining after the total cost of such works, including the purchase price of the land, shall have been recouped to the Provincial Government shall be paid to the Minister of the Interior annually on or before the 31st day of March.

(*d*) The expenses of the sale of the land and of the collection of the purchase price shall be considered as part of the cost of the said works.

(*e*) The drainage works shall, after construction be maintained in serviceable condition by or under the direction of the Provincial Government.

(*f*) Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid to the Minister of the Interior and until each and every condition of the sale shall have been fulfilled, but may thereafter be issued either to the nominees of the Provincial Government or to the said Government.

(*g*) There shall be submitted by the Provincial Government to the Minister of the Interior annually, on or before the 31st day of March, a complete statement of the nature and extent of the works constructed, and the cost thereof, in each and every such drainage project in connection with which any such sale of Dominion land has been made, and such statements shall be subject to verification by inspection of the said works and examination of the provincial records of cost by an officer or officers detailed thereto by the Minister of the Interior.

2. An inspection and survey of the land applied for shall be made under the direction of the government of the province in which the land is situated by an engineer or Provincial Land Surveyor, who shall prepare plans of the proposed works, with an estimate of the cost thereof and the proportionate cost and benefit to each parcel of land affected thereby, and such plans and estimates and statements of cost and benefit shall be submitted in duplicate, to the Minister of the Interior with the application for the purchase of the land and for permission to drain away any water.

PART III—*Dominion Land within Organized Drainage Districts.*

When in any drainage district organized under the provisions of the Drainage Act of the province there is any vacant and available Dominion land that will be benefited by the proposed drainage, and upon which, if privately owned, a proportion of the cost of the drainage works could properly be assessed, the Minster of the Interior may, subject to the provisions of the Irrigation Act, and the amendments thereto, upon receipt of application to that effect from the Government of the province, sell such land, or any part thereof, to the province, subject, *inter alia*, to the following conditions:

(*a*) The land shall be sold at a rate per acre to be mutually agreed upon, but no sale shall be made at a less rate than one dollar ($1.00) per acre.

(*b*) Ten per cent (10%) of the purchase price shall be paid to the Minister of the Interior within thirty days of the date upon which the land shall have been offered for sale, as set forth in the next succeeding paragraphs of these regulations, and the balance shall be paid in nine equal, annual instalments, the first of which shall become due and payable one year from the date upon which the land was offered for sale, with interest at the rate of six per centum (6%) per annum upon all unpaid principal and seven per centum (7%) per annum upon all arrears of principal and interest.

(*c*) The land so sold to the province shall be offered for sale at public auction by the Provincial Government within two years after the date of the completion of the drainage works, or within such extended period as may be authorized by the Minister of the Interior for that purpose. The sale shall be made under regulations similar to those prescribed by the Minister of the Interior for the sale of School Lands. The Provincial Government shall notify the Minister of the time and place of such sale and the Minister shall be represented thereat if he so desires.

(*d*) Title to the land shall remain in the Crown in the right of Canada until payment of the purchase price shall have been made in full and each and every condition of the sale shall have been fulfilled, and Letters Patent may then issue either to the nominees of the Provincial Government, or to the said Government. Should the Provincial Government desire to complete the purchase and acquire title to any part of the land sold before payment in full has been made for the whole area sold, payment in full shall be made for such part before Letters Patent may be issued for such part.

(*e*) The Provincial Government shall, before fixing the date of any sale, prescribe the conditions with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, but such conditions shall be subject to the approval of the Minister of the Interior, and no sale shall be made until such approval has been given.

(*f*) The proceeds of the sale by the Provincial Government of land so acquired shall be applied by the Provincial Government as follows:—

(1) To recoup to the province any and all expenditures made by it in connection with the organization of the drainage district and the construction of the drainage works thereon or in connection therewith, including the purchase price of the land, other than the proportionate cost assessed upon privately-owned land and remaining unpaid at that date.

(2) To cancel and remit the unpaid assessments charged against the aforesaid privately-owned land in the drainage district.

(3) To refund to the owners thereof any portion, or all, of the assessments previously paid on the said privately-owned land in the drainage district, and

(4) Any surplus remaining shall be applied towards the construction of roads and bridges in the rural municipality, or municipalities, in which the said drainage district is situated.

(*g*) An account shall be kept by the Provincial Government of the proceeds of all sales of Dominion land acquired in connection with each such drainage district, and of the disposition made thereof, and a detailed statement thereof and of the expense incurred by the province in connection with each such district shall be rendered to the Minister of the Interior annually, on or before the 31st day of March, until the proceeds of the sales of land in any such drainage district shall have been fully expended and accounted for.

2. The Provincial Government shall have an investigation made, in accordance with the provincial laws respecting drainage, and shall have a report and plans prepared, together with an estimate of the cost of the proposed works, the area and character of the land affected thereby, and the proportion of the cost to be assessed upon such parcel of land affected.

3. Such reports, plans, estimates of cost and proportionate assessment shall be forwarded to the Minister of the Interior, together with a separate statement of the Dominion land affected by the proposed works and the proportion of the cost of the works to

be assessed upon each parcel thereof, with a request that the said land, or such portion thereof as may be available, be sold to the Provincial Government in order to facilitate the organization of the drainage district and the undertaking of the necessary work.

4. If the plans of the proposed works and the estimated cost thereof are approved by him, the Minister of the Interior may, subject to the provisions of these regulations, sell to the Provincial Government the available Dominion land affected by the proposed works.

5. The organization of the drainage district shall then be completed in accordance with the provincial laws. In the event of failure to organize a drainage district through the unwillingness of the resident owners, or for any other cause, the agreement for sale shall not be executed and the application submitted by the province for the purchase of the land shall be cancelled.

6. Any land which at the time of the organization of the drainage district is held under entry but is unpatented, and which is subsequently abandoned by the entrant, shall not be liable for any portion of the cost of the works remaining unpaid at the date of the said abandonment. Such land shall, however, upon abandonment, be sold to the province at the same rate and subject to the same conditions as other available Dominion land within the said district; provided that when such land is subsequently sold by the Provincial Government credit shall be given the purchaser for the amount of any drainage assessments paid by the previous entrant, and that the sale shall be subject to any such assessment remaining unpaid at the date of the sale.

PART IV.—*Drainage initiated by the Dominion Government.*

When, in the opinion of the Minister of the Interior, it is desirable in the public interest to drain lakes or swamps for the purpose of reclaiming swamp land or land covered by water, and where not less than one-half of the total land and water area in any such reclamation project in vacant and available Dominion land, the Minister may cause inspection and survey to be made to determine the feasibility of the proposed project, the area of land susceptible of reclamation, and the probable cost of the required works. Should any such reclamation project be found, as the result of such inspection and survey, to be feasible within reasonable limits of cost and desirable as a matter of public policy, the Minister may, subject to the appropriation by Parliament of money sufficient to cover the estimated cost thereof, cause the required works to be constructed in conformity with the drainage laws of the province in which the land is situated.

2. Such inspections and surveys as may be required to determine the feasibility of the proposed project and to design and lay out the required works and equitably assess the cost thereof upon the lands benefited shall be made by an engineer of the Reclamation Service of the Department of the Interior, under the direction of the Minister of the Interior, and the report of such engineer, and the plans, specifications, estimates, and assessments, prepared by him shall, after having been approved by the Minister, be dealt with in accordance with the drainage laws of the province in which the project is located.

3. Subject to the approval by the Lieutenant Governor in Council of the engineer's report, plans, specifications and assessments, and to the constitution of the drainage district, the work shall be carried out by the Reclamation Service, under the direction of the Minister of the Interior.

4. The proportion of the cost of the works assessed upon any land other than vacant Dominion land, comprised in any such drainage district, shall be collected annually by the Provincial Government in the manner prescribed by the provincial drainage laws and shall be remitted forthwith upon receipt thereof by the Provincial Treasurer, after deducting any necessary outlay by way of cost of collection, to the Minister of the Interior.

5. All vacant and available Dominion land so reclaimed shall be offered for sale at public auction within five years after the completion of the drainage works, upon such terms and conditions as may be fixed by the Minister of the Interior at the time of the sale upon either of the plans hereinafter set forth:

(*a*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in nine equal, annual payments, the first of which shall become due and payable one year from the date of the sale, with interest at six per centum (6%) per annum on the unpaid principal and seven per centum (7%) per annum on all arrears of principal and interest.

(*b*) Payment in cash of ten per centum (10%) of the purchase price at the time of sale and the balance in twenty (20) equal, annual payments of principal and interest on the amortization plan. Provided, however, that the Minister may set apart any portion or all of any land so reclaimed for Soldier Settlement in accordance with the laws and regulations respecting Soldier Settlement, and at a valuation to be fixed by the Minister.

6. The Minister of the Interior shall, before fixing the date of any sale, prescribe the conditions, if any, with respect to residence, cultivation or other utilization, upon which the land shall be offered for sale, and shall place an upset price upon each quarter-section or other parcel of land, and no parcel of land shall be sold for less than the price so fixed.

7. Any land which at the time of the organization of the drainage district is held under entry, but is unpatented, and which is subsequently abandoned by the entrant, shall be offered for sale at public auction in the manner and subject to the conditions prescribed in clauses 5 and 6 of this part, and subject to all unpaid assessments then due or to become due on account of the cost of the drainage works.

8. Letters patent shall not issue for any land so sold until the full amount of the purchase price shall have been paid and until each and every condition of the sale shall have been fulfilled. Provided that the purchaser shall have the right to complete payment and take title to the land at any time after four years from the date of the sale, subject to the fulfilment by him to the Minister's satisfaction of all the conditions thereof.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise that further residence on the part of Mr. John Austin, who obtained homestead entry for the N. W. ¼ of Section 28, Township 9, Range 16, west of the 3rd Meridian, on the 7th December, 1911, be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, so that free patent may be issued to Mr. Austin upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Minister states that the above mentioned homesteader has performed two terms of six months' residence and has cultivated an area of 53 acres; that the entrant is now over 80 years of age and the medical certificates furnished the Department of the Interior from time to time during the years 1915-16-17 show that Mr. Austin has been unable to do any manual labour owing to serious ill health.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th January, 1919, from the Minister of the Interior stating that Harold O. Leach was granted homestead entry by proxy, for the North-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, on the 19th January, 1917.

That at the time this entry was granted the Agent of Dominion Lands was unaware that Mr. Leach had been appointed on the 15th May, 1915, to the position of Assistant Engineer on the staff of the Manitoba Hydrometric Survey.

That on the 14th February, 1916, Mr. Leach was granted leave of absence without pay in order to enlist in the Canadian Expeditionary Force, and on the 21st of that month he was appointed to the 184th Overseas Battalion, C.E.F.

That section 84 of the Dominion Lands Act at that time provided, that no officer or employee of or under the Department of the Interior should directly or indirectly purchase or acquire any Dominion Lands or any interest therein, but there was some doubt then as to whether this provision of the law had reference to members of the Outside Service, to which Mr. Leach was attached.

That by an amendment made to the Dominion Lands Act during the last session of Parliament, it is now contrary to the law for any employee of the Department to secure Dominion Lands either directly or indirectly by purchase or homestead entry.

That Mr. Leach was killed in action on the 1st September, 1918, leaving as his next of kin his mother, Mrs. M. E. Leach of Winnipeg, Manitoba.

That the late Mr. Leach was not notified that his entry had been granted in error and that he died believing that he still held the land.

In view of all the circumstances of this case, the Minister recommends that the said Harold O. Leach be confirmed in his standing as an entrant for the homestead with respect to the land above mentioned, the north-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, notwithstanding any question that might arise as to whether or not any section of the Act at the time this entry was granted, prohibited the granting of an entry to an employee of the Outside Service of the Department of the Interior.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
33-4 Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1919, from the Minister of the Interior, stating that an application has been received from Mr. Charles Walcott, secretary of the Smithsonian Institute, Washington, D.C., for permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks, during the coming summer for the United States National Museum,—

The Minister, therefore, recommends, as the collection is purely for scientific purposes, that the Regulations established by Order in Council of the 21st June 1909, and reapplied to all Dominion Parks by the Order in Council of the 6th June, 1911, forbidding the hunting and taking of any wild animal or bird within any park's limits be waived in this case, and that Dr. Charles Walcott be granted permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks for the summer of 1919, the permission being confined, however, to two male and two female specimens of each species of mammals and six of each species of birds.

Thursday, the 30th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, submitting that Alex. Chisholm squatted on the south-east quarter of Section 36, Township 82, Range 18, west of the 6th Meridian, in August 1914, prior to the completion of the survey of this land, therefore, he was unable to obtain a homestead entry at the time he squatted on this quarter-section ; that it has been ascertained through the records of the Department of Militia and Defence that Mr. Chisholm enlisted on the 27th April, 1915, and was officially reported killed in action on the 9th October, 1916 ; that up to the present time this land has been reserved in order that the late squatter might make entry, this action being in accordance with the ordinary practice of the Department of the Interior ; that an application has now been made that the estate of the deceased be granted patent for the quarter-section.

In view of all the circumstances of the case, the Minister recommends that the said Alex. Chisholm, now deceased, be given the status of an entrant for a homestead with respect to the land above mentioned, the south-east quarter of Section 36, Township 82, range 18, west of the 6th Meridian, in order that his estate may obtain letters patent for the said land under the provisions of the Orders in Council of the 8th May, 1915, and the 20th September, 1915, which provide for the immediate issue of letters patent for the homestead in the cases where the entrant has been killed on active military service in defence of the British Empire.

The Committee concur in the foregoing recommendation, and submit the same for approval.

APLICATIONS TO PARLIAMENT.

THE SENATE.

Substance of Rules of the Senate relating to Notices and Applications for Bills of Divorce.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

SALLE DU SENAT.

OTTAWA, jeudi, 20 février 1919.

Aujourd'hui, à TROIS heures p.m., SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL s'est rendu, avec le cérémonial ordinaire, à la Salle du Sénat, dans l'édifice du Parlement, et a pris son siège sur le Trône. Les membres du Sénat étant assemblés, il a plu à Son Excellence d'y faire requérir la présence de la Chambre des Communes, et cette Chambre s'y étant rendue, SON EXCELLENCE a ouvert la DEUXIÈME SESSION du TREIZIÈME PARLEMENT DU DOMINION DU CANADA, par le discours suivant :—

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Depuis la dernière session du Parlement, il s'est déroulé des événements de la plus haute importance pour l'Empire et le Canada. Après avoir soutenu, avec un courage inébranlable, des attaques renouvelées et poussées avec une vigueur et une persistance sans pareilles, les armées alliées, prenant l'offensive sur tous les fronts, sont arrivées à une victoire décisive, écrasante. A raison des conditions d'une soumission pratiquement absolue de la part de l'ennemi, un armistice a été conclu et existe maintenant, en vertu duquel des régions stratégiques étendues ont été évacuées et des canons, des munitions et autre matériel de guerre et de toutes espèces, en immense quantité, et la plus grande partie de la flotte ennemie ont été livrés aux alliés. Une conférence se tient maintenant à Paris pour fixer les conditions auxquelles la paix sera conclue. Comme les conclusions de cette conférence seront d'une importance vitale pour le Canada et les autres parties de l'Empire le Très Honorable Premier Ministre y assiste en compagnie d'autres de mes conseillers.

Au cours des victoires importantes ayant eu pour conséquences un glorieux succès remporté par les alliés, aucune des troupes ayant pris part à la lutte ne s'est montrée plus vaillante ni plus héroïque que les soldats du Canada, dont les faits d'armes pendant toute la guerre ont valu à leur pays une renommée impérissable. C'est une chose des plus satisfaisantes de pouvoir déclarer que, dans la phase finale et décisive de cette lutte formidable, nos corps d'armées en campagne ont été maintenus au delà de la force normale, et pourvus, au plus haut degré, de l'armement de la guerre moderne. La reconnaissance de la nation et sa haute idée des services rendus par les vaillants soldats de la force expéditionnaire canadienne ne sauraient être exprimées avec trop de force et de sincérité, à raison des sacrifices, de ses souffrances et de son héroïsme qui ont joué un rôle si important pour assurer la liberté du monde et sauver la civilisation.

Avant l'armistice, on avait projeté des plans et des préparatifs pour le retour, la démobilisation et la rentrée après la guerre dans la vie civile de nos soldats et de leurs familles d'outre-mer. Ces plans sont maintenant des faits accomplis, et tandis que cette grande entreprise se présente, à raison des conditions d'après-guerre, avec bien des difficultés et des complications, on espère avec confiance qu'elle sera menée à bonne fin, rapidement et d'une façon satisfaisante.

Immédiatement après la conclusion de l'armistice qui entraînait nécessairement la fin de la fabrication de munitions et d'autres industries essentielles de guerre, mes conseillers prirent des mesures pour faciliter la reprise des affaires et trouver du travail. Les arrêtés en cons il comprenant les mesures prises vous seront soumis sans délai.

Un projet de loi relativement à la franchise électorale, avec les dispositifs nécessaires, eu égard à la situation actuelle, et à l'effet, entre autres choses, de permettre pleinement aux femmes de voter et de leur conférer le privilège de siéger au Parlement, sera soumis à votre étude.

On vous demandera d'étudier des projets de loi à l'effet de donner de l'aide à la construction de grandes routes, de porter secours aux soldats de retour du front pour les établir sur des terres, pour encourager une immigration désirable et promouvoir la colonisation.

Vous serez aussi appelés à étudier des projets de loi concernant l'enseignement professionnel, la création d'un Ministère de la santé publique, des mesures pour améliorer les conditions de logement dans tout le Dominion, au moyen de prêts faits dans ce but aux différents gouvernements provinciaux, et pour rendre valides par le Parlement les arrêtés en conseil prohibant l'importation et la fabrication des liqueurs enivrantes, et leur transport dans toute partie du pays où leur vente est interdite par la loi. Il vous sera soumis aussi une législation nécessaire sur certains sujets comprenant les pensions aux soldats et à leurs familles maintenant réglées par arrêtés en conseil.

On recommandera aussi à votre étude d'autres mesures importantes ayant pour objet de promouvoir le bien-être et la prospérité du peuple dans l'ère nouvelle de reconstitution sociale, aussi bien que matérielle, dans laquelle le monde est entré.

Après plus de quatre années de guerre, et nonobstant le dérangement subit causé par l'armistice, la stabilité industrielle, commerciale et financière du Canada s'est bien maintenue. On espère qu'en outre de l'augmentation des affaires provenant de la reprise des entreprises publiques et particulières au Canada, interrompues par la guerre, et les améliorations et les progrès nécessaires par tout le Dominion, le Canada obtiendra une participation sérieuse dans l'expansion du commerce d'exportation, conséquence de la fin de la guerre et de la suppression des restrictions imposées au commerce durant les hostilités. Mes conseillers ont pris des mesures pour promouvoir et faciliter cette participation.

Messieurs de la Chambre des Communes :

Les comptes publics pour le dernier exercice et le budget pour le prochain vous seront distribués sans délai ; et on vous demandera de pourvoir aux moyens de faire face aux dépenses causées par la guerre et la démobilisation ; et aussi pour faciliter le commerce, l'établissement de crédits nécessaires à l'achat des produits de notre agriculture, de nos industries de toutes sortes.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

Il convient que nous manifestions notre reconnaissance à la Divine Providence pour la fin heureuse de la terrible lutte dans laquelle nos armées ont été engagées si longtemps, et pour le rétablissement de la paix dans le monde. Pendant ces hostilités prolongées avec leurs cruelles vicissitudes et leur fortune incertaine notre peuple ne s'est jamais permis de douter que la victoire finirait par couronner notre cause qui était celle de la vérité et de la justice. La coopération profondément loyale et sincère des dominions et des colonies d'outre-mer avec la mère patrie doit cimenter plus fermement et pour toujours ces liens qui constituent l'empire en une union indissoluble. L'esprit né de sacrifices communs, de souffrances partagées, d'efforts héroïques unira, d'une façon permanente, on l'espère avec confiance, les alliés par les liens de souvenirs et de traditions durables, et facilitera avec efficacité la formation d'une Ligue des nations qui assurera pour toujours la paix du monde.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

A la recommandation du ministre de l'Intérieur, le Comité du Conseil privé recommande que M. John Austin qui, le 7 décembre 1911, a obtenu l'inscription de homestead du quart nord-ouest de la section 28, township 9, rang 16, à l'ouest du 3e méridien, soit relevé de toutes obligations de résidence futures en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, pour que patente gratuite soit délivrée à M. Austin sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le ministre déclare que le colon susmentionné a accompli deux termes de six mois de résidence et a mis en culture une superficie de 53 acres ; que l'inscrit est aujourd'hui âgé de 80 ans et les certificats médicaux fournis au département de temps à autre au cours des années 1915-16-17 démontrent que M. Austin a été incapable de se livrer à tout travail manuel pour raisons de santé.

AU comité du Consil privé a été soumis un rapport du ministre de l'Intérieur, représentant qu'Alexandre Chisholm, en août 1914, s'établit comme squatter sur le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, avant que fut complété l'arpentage de ce terrain, et fut par conséquent incapable d'obtenir une inscription de homestead lors de son établissement comme squatter sur ledit quart de section. Les archives du département de la Milice et de la Défense établissent que M. Chisholm s'est enrôlé le 27 avril 1915 et que d'après les rapports officiels il a été tué en service le 9 octobre 1916. Jusqu'à présent ce terrain a été tenu en réserve pour permettre au squatter défunt de s'inscrire, conformément à la coutume du département de l'Intérieur. Demande a maintenant été faite que patente dudit quart de section soit accordée à la succession du défunt.

Vu toutes ces circonstances, le ministre recommande que ledit Alex Chisholm, défunt, soit considéré comme inscrit en ce qui concerne le terrain susmentionné, soit le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, pour que sa succession obtienne les lettres patentes dudit terrain en vertu des dispositions des arrêtés en conseil du 8 mai 1915 et du 20 septembre 1915, qui stipulent que dans le cas d'un inscrit tué en service militaire actif dans la défense de l'Empire Britannique les lettres patentes de son homestead seront immédiatement délivrées.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 28e jour de décembre 1918, représentant que la compagnie de chemin de fer Pacifique Canadien a demandé le privilège d'enlever une quantité de terre de certains terrains de la réserve forestière Elbow pour les remblais d'un grand viaduc de sa voie ferrée dans le voisinage ;

Le ministre observe qu'après examen des terrains en question il a été constaté que ces derniers consistent en collines de sable sans végétation, et qu'il est par conséquent impropable que l'affectation de ces terrains aux fins susdites causerait de sérieux dommages,—

Le ministre, par conséquent, recommande qu'on l'autorise, en vertu des dispositions de l'article 17 de la *Loi des réserves forestières et des parcs fédéraux*, à permettre à ladite compagnie d'enlever toute quantité de terre requise pour lesdites fins des terrains ci-après décrits, situés dans le township 24, rang 4, à l'ouest du 3e méridien :—

"Une lisière de 200 pieds de large le long du côté est de la voie et une lisière de 400 pieds de large le long du côté ouest de ladite voie, dans le quart nord-est de la section 5, comprenant 37·5 acres plus ou moins.

Une lisière de 100 pieds de large le long des deux côtés de la voie dans le quart sud-est de la section 17, comprenant ·12 acres, et une lisière de 100 pieds de large de chaque côté de la voie sur une distance approximative de 1,200 pieds au nord de la borne sud du quart nord-est de la section 17. Le droit à être payé par ladite compagnie pour ce privilège est fixé à un cent par verge cube."

Le comité agrée cette recommandation et la soumet pour approbation.

Il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre suppléant de la Justice et en vertu des pouvoirs conférés par la *Loi des mesures de guerre de 1914*, ou qui existent autrement à cet effet, de décréter et établir par les présentes les règlements suivants :

Règlements.

1. Pour les fins des règlements suivants l'expression "juge" signifie tout juge d'une cour de comté ou de district, ayant juridiction dans un endroit ou localité quelconque désigné par un ordre écrit du ministre de la Justice comme endroit ou localité où peuvent être exercés les pouvoirs aux présentes spécifiés, ainsi que tout juge d'une autre cour de comté ou de district que le juge auquel appartiennent les pouvoirs ci-après conférés peut requérir d'exercer ces pouvoirs ou d'aider dans leur exercice, ou dans la province de Québec tout juge de la Cour Supérieure.

Si une plainte sommaire faite au juge par ou pour une autorité municipale ou locale, ou par une personne dont la plainte peut à l'avis du juge être acceptée comme preuve suffisante d'un sentiment public de crainte dans la communauté, il appert qu'il y a matière à enquête quant à l'opportunité d'ordonner l'internement d'une personne de nationalité ennemie qui réside ou se trouve dans un endroit ou une localité désignée, le juge peut ordonner que cette personne soit citée devant lui par un officier de la paix et peut ensuite faire enquête sommaire et décider s'il est expédient pour assurer et maintenir la paix et la sûreté publique, ou pour prévenir tout désordre, ou pour la protection de la personne au sujet de laquelle la plainte est faite, qu'en vue de son origine ennemie, sa nationalité ou ses relations elle soit internée comme prisonnier de guerre ; et si le juge est d'avis que telle personne doit être ainsi internée il émettra un ordre à cet effet, et tout tel ordre

ainsi émis sera une autorisation suffisante pour tout officier de la paix, officier militaire, sous-officier ou soldat délégué par l'autorité militaire compétente du district pour arrêter et détenir la personne qu'il est chargé d'interner en tout endroit où il se trouve, et pour le remettre à la garde de l'officier en charge d'un camp d'internement quelconque qui peut être désigné par le ministre de la Justice comme lieu de détention. Toutefois, le juge peut à sa discrétion connaître et décider de telle accusation et décréter l'internement ainsi que ci-dessus prescrit en l'absence de la personne accusée et sans lui en donner d'avis, s'il juge opportun de le faire dans l'intérêt public ; de plus, nulle telle personne n'aura droit d'exiger de paraître à une enquête ou d'y être représentée par un avocat, à moins que le juge ne l'ordonne.

3. Dans la conduite de toute telle enquête, le juge a tous les pouvoirs de citer des témoins et de les contraindre à paraître pour la prestation des serments et les dépositions qu'il est autorisé à prendre dans l'exercice de sa juridiction ordinaire.

4. Toute personne condamnée à l'internement sera sujette au même régime de garde, détention et traitement qu'un prisonnier de guerre sous l'empire et dans le cours ordinaire de la loi.

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 8e jour de février 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 22 janvier 1919, représentant que le docteur Charles Walcott, secrétaire du Smithsonian Institute, Washington, a demandé la permission de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été prochain pour le Musée National des Etats-Unis,—

Par conséquent, comme cette collection est purement pour des fins scientifiques, le ministre recommande que soient suspendus dans ce cas les règlements des parcs établis par un arrêté en conseil du 21 juin 1909, et de nouveau appliqués auxdits parcs par un arrêté en conseil du 6 juin 1911, prohibant la chasse et la capture de tout animal ou oiseau sauvage dans les limites des parcs, et que permission soit accordée au docteur Charles Walcott de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été de 1919. Toutefois, la permission est limitée à deux spécimens mâles et deux spécimens femelles de chaque espèce et à six spécimens de chaque espèce d'oiseaux.

Le comité agrée cette recommandation et la soumet pour approbation.

O.G. 17.

OFFICIERS DES TROUPES EXPÉDITIONNAIRES CANADIENNES.

Règlements concernant les nominations, le grade, l'ascendance et la préséance généralement.

1. Définitions du grade.

Le grade des officiers dans les troupes expéditionnaires canadiennes sera régi d'après la classification suivante :

(*a*) Le grade de "substantiel" de l'officier sera celui qui comporte son grade dans la milice active du Canada, à l'époque de sa nomination dans les troupes expéditionnaires canadiennes ou une promotion subséquente dans la première.

(*b*) Le grade "temporaire" d'un officier sera celui qui lui a été conféré dans les troupes expéditionnaires canadiennes.

(*c*) Le grade de "suppléant" d'un officier sera le grade qui pourra lui avoir été conféré dans les troupes expéditionnaires canadiennes pour une période quelconque durant laquelle il sera appelé à remplir certaines fonctions appartenant à un grade plus élevé que celui qu'il possède déjà et dès qu'il ne remplit plus ces fonctions il reprend automatiquement son grade précédent.

(*d*) Tous les grades dans les troupes expéditionnaires canadiennes seront temporaires. Les officiers recevront la solde et les allocations de ce grade.

(*e*) Les officiers qui ont obtenu un grade de "suppléant" recevront la solde et les allocations prescrites pour ce grade.

2. Promotion.

La promotion des officiers sera faite par sélection en tenant compte de l'efficacité, des états de service et de l'ancienneté.

3. Ancienneté.

L'ancienneté des officiers sera déterminée comme suit :

(*a*) S'ils sont nommés en Canada, par la date de l'approbation de l'adjudant général ; ou par la date publiée dans les Ordres de routine ou la *Gazette du Canada* ou des promotions subséquentes.

(*b*) S'ils sont nommés outre-mer, à compter de la date de leur nomination ou de leurs promotions subséquentes publiées dans la *London Gazette*.

(*c*) Les officiers absorbés automatiquement dans les T.E.C. en Canada en vertu des dispositions de l'arrêté en conseil C.P. 1569 (ordre de routine 795) auront droit à l'ancienneté dans les T.E.C. à compter de leur nomination ou de leur dernière promotion, lorsqu'ils auront été en service actif à l'époque ou depuis la date de la promulgation de l'ordre de routine ci-dessus mentionné.

4. Mise hors cadre des officiers.

Lorsqu'un officier régimentaire sur la liste des officiers en service actif est employé hors de son propre corps à un service quelconque ne se rattachant pas à ce corps (sauf d'une nature purement temporaire), il peut être mis "hors cadre", de son corps. En ce cas, son nom est indiqué en italiques dans la liste régimentaire.

Les officiers seront hors cadre dans les conditions suivantes :

(*a*) Lorsqu'ils sont employés hors de leur régiment à une fonction dont il est pourvu à l'effectif.

(*b*) Lorsqu'ils sont employés sous l'autorité du quartier général de la milice.

(*c*) Lorsqu'ils sont attachés comme stagiaires aux troupes royales de l'air.

(*d*) Lorsqu'ils sont attachés aux forces militaires ou navales impériales, d'outre-mer ou coloniales (temporairement ou comme stagiaires.)

Un officier de la liste des officiers hors cadre, en devenant le plus ancien de son grade, aura droit à la promotion par ancienneté ou sélection selon le cas.

5. Ascendance des officiers.

S'il y avait nécessité, l'ancienneté des officiers ayant un grade à la même date sera déterminée par l'ancienneté qu'ils ont dans la milice canadienne quelle que soit l'arme du service auquel ils appartiennent.

S'il devenait nécessaire de prendre une décision au sujet de deux officiers ou plus qui n'avaient pas précédemment de commission dans la milice canadienne, alors la préséance sera déterminée par l'ordre d'ancienneté de l'arme du service auquel ils appartiennent.

6. Renvoi des officiers à des grades inférieurs.

Les officiers renvoyés à des grades inférieurs auront droit à l'ancienneté à compter de la date originale de leur nomination ou promotion au grade auxquels ils sont renvoyés.

7. Ascendance des officiers lorsqu'ils sont nommés de nouveau de la réserve des T.E.C.

Les officiers nommés de nouveau à la liste des officiers en service actif de la réserve des T.E.C. auront droit de préséance comme suit :

(*a*) S'ils sont nommés de nouveau sous trois mois (91 jours) de la date de leur transfert à la réserve, le grade et l'ancienneté compteront de la date originale de leur nomination.

(*b*) S'ils sont nommés de nouveau après l'expiration de trois mois à compter de la date de leur transfert à la réserve le grade et l'ancienneté ne compteront que de la date de leur nouvelle nomination seulement.

8. Ancienneté des officiers changés ou transférés.

L'ancienneté des officiers qui seront changés ou transférés d'une unité à une autre dans la même arme du service, si l'ordre en a été donné, ne sera aucunement affectée. Si c'est sur demande, ils auront la préséance dans le corps dans lequel ils sont changés ou transférés avec le grade qu'ils ont à compter de la date de ce changement ou transfert.

Les officiers transférés d'une arme du service à une autre auront le grade et la préséance comme si c'était une nouvelle nomination à cette arme, à moins qu'il n'en soit spécialement stipulé autrement sous l'autorité de l'adjudant général.

9. Grade—Comment l'indiquer.

Pour les fins de l'ascendance et de la préséance on inscrira les officiers par ordre d'ancienneté par leur grade respectif dans les T.E.C., avec tout grade de suppléant qu'ils peuvent avoir, indiqué entre crochets immédiatement après.

10. Officiers absents de leur unité durant plus de trois mois.

Les officiers absents d'une unité pour cause de maladie pour une période de plus de trois mois, seront rayés des cadres de cette unité et transférés à l'unité des blessés du district. Dès qu'ils seront devenus aptes au service on verra à les employer de nouveau ou on en disposera autrement.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

Outre l'avis à insérer dans la *Gazette du Canada*, l doit en être publié un semblable, comme il suit:

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000............	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000...........	150 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 4th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th January, 1919, from the Minister of the Interior, submitting that as follows:—

Application has been made by Mr. John Cawkell, of Drumheller, Alberta, for permission to use a small island situated in the Red Deer River and comprising a part of Section 11, Township 29, Range 20, west of the 4th Meridian, for the purpose of raising ducks, geese and chickens;

Under subsection 2 of section 4 of The Dominion Lands Act, School Lands may be leased for any purpose whatever to any person, municipality or corporation to be provided by regulations made by the Governor in Council;

As, however, this island immediately adjoins the Town of Drumheller, the authorities of that town were requested to notify the Department of the Interior whether the leasing of this island for the purpose above mentioned would in any way interfere with their town, and in reply the secretary-treasurer of the town notified the Department that permission might be granted to Mr. Cawkell to use the island in question for the purpose of raising ducks, geese and chickens, providing that his rights might be determinable at the expiration of any year, in case the proposed use to which the island was to be put should develop a nuisance or annoyance at any time;

It was, therefore, decided to grant Mr. Cawkell the privilege of using the island during the pleasure of the Minister at an annual rental of $2 per annum, the privilege being subject to cancellation at any time upon reasonable notice,—

The Minister, therefore, recommends,—as Mr. Cawkell has paid the first year's rental, amounting to $2,—that he be authorized to grant permission to Mr. John Cawkell, of Drumheller, Alberta, to use a small island situated in the southeast and northeast quarters of Section 11, Township 29, Range 20, west of the 4th Meridian, for the purpose of raising ducks, geese and chickens, the privilege to be subject to cancellation at any time upon sixty days' notice being given to the lessee.

The Committee concur in the foregoing and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th January, 1919, from the Minister of the Interior stating that Harold O. Leach was granted homestead entry by proxy, for the North-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, on the 19th January, 1917.

That at the time this entry was granted the Agent of Dominion Lands was unaware that Mr. Leach had been appointed on the 15th May, 1915, to the position of Assistant Engineer on the staff of the Manitoba Hydrometric Survey.

That on the 14th February, 1916, Mr. Leach was granted leave of absence without pay in order to enlist in the Canadian Expeditionary Force, and on the 21st of that month he was appointed to the 184th Overseas Battalion, C.E.F.

That section 84 of the Dominion Lands Act at that time provided, that no officer or employee of or under the Department of the Interior should directly or indirectly purchase or acquire any Dominion Lands or any interest therein, but there was some doubt then as to whether this provision of the law had reference to members of the Outside Service, to which Mr. Leach was attached.

That by an amendment made to the Dominion Lands Act during the last session of Parliament, it is now contrary to the law for any employee of the Department to secure Dominion Lands either directly or indirectly by purchase or homestead entry.

That Mr. Leach was killed in action on the 1st September, 1918, leaving as his next of kin his mother, Mrs. M. E. Leach of Winnipeg, Manitoba.

That the late Mr. Leach was not notified that his entry had been granted in error and that he died believing that he still held the land.

In view of all the circumstances of this case, the Minister recommends that the said Harold O. Leach be confirmed in his standing as an entrant for the homestead with respect to the land above mentioned, the north-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, notwithstanding any question that might arise as to whether or not any section of the Act at the time this entry was granted, prohibited the granting of an entry to an employee of the Outside Service of the Department of the Interior.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Thursday, the 30th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise that further residence on the part of Mr. John Austin, who obtained homestead entry for the N. W. ¼ of Section 28, Township 9, Range 16, west of the 3rd Meridian, on the 7th December, 1911, be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, so that free patent may be issued to Mr. Austin upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Minister states that the above mentioned homesteader has performed two terms of six months' residence and has cultivated an area of 53 acres; that the entrant is now over 80 years of age and the medical certificates furnished the Department of the Interior from time to time during the years 1915–16–17 show that Mr. Austin has been unable to do any manual labour owing to serious ill health.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1919, from the Minister of the Interior, stating that an application has been received from Mr. Charles Walcott, secretary of the Smithsonian Institute, Washington, D.C., for permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks, during the coming summer for the United States National Museum,—

The Minister, therefore, recommends, as the collection is purely for scientific purposes, that the Regulations established by Order in Council of the 21st June 1909, and reapplied to all Dominion Parks by the Order in Council of the 6th June, 1911, forbidding the hunting and taking of any wild animal or bird within any park's limits be waived in this case, and that Dr. Charles Walcott be granted permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks for the summer of 1919, the permission being confined, however, to two male and two female specimens of each species of mammals and six of each species of birds.

The Committee concur in the foregoing recommendation, and submit the same for approval.

Thursday, the 30th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, submitting that Alex. Chisholm squatted on the south-east quarter of Section 36, Township 82, Range 18, west of the 6th Meridian, in August 1914, prior to the completion of the survey of this land, therefore, he was unable to obtain a homestead entry at the time he squatted on this quarter-section; that it has been ascertained through the records of the Department of Militia and Defence that Mr. Chisholm enlisted on the 27th April, 1915, and was officially reported killed in action on the 9th October, 1916; that up to the present time this land has been reserved in order that the late squatter might make entry, this action being in accordance with the ordinary practice of the Department of the Interior; that an application has now been made that the estate of the deceased be granted patent for the quarter-section.

In view of all the circumstances of the case, the Minister recommends that the said Alex. Chisholm, now deceased, be given the status of an entrant for a homestead with respect to the land above mentioned, the south-east quarter of Section 36, Township 82, range 18, west of the 6th Meridian, in order that his estate may obtain letters patent for the said land under the provisions of the Orders in Council of the 8th May, 1915, and the 20th September, 1915, which provide for the immediate issue of letters patent for the homestead in the cases where the entrant has been killed on active military service in defence of the British Empire.

The Committee concur in the foregoing recommendation, and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 17th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by section 6 of the regulations passed under the authority of the Soldier Settlement Act, concerning the granting of loans to settlers, approved by Council on the 5th of April, 1918, and by section 7 of the regulations under the said Act concerning the granting of free entries on Dominion Lands, approved by Council on the 14th of May, 1918, that

> "Upon the applicant's right as a settler being "satisfactorily established, a statement in the "form of an Attestation of such right signed by "the Chairman of the Board, shall be issued to "such applicant."

And whereas Qualification Committees are being appointed in each province of the Dominion under the Soldier Settlement Board to determine the qualifications of applicants to benefit according to the provisions of the Act and to convey their findings on each case to the Provincial Supervisor of the Board;

And whereas it is desirable in order to deal promptly with cases that the Provincial Supervisors shall have authority to issue certificates that applicants are qualified to benefit under the Act without reference to the Board at Ottawa, and it is desirable to amend the regulations accordingly;

And whereas the benefits of the Act are limited to members of the expeditionary forces specified in the Act who have left the forces with honourable record or have been honourably discharged, and doubt exists as to what service constitutes honourable record and what is meant by being discharged honourably, and the Soldier Settlement Board has recommended that a definition be made of those members who are entitled to benefit under the Act,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, and of the Soldier Settlement Board, is pleased to make and prescribe the following regulations to be the "Qualification Regulations" of the Soldier Settlement Board and the same are hereby made and prescribed accordingly:—

Qualification Regulations.

1. Pending amendment by statute defining eligibility, the members of the expeditionary forces specified in the Soldier Settlement Act, 1917, eligible to benefit thereunder as "settlers" are those members who have been discharged or left the forces after having served in an actual theatre of war or outside the country in which they enlisted, or in the case of the Canadian Expeditionary Forces, after having served in Canada only and having received injury or disability due to service for which pension has been granted; or the widows of any members who died on such service; provided that no member shall be entitled to the benefits of the Act if the discharge certificate or certificate of service granted him by the Department of Militia and Defence, or other military authorities as the case may be, shows dishonourable conduct or record.

2. Qualification Committees shall be appointed in advisory capacities under the Soldier Settlement Board in each province to determine the qualifications of applicants. The committee shall be satisfied that each applicant is qualified as to (*a*) military service, (*b*) physical and personal fitness to farm, (*c*) capital or assets, and (*d*) farming experience.

3. Any applicant wishing to make application under the Act shall be required to fill up a Preliminary Information Form which shall be in the form provided by the Board. The same shall be forwarded to the Provincial Supervisor. Unless found disqualified without further examination, the applicant may be required by the Supervisor to appear in person before a Qualification Committee.

4. All applicants shall be required before their applications can be dealt with to produce certificates of discharge or other documentary evidence from the Department of Militia and Defence, or other proper military authorities as the case may be, establishing their military service and the character and the termination thereof as required by the Soldier Settlement Act and regulations thereunder, and the responsibility shall be upon all applicants of having in their possession and producing the official documents from the proper military authorities establishing their military service. In all cases where such evidence is not satisfactory, the Qualification Committee or Supervisor may reserve decision until the applicant has obtained the necessary evidence. The best assistance of the Soldier Settlement Board shall be given when required to obtaining from the proper military authorities or Pension Boards the information required.

5. Any applicant holding an "Attestation" issued by the Board certifying to his eligibility so far as military service is concerned, subject to his ability to farm being approved, may be required to appear before a Qualification Committee before an application from him for loan is dealt with.

6. The Qualification Committee shall convey to the Provincial Supervisor its decision respecting each applicant, whether he is a person qualified as above, or is disqualified on one or more of the above-mentioned grounds, or is recommended for training at an agricultural school or with a practical farmer or otherwise. The record of the decision shall be signed by the Chairman of the Qualification Committee or person acting for him.

7. In each case where the applicant is approved as qualified to benefit under the Act, the Provincial Supervisor shall issue to the applicant a "Qualification Certificate" which shall be in a form prescribed by the Board. In other cases the applicant shall be notified of the training required, or other decision of the Committee.

8. Such Qualification Certificate shall entitle the holder thereof to be dealt with as an applicant for soldier grant entry on available Dominion Lands, or as an applicant for a loan on the security of land, as provided in the Act and the regulations thereunder.

9. Pending examination and decision by a Qualification Committee, the Supervisor may, if the applicant is eligible by reason of military service to benefit under the Act, recommend such applicant for entry on Dominion Lands under the Soldier Settlement Act and regulations thereunder, subject to confirmation after a decision of the Qualification Committee is given. Application for such entry shall be made in the prescribed manner, and the Agent of Dominion Lands shall reserve the land, if available, without issuing a certificate of entry pending examination by a Qualification Committee and pending agricultural training of the applicant, until notified of the final decision of the Board. The applicant in the meantime shall not take possession of the land and shall have no rights in respect thereto.

10. Pending appointment of Qualification Committees, or in the event of Qualification Committees not meeting within a reasonable time, the Supervisor may in special cases of urgency, if satisfied that the applicant is qualified, issue a Qualification Certificate, or may prescribe agricultural training to be taken by the applicant before appearance before a Qualification Committe, or render such decision as is appropriate to the case.

11. The Soldier Settlement Board shall make such further provisions and regulations as to procedure and otherwise in determining the qualifications of the applicants as are deemed by the Board necessary and which are not inconsistent with these regulations.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 11th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior, as such, is charged with responsibility for the administration of the Soldier Settlement Act, through the Soldier Settlement Board;

And whereas many applications have been made, and many others will be made, to said Board for land for soldier settlement;

And whereas Dominion owned lands available and suitable and within reasonable distance of marketing facilities will fall short of sufficient to satisfy such applications, and it is, therefore, inevitable, that Parliament should be asked to provide, as speedily as possible, authority and money for the acquirement of additional lands for soldier settlement;

And whereas conditions, the result of the granting to the enemy of the existing armistice—which produced an unexpectedly sudden and seemingly final cessation of actual warfare and rendered possible the now rapidly proceeding return and demobilization of the Canadian Forces—render the making by the Governor General in Council, in anticipation and advance of action by Parliament, of effective provision for the acquirement of such lands and of live stock, equipment and building materials sufficient for disposition to soldier settlers intending to commence farming operations during this year, a matter of present urgent necessity,—

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, and under the authority of section 6 of The War Measures Act, 1914, or any other enabling authority, is pleased to enact and order and doth hereby enact and order as follows:—

1. For so long as, pursuant to the provisions of The War Measures Act, 1914, this order may lawfully endure, or until the Parliament of Canada shall otherwise provide, the Soldier Settlement Board of Canada, hereinafter referred to as "The Board" have, and is hereby granted and invested with power and authority, in addition to such power and authority as it now has, to acquire by purchase, at prices which to said Board shall seem reasonable, or otherwise to acquire, from all Governments, Departments of Governments, persons and corporations, such suitable lands, situate in any part of Canada, and such live stock, equipment and building materials, as the Board, for the purposes of soldier settlement, may decide to acquire, but not exceeding in aggregate cost the amount provided under authority of this order.

2. The Board may sell to settlers, as in this order defined, any lands so acquired, or any other lands which, apart from the terms of this Order, the Board now has or may acquire, or may have or may secure power to sell or dispose of to settlers, but subject, in every case of sale of lands acquired by the Board, pursuant to the terms of this Order, to the following provisions:—

(*a*) Where the individual parcel of land to be sold has been separately acquired, the sale price shall be the cost of the parcel to the Board.

(*b*) Where the individual parcel of land to be sold has been acquired as portion of one or more other parcels, the sale price shall be such amount as, in the opinion of the Board, bears the same proportion of the cost of the entire parcel or parcels so acquired as the value of the parcel to be sold bears to the value of the parcel or parcels so acquired.

(*c*) The terms of payment shall be all cash down, or, at the option of the settler, not less than ten percent cash down and the balance to be payable in twenty-five or less equal consecutive annual instalments, with interest at five per cent per annum, on the amortization plan, with full privilege of pre-payment. Provided that the Board may, in the case of a settler who has had adequate and successful farming experience in Canada, and who is otherwise, in the opinion of the Board, possessed of qualifications or equipment specially fitting him for success as a farmer, dispense the settler from the making of the whole or of any portion of the cash down payment, in which case the full, or the remaining portion of the sale price shall be paid, in manner hereinbefore provided with respect to a balance of price by instalments.

(*d*) No sale shall be made of a larger area than three hundred and twenty acres, nor, except in the case of a settler who is within the terms of the proviso in the next preceding paragraph of this section, shall the balance of purchase price left unpaid to the Board at the time of sale exceed four thousand five hundred dollars, nor in the excepted case shall the balance or amount left unpaid exceed five thousand dollars.

3. The Board may sell to such settler the live stock and equipment so acquired, but subject in every case of sale to the following provisions:—

(*a*) The sale price shall be such sum as, according to the calculations of the Board, is the cost to it of the live stock or equipment to be sold.

(*b*) The terms of payment shall be all cash down, or, at the option of the settler, payment in four equal, consecutive, annual instalments, commencing at a date to be fixed by the Board, not sooner than two years, and not later than three years from the date of the sale, with interest at five per cent per annum, on the amortization plan, said interest to begin to accrue two years from the date of the sale; the amount owing to the Board upon such sale shall be a charge on the settler's land and the title, ownership and right of possession of the live stock and of the increase thereof and of the equipment so sold shall, until the sale price is paid remain in the Board; the settler to have full privilege of pre-payment;

(*c*) The balance of sale price left unpaid to the Board at the time of sale shall not exceed two thousand dollars.

4. The Board may from time to time advance to any settler to provide or for application to permanent improvements, including buildings, on the settler's land, amounts in money or its equivalent not exceeding in the aggregate one thousand dollars, inclusive of the cost price to the Board of building or other materials supplied by the Board.

(*a*) Such advance shall be a charge on the settler's land and shall be repayable in twenty-five equal, consecutive, annual instalments, with interest at five per cent per annum on the amortization plan.

(*b*) The settler shall have full privilege of pre-payment.

5. All agreements, liens or charges shall be made in such form as is satisfactory to the Board.

6. If the Board determines, as respects any property, real, personal or other, acquired by it pursuant to the terms of this Order, or as respects any part of such property, that the same cannot or ought not to be sold subject, whether as to sale price or otherwise, to the provisions of this Order, the Board shall report to the Governor General in Council the circumstances, including a statement of the cost to it of such property or part thereof, and shall recommend another sale price, or other terms of sale, as the case may be, whereafter any sale of such property or of such part thereof shall be made for such sale price or upon such other terms as the Governor General in Council may direct.

7. All sales of property, real, personal or other, made pursuant to the provisions of this Order and whereon any balance of the sale price shall remain payable by instalments, shall be evidenced by agreement of sale, which shall fully set forth the terms of sale. If any instalment mentioned in any such agreement of sale is not punctually made, or if default is made in respect to any other provision of such agreement of sale, the Board shall be at liberty, without any formal re-entry or retaking and without resort to proceedings in equity or at law, to rescind such agreement, to cancel such agreement of sale and to resell the property, real, personal or other, to another settler. The effect of such

rescission and cancellation shall be to vest such property in the Board absolutely free and discharged of all rights and claims of the settler and of all persons claiming or entitled to claim through or under him for any estate in, or lien, charge or encumbrance upon or against such property. If and when such property is resold by the Board any surplus remains in its hands beyond the amount owing to it as balance of the sale price and interest at five per cent per annum and expenses of taking over and reselling the property, the Board may pay such surplus to the settler, but if, instead, a deficiency arises, that deficiency shall be paid by the settler to the Board, which shall have a right of action against him therefor. Before exercising the rights by this section given, the Board shall give to the settler notice of its intention so to do which notice shall be deemed duly given if mailed in any post office by registered letter addressed to the settler at his last address known to the Board, thirty clear days before the Board acts hereunder.

8. Notwithstanding any law, whether statute or otherwise, in force in any Province, authorizing or requiring the registration, recording, or filing of deeds, mortgages, certificates of judgments, attachments, bills of sale, or other documents which effect title to, or evidence the existence of liens or charges upon, property, real, personal or other, or which authorize the levy upon, or sale under, attachments, execution, or other process, or the expropriation or seizure of, property, real, personal or other, unless the Board shall otherwise consent in writing, (*a*) the lands of a settler, and (*b*) his live stock and equipment, which was sold to him pursuant to the provisions of this Order from the Board, and the increase of any live stock which was sold to him as aforesaid, or the settler's interest in such lands, live stock and equipment, shall, for so long as the sale price or any part thereof or any interest thereon remain unpaid to the Board, be and remain exempt from and not within the operation of such provincial laws.

9. Notwithstanding any law, whether statute or otherwise, in force in any Province, unless the Board shall otherwise consent in writing—

(*a*) No deed, mortgage or other instrument executed by or for the settler, and no judgment recovered, or attachment, execution or other process issued, against the settler shall, as against the Board bind or affect (i) the lands of the settler, or (ii) his live stock and equipment, which was sold to him by the Board pursuant to the provisions of this order from the Board, or the increase of any live stock which was sold to him as aforesaid, for so long as the sale price of said lands, live stock or equipment, or any part thereof or any interest thereon, remains unpaid to the Board.

(*b*) The wife of any settler shall not, for so long as the sale price, or any part thereof or any interest thereon, or any charge in favour of the Board, remains unpaid upon any lands which were sold to a settler pursuant to the provisions of this Order by the Board, have in priority of any claims or charge of the Board against or upon such lands any estate of dower in such lands, nor, during the same period, shall the husband of any settler have in priority as aforesaid any estate of curtsey in such lands, nor shall the Mechanics' Lien Acts or other lien Acts or the dower or homestead laws of any Province extend or apply in priority as aforesaid to said lands.

(*c*) No sale, gift, delivery, barter, exchange, pledge, charge, lien or other transaction by or for the settler to or with any person, corporation or body other than the Board, and purporting to affect or bind any of such lands, live stock or equipment or any or any part thereof, so sold, or the increase of any live stock so sold, shall, while the sale price of such lands, live stock and equipment, or of any part thereof, or any interest on such price thereof, remains unpaid, have as against the Board any effect whatever, it being the object, intent and purpose of this Order, that for so long as any sum shall remain unpaid upon the aggregate advances or payments made from time to time by the Board to or on behalf of a settler, and secured by or charged upon the properties, real, personal or other, upon which advances and payments have been made and so secured or charged by the Board, shall be a continuing security for such sum or sums as shall at any time remain unpaid upon any of such advances and payments, and that none of such properties, on or by which such advances and payments are secured or charged, nor any interest of the settler therein, shall be capable of being voluntarily or unvoluntarily alienated or charged or encumbered to the prejudice of the claims or charges of the Board, whether subsequently to the security or charge of the Board or otherwise, without the consent of the Board, but all lawful transactions by or with and all lawful proceedings against the settler, and all provincial laws affecting him or his property or his property interests, shall, as respects any property, real, personal or other, sold to him by the Board, have full effect otherwise, saving and excepting that if the produce or crop of the settler's lands sold to him by the Board is seized or taken in execution or under any other process, whether the settler shall or shall not have fully paid for said lands, and whether said produce or crop is seized or taken standing, or out, or in barn, or otherwise, such produce or crop shall stand charged with a claim in favour of the Board for payment of all instalments due or overdue at the time of seizure or taking, by the settler to the Board in respect of the settler's land, live stock, equipment and permanent improvements, and as well all such instalments as will mature within twelve calendar months thereafter.

10. The word "settler" where used in this order shall mean "settler" as defined in the Soldier Settlement Act, 1917, and the expression "his land" and similar expressions throughout this order, having reference to the settler shall be deemed to refer to property, real, personal or other, according to the context, which was sold to the settler by the Board, pursuant to the provisions of this Order, whether such property is or is not fully paid for.

11. For enabling such acquirement of lands, live stock, equipment and building materials, the amount appropriated by Parliament for the purposes of the Soldier Settlement Act, 1917, may be used, and in the event of such appropriation being insufficient, the Minister of Finance shall, out of the War Appropriation, 1918–19, provide to the credit of the Soldier Settlement Board of Canada, the sum of two million dollars.

Friday, the 14th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th January, 1919, from the Minister of Public Works, submitting as follows :—

That the ferry between Prescott, Ont., and Ogdensburg, in the State of New York, U.S.A., is now operated by the Prescott and Ogdensburg Ferry Company, Limited, under a ten year license, which will expire on October 1, 1919 ;

That the annual rental provided in the license is $1.00 a year, and the Company has filed with the Department of Public Works bonds to the extent of $10,000, (the Company in the sum of $8,000 and the London Guarantee and Accident Company, Limited, in the sum of $2,000) as a guarantee for the proper carrying out of the terms of its franchise ;

That the Company has applied for an extension of its license for a further period of ten years from October 1, 1919, and in making this application it has stated that it would not have any difficulty in selling its ferry boat, the "Miss Vandenburg" for much more than its original cost, and that it would not feel justified in allowing this opportunity to pass unless it is assured that it will obtain the extension applied for ;

That a copy of the license in question together with copies of the Orders in Council dated respectively September 30, 1913, September 30, 1915, and March 27, 1918, amending the provisions of the same, was submitted to the Town Council of Prescott, and a letter has been received from the Town Clerk stating that after careful consideration the Council has no objection to the desired renewal being granted,—

The Minister, therefore, recommends the renewal for a further period of 10 years from October 1, 1919, on the terms and conditions now in existence, of the license of the Prescott and Ogdensburg Ferry Company, Limited, to operate a ferry between Prescott, Ont., and Ogdensburg, in the State of New York, U.S A.,—the annual rental to be as at present $1.00 a year, the Company to renew its bonds for $10,000,—the amended regulations and tariff now in force, a copy of which is attached hereto, to be effective during the period of the renewel, unless further amended by His Excellency the Governor in Council.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
35-1 Clerk of the Privy Council.

APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Vendredi, le 17e jour de janvier 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que par l'article 6 des règlements adoptés sous l'empire de la *Loi d'établissement des soldats*, concernant la concession de terrains aux colons, approuvés par le conseil le 5 avril 1918, et par l'article 7 des règlements, aussi sous le régime de ladite loi, concernant la concession d'inscriptions gratuites sur les terres fédérales, approuvés par le conseil le 14 mai 1918, il est prescrit ce qui suit :

" Dès que le droit du postulant comme colon aura
" été dûment établi, il lui sera remis un certificat
" sous forme d'attestation de ce droit, signé par le
" président de la Commission."

Et attendu que des comités de qualifications sont actuellement nommés dans chaque province du Canada, sous la direction de la Commission d'établissement des soldats, pour déterminer les qualifications des postulants à bénéficier des dispositions de la loi et pour faire rapport de chaque cas à l'inspecteur provincial de la Commission ;

Et attendu qu'il est opportun, afin de décider promptement des cas divers, que les inspecteurs provinciaux soient autorisés à émettre des certificats que les postulants sont qualifiés à bénéficier des dispositions de la loi sans recours à la Commission à Ottawa, et qu'il est désirable de modifier les règlements en conséquence ;

Et attendu que les dispositions de la loi sont restreintes aux membres des forces expéditionnaires spécifiées dans cette loi et qui ont quitté ces forces avec des états de service honorables ou en ont été honorablement congédiés, et qu'un doute existe sur ce qui constitue des états de service honorables et ce que signifie la réforme honorable, et que la Commission d'établissement des soldats à recommandé qu'une définition soit faite des membres dudit corps expéditionnaire qui ont droit de bénéficier de la loi,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur et de la Commission d'établissement des soldats, d'établir les règlements suivants qui seront "les règlements de qualification" de la Commission d'établissement des soldats, et ces règlements sont par les présentes établis en conséquence.

Règlements de qualification.

1. Jusqu'à modification par statut définissant la qualification, les membres des forces expéditionnaires spécifiées dans la *Loi d'établissement des soldats, 1917*, qualifiés pour bénéficier à titre de colons des dispositions de cette loi, sont ceux qui ont été congédiés ou ont quitté ces forces après avoir servi sur un théâtre actuel de la guerre ou hors du pays où ils se sont enrôlés, ou dans le cas du corps expéditionnaire canadien, après avoir servi en Canada seulement et, dans ce service, avoir souffert de blessures ou d'invalidité pour lesquelles une pension a été accordée ; ou les veuves des membres de ces corps qui sont morts en service, pourvu qu'aucun de ces membres n'ait droit de bénéficier des dispositions de la loi si le certificat de congé ou les certificats de service qui lui ont été donnés par le département de la Milice et de la Défense ou autres autorités militaires, selon le cas, indiquent une conduite ou des états de service déshonorants.

2. Des comités de qualification seront nommés à titre de corps consultatifs dépendant de la Commission d'établissements des soldats dans chaque province, pour déterminer les qualifications des postulants. Le comité s'assurera que chaque postulant est qualifié quant à (*a*) le service militaire, (*b*) l'aptitude physique et la capacité de cultiver la terre, (*c*) le capital ou les ressources, et (*d*) l'expérience en agriculture.

3. Quiconque désire faire une demande sous le régime de la loi devra remplir une formule de renseignements préliminaires qui sera en la forme prescrite par la Commission. Cette formule sera adressée à l'inspecteur provincial. A moins qu'il ne soit constaté sans autre examen que le postulant n'est pas qualifié, l'inspecteur peut exiger qu'il se présente en personne devant un comité de qualification.

4. Avant que leur demande soit prise en considération, tous les requérants devront présenter leur certificat de congé ou autres preuves documentaires du département de la Milice et de la Défense ou autres autorités militaires compétentes, selon le cas, établissant le fait de leur service militaire ainsi que le genre de service et la date où il s'est terminé ainsi que requis par la *Loi d'établissement des soldats* et les règlements sous le régime de cette loi. Les postulants seront tenus d'avoir en leur possession et de présenter les documents officiels des autorités militaires compétentes établissant leur service militaire. Dans tous les cas où cette preuve documentaire n'est pas satisfaisante, le comité de qualification ou l'inspecteur peut retarder la décision jusqu'à ce que le postulant ait obtenu la preuve nécessaire. La Commission d'établissement des soldats, quand on le demandera, donnera toute l'aide possible pour obtenir des autorités militaires compétentes ou des bureaux de pension les renseignements requis.

5. Tout postulant qui a un certificat émis par la commission attestant sa qualification en tant que le service militaire est concerné, pourvu que ses aptitudes à la culture soient constatées, peut être requis de se présenter devant un comité de qualification avant que sa demande d'un prêt soit considérée.

6. Le comité de qualification communiquera à l'inspecteur provincial sa décision concernant chaque postulant, qu'il soit dûment qualifié ainsi qu'il est exigé ci-dessus ou qu'il ne le soit pas pour une ou plusieurs des raisons mentionnées, ou qu'il soit recommandé pour instruction à une école d'agriculture ou avec un cultivateur pratique ou autrement. Le rapport de cette décision sera signé par le président du comité de qualification ou son agent.

7. Dans chaque cas où le postulant est jugé qualifié à bénéficier des dispositions de la loi, l'inspecteur provincial remettra au postulant, un "certificat de qualification" en la forme prescrite par la commission. Dans les autres cas le postulant sera notifié de l'instruction qu'il lui faut recevoir, ou de toute autre décision du comité.

8. Ce certificat de qualification donnera droit au porteur à être considéré comme postulant pour l'inscription sur les terres fédérales disponibles, ou comme postulant pour un prêt garanti par le terrain, ainsi que prescrit dans la loi et les règlements sous le régime de cette loi.

9. Jusqu'à examen et décision par un comité de qualification, l'inspecteur, si le postulant est qualifié en raison de son service militaire à bénéficier des dispositions de la loi, peut recommander ce postulant pour inscription sur les terres fédérales sous l'empire de la *Loi d'établissement des soldats* et des règlements sous le régime de cette loi, sujet à la confirmation après que le comité de qualification a rendu une décision. La demande d'inscription sera faite de la manière prescrite et l'agent des terres fédérales réservera le terrain, s'il est disponible, sans émettre un certificat d'inscription, jusqu'à examen par un comité de qualification et jusqu'à ce que le postulant ait reçu l'instruction requise en agriculture, et enfin jusqu'à ce qu'il soit notifié de la décision finale de la commission. Dans l'intervalle le postulant ne prendra pas possession du terrain et n'y aura aucun droit.

10. Jusqu'à la nomination des comités de qualification, ou au cas où ces comités ne se réuniraient pas dans un délai raisonnable, l'inspecteur peut dans les cas d'urgence spéciaux, s'il est convaincu que le postulant est qualifié, délivrer un certificat de qualification, ou il peut exiger que le postulant s'instruise en agriculture avant de se présenter à un comité de qualification, ou il peut rendre toute décision appropriée au cas.

11. La Commission d'établissement des soldats prendra telles autres mesures et établiera tels règlements quant à la procédure et autrement pour déterminer les qualifications des postulants qu'elle jugera nécessaires et qui ne sont pas incompatibles avec les présents règlements.

Greffier du Conseil privé.

Mardi, le 11e jour de février 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur, comme tel, est chargé de la responsabilité de l'administration de la *Loi d'établissement des soldats*, par l'entremise de la Commission d'établissement des soldats ;

Et attendu que de nombreuses demandes ont été faites et que nombre d'autres seront faites pour des terrains pour l'établissement des soldats;

Et attendu que les terres fédérales disponibles pour la colonisation et propres à cette fin et à distance raisonnable des marchés ne seront pas suffisantes pour satisfaire à la demande, et qu'il est par conséquent impérieux que le Parlement soit requis d'octroyer aussitôt que possible l'autorité et les crédits pour l'acquisition de terrains additionnels pour l'établissement des soldats;

Et attendu que les conditions résultant de l'armistice accordé à l'ennemi qui a amené la cessation soudaine et apparemment finale des hostilités et a rendu possible le retour et la démobilisation des forces canadiennes, qui s'effectuent rapidement, exigent que le Gouverneur général en conseil, en prévision de l'initiative du Parlement, prennent des mesures efficaces pour l'acquisition de tels terrains et de bétail, d'outillage et de matériaux de construction suffisants pour les soldats qui ont l'intention de s'établir et de commencer les travaux de culture au cours de l'année présente,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, et en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre de 1914*, ou de toute autre autorité, de décréter par les présentes ce qui suit :

1. Tant que conformément aux dispositions de la *Loi des mesures de guerre de 1914*, le présent décret restera en vigueur, ou jusqu'à ce que le Parlement du Canada ait autrement prescrit, la Commission d'établissement des soldats du Canada, ci-après appelée " la Commission ", a et est par les présentes investie du pouvoir et de l'autorité, outre le pouvoir et l'autorité qu'elle possède maintenant, d'acheter à des prix que ladite Commission jugera raisonnables, ou d'acquérir autrement de tous gouvernements, départements du Gouvernement, personnes et corporations, des terrains convenables, situés dans une partie quelconque du Canada, et tel bétail, outillage et matériaux de construction que la Commission peut décider d'acquérir pour les fins de l'établissement des soldats, mais le coût total ne devant pas excéder le montant fixé sous l'empire du présent décret.

2. La Commission peut vendre aux colons, tels qu'ils sont définis dans le présent arrêté, tous terrains ainsi acquis ou tous autres terrains que la Commission, en dehors des prescriptions du présent arrêté, possède actuellement ou peut acquérir ou qu'elle peut avoir ou peut obtenir l'autorité de vendre ou céder aux colons, mais subordonnément aux dispositions suivantes dans chaque cas de vente de terrains acquis par la Commission conformément aux prescriptions du présent arrêté :

(*a*) Lorsqu'un terrain particulier à vendre a été acheté séparément, le prix de vente sera le coût de ce terrain à la Commission.

(*b*) Lorsque le terrain particulier à vendre a été acheté comme partie d'un ou de plusieurs autres terrains, le prix de vente sera le montant qui, de l'avis de la Commission, est dans la même proportion du coût de tout le terrain ou des terrains ainsi achetés que la valeur du terrain qui doit être vendu l'est de la valeur du terrain ou des terrains ainsi achetés.

(*c*) Les conditions de paiement sont le total comptant, ou, au choix du colon, pas moins de dix pour cent comptant et le reste en vingt-cinq versements annuels égaux et consécutifs, avec intérêt à cinq pour cent par année, selon le système d'amortissement, avec plein privilège de paiement anticipé. Toutefois, la Commission, dans le cas d'un colon qui a une expérience adéquate et efficace de la culture en Canada, et qui, à l'avis de la Commission, possède d'autres qualifications ou aptitudes le rendant particulièrement apte à la culture, peut dispenser le colon de faire tout ou partie du paiement comptant ; dans ce cas, le prix de vente ou la solde qui en reste sera payé de la manière ci-dessus prescrite en ce qui concerne le paiement par versements.

(*d*) Nulle vente ne sera faite d'un terrain d'une étendue plus grande que trois cent vingt acres, et sauf dans le cas d'un colon auquel s'appliquent les dispositions du paragraphe précédent du présent article la proportion du prix de vente restée impayée à la Commission à la date de la vente n'excédera pas quatre mille cinq cents dollars, ni n'excèdera-t-elle cinq mille dollars, même dans le cas de cette exception.

3. La Commission peut vendre à tel colon le bétail et l'outillage ainsi acquis, mais subordonnément dans chaque cas aux conditions suivantes :

(*a*) Le prix de vente sera telle somme que le bétail ou l'outillage en vente a coûté à la Commission, d'après ses calculs.

(*b*) Les conditions de paiement seront le tout comptant ou, au choix du colon, le paiement en quatre versements annuels égaux et consécutifs, commençant à une date qui sera fixée par la Commission, mais pas moins que deux ans et pas plus que trois ans après la date de la vente, avec intérêt à cinq pour cent par année, selon le système d'amortissement, cet intérêt commençant à compter deux ans après la date de la vente; le montant dû à la Commission sur telle vente sera une charge sur le terrain du colon et le titre, la propriété et le droit de possession du bétail et de son augmentation, ainsi que de l'outillage ainsi vendu resteront à la Commission jusqu'à ce que le prix de vente soit payé, le colon ayant plein privilège de paiement anticipé.

(*c*) La proportion du prix de vente restant impayée à la date de la vente n'excèdera pas deux mille dollars.

4. La Commission peut de temps à autre avancer à un colon pour appliquer à des améliorations permanentes, y compris bâtiments sur le terrain du colon, des sommes d'argent ou leur équivalent n'excédant pas un total de mille dollars, y inclus le prix de revient à la Commission des matériaux de construction ou autres fournis par la Commission.

(*a*) Cette avance sera une charge sur le terrain du colon et sera remboursable en vingt-cinq versements annuels égaux et consécutifs, avec intérêt à cinq pour cent par année, selon le système d'amortissement.

(*b*) Le colon aura plein privilège de paiement anticipé.

5. Tous les contrats, servitudes ou charges seront exécutés en la forme que la Commission jugera satisfaisante.

6. Si en ce qui concerne une propriété quelconque, mobilière, immobilière ou autre, acquise conformément aux dispositions du présent arrêté, ou en ce qui concerne une partie quelconque de telle propriété, la Commission décide qu'elle ne peut ou ne doit pas être vendue subordonnément aux prescriptions du présent arrêté quant au prix de vente ou autrement, la Commission peut faire rapport au Gouverneur général en conseil des circonstances, y compris un état de ce que telle propriété ou partie de cette propriété lui a coûté, et elle recommandera un autre prix de vente ou d'autres conditions de vente, selon le cas, et toute vente de telle propriété ou de partie de telle propriété sera faite au prix de vente et aux autres conditions que pourra prescrire le Gouverneur général en conseil.

7. Toutes les ventes de propriété, mobilière, immobilière ou autre, faites conformément aux dispositions du présent arrêté et où un solde du prix de vente reste payable par versements, seront effectués par acte de vente qui déterminera pleinement les conditions de la vente. Si un versement mentionné dans un tel acte de vente n'est pas fait ponctuellement, ou si une autre condition quelconque de tel acte de vente n'est pas observée, la Commission sera libre, sans réinscription

formelle ou reprise de possession, et sans recours à des procédures en équité ou en loi, de résilier tel contrat, d'annuler telle promesse de vente et de revendre la propriété, mobilière, immobilière ou autre, à un autre colon. L'effet de telle résiliation et annulation sera de rendre cette propriété à la Commission absolument exempte de tous droits et toutes réclamations du colon et de toute personne réclamant ou ayant droit de réclamer de son chef pour titre, obligation, charge ou servitude en rapport avec cette propriété. Si lorsque telle propriété est revendue par la Commission il reste en ses mains un surplus au delà du montant dû comme solde du prix de vente et de l'intérêt à cinq pour cent par année et des frais de reprise de possession et d'une nouvelle vente de la propriété, la Commission peut payer ce surplus au colon ; mais s'il y a déficit, ce déficit sera payé par le colon à la Commission, qui aura droit de le recouvrer de ce colon. Avant d'exercer les droits conférés par le présent article, la Commission donnera au colon avis de son intention de le faire, lequel avis sera censé avoir été dûment donné s'il a été déposé à un bureau de poste par lettre recommandée adressée au colon à sa dernière adresse connue de la Commission trente jours avant que la Commission n'agisse sous l'empire du présent arrêté.

8. Nonobstant toute loi, soit statut ou autre, en vigueur dans une province quelconque, autorisant l'enregistrement, l'inscription ou la déposition d'actes, hypothèques, certificats de jugements, saisies, actes de vente ou autres documents qui affectent le titre ou la preuve de l'existence de servitudes ou charges contre la propriété, mobilière, immobilière ou autre, ou qui autorisent la revendication ou la vente sous le fait de servitudes, de saisie-exécution ou autre procédure, ou l'expropriation ou la confiscation de la propriété, mobilière, immobilière ou autre, à moins que la Commission ne consente autrement par écrit, (*a*) les terrains d'un colon et (*b*) son bétail et son outillage qui lui a été vendu conformément aux dispositions du présent arrêté, et l'augmentation de tout bétail qui lui a été vendu comme susdit, ou l'intérêt du colon dans tels terrains, bétail et outillage seront et resteront exempts de l'application de telle loi provinciale tant que le prix de vente ou partie de ce prix ou intérêt accumulé restera impayé à la Commission.

9. Nonobstant toute loi, soit statut ou autre, en vigueur dans une province quelconque, à moins que la Commission ne consente autrement par écrit,

(*a*) aucun acte, hypothèque ou autre instrument exécuté par ou pour le colon et aucun jugement ou servitude, saisie-exécution ou autre procédure contre le colon, ne liera ou affectera la Commission en ce qui concerne (*i*) les terres du colon ou (*ii*) son bétail et son outillage, qui lui a été vendu par la Commission conformément aux dispositions du présent arrêté, ou l'augmentation de tout bétail qui lui a été vendu comme susdit, tant que le prix de vente desdits terrains, du bétail ou de l'outillage, ou toute partie d'iceux ou intérêt accumulé restera impayé à la Commission ;

(*b*) tant que reste impayé le prix de vente ou partie du prix de vente ou l'intérêt accumulé, ou toute garantie en faveur de la Commission sur des terrains qui ont été vendus à un colon par la Commission conformément aux dispositions du présent arrêté, le douaire de l'épouse d'un colon n'aura pas priorité sur une réclamation ou servitude quelconque de la Commission contre tel terrain, et durant la même période la tenture de faveur de l'époux d'une femme colon n'aura pas priorité comme susdit, et les lois de responsabilité des gages des ouvriers ou autres lois de responsabilité, ou les lois de douaire ou de homestead d'une province quelconque ne s'étendront ni ne s'appliqueront en priorité comme susdit audit terrain ;

(*c*) aucune vente, don, cession, troc, échange, nantissement, servitude, lien ou autre transaction par ou pour le colon à ou avec une personne quelconque, corporation ou corps autre que la Commission, et censé affecter ou engager lesdits terrains, bétail ou outillage ou partie quelconque d'iceux, ainsi vendus, ou l'augmentation de tel bétail ainsi vendu, n'aura contre la Commission d'effet quelconque tant que le prix de vente de tels terrains, bétail ou outillage, ou d'une partie d'iceux, ou l'intérêt accumulé sur tel prix de vente restent impayés, le but et l'intention du présent arrêté étant que tant qu'une somme quelconque restera impayée sur les avances totales ou les paiements faits de temps à autre à un colon ou en sa faveur et garantis par les propriétés, mobilières, immobilières ou autres, sur lesquelles des paiements ou avances ont été faits et ainsi garantis par la Commission, telles propriétés demeureront une garantie pour la somme ou les sommes qui en aucun temps resteront impayées sur ces avances ou paiements, et qu'aucune de telles propriétés garantissant telles avances et paiements, ni intérêt quelconque du colon dans ses propriétés, ne pourront être volontairement ou involontairement aliénés ou grevés au préjudice des droits ou charges de la Commission, soit subséquemment à la garantie de la Commission ou autrement, sans le consentement de la Commission, mais toutes transactions légales par ou avec le colon et toutes poursuites légales contre le colon, ainsi que toutes lois provinciales affectant le colon ou sa propriété ou ses intérêts auront en ce qui concerne toute propriété, mobilière, immobilière ou autre, vendue au colon par la Commission, plein effet autrement, excepté que si les produits ou la récolte des terres qui ont été vendus aux colons par la Commission sont saisis ou confisqués en exécution d'un jugement ou comme résultat d'autres procédures, que le colon ait ou non pleinement payé pour lesdits terrains, et que lesdits produits ou ladite récolte soient saisis ou confisqués sur pied ou moissonnés, ou en grenier ou autrement, ces produits ou cette récolte resteront grevés d'une servitude en faveur de la Commission pour le paiement, à la Commission par le colon, de tous les versements dus lors de la saisie ou confiscation en rapport avec son terrain, bétail, outillage et améliorations permanentes, ainsi que tous tels versements qui deviendront dus dans les douze mois civils qui suivront.

10. Le mot "colon" partout où il se trouve dans le présent arrêté signifie "colon" ainsi que défini par la *Loi d'établissement des soldats de 1917*, et l'expression "son terrain" et expressions semblables dans le présent arrêté, employées en rapport avec le colon, sont censées s'appliquer à la propriété, mobilière, immobilière ou autre, selon le texte, qui a été vendue au colon par la Commission conformément aux dispositions du présent arrêté, que cette propriété soit ou non pleinement payée.

11. Pour permettre l'achat de terrains, bétail, outillage et matériaux de construction, le crédit octroyé par le Parlement pour les fins de la *Loi d'établissement des soldats de 1917* peut être employé, et dans le cas où ce crédit serait insuffisant, le ministre des Finances, à même le crédit de la guerre de 1918-1919, affectera au crédit de la Commission d'établissement des soldats du Canada la somme de deux millions de dollars.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 24e jour de février 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le 22 décembre 1917, le Premier Ministre annonça que l'importation des liqueurs enivrantes en Canada serait prohibée à partir de cette date, que le transport de telles liqueurs dans une partie quelconque du Canada ou la vente des liqueurs enivrantes était illégale serait prohibé à partir du 1er avril 1918 et que la fabrication des liqueurs enivrantes en Canada serait prohibée à partir d'une date devant être fixée après plus ample examen et considération des conditions actuelles de l'industrie ; et

Attendu qu'à la recommandation du Comité de la guerre afin de donner plein effet à cette déclaration de politique et afin d'éviter toute perte inutile, d'encourager l'économie et l'épargne, d'assurer la conservation des ressources financières et la plus grande efficacité de l'œuvre nationale, certains décrets de Son Excellence en Conseil ont été promulgués, prohibant l'importation de liqueurs enivrantes en Canada, la fabrication de telles liqueurs, le transport de ces liqueurs dans une partie quelconque du Canada où la vente est interdite par la loi, et la vente de telles liqueurs pour livraison dans telles parties du Canada, ainsi que la livraison dans toute telle partie du Canada de liqueurs vendues dans une autre partie quelconque du Canada ; et

Attendu qu'il est opportun de codifier lesdits décrets,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu de la *Loi des mesures de guerre, 1914*, et de tous autres pouvoirs conférés à Son Excellence en conseil, de faire et décréter les règlements suivants, qui sont par les présentes faits et décrétés en conséquence :

Règlements.

1. Dans les présents règlements :

(*a*) "Personne" comprend tout corps constitué en corporation.

(*b*) "Province" signifie toute province du Canad et comprend aussi les Territoires du Nord-Ouest et le Territoire du Yukon,

(*c*) "Zone interdite" signifie toute province, tout territoire, municipalité, district, comté ou autre région où la vente des liqueurs enivrantes est prohibée par une loi quelconque, fédérale ou provinciale, et comprend aussi toute région ou la vente du vin naturel est prohibée.

(*d*) "Licencié" signifie une personne autorisée par la loi d'une province à vendre dans cette province des liqueurs enivrantes pour usage dans les limites de cette province.

(*e*) "Fabricant" signifie une personne licenciée par le ministre du Revenu de l'Intérieur du Canada pour fabriquer des liqueurs enivrantes pour des fins sacramentelles, industrielles, mécaniques, artistiques, scientifiques ou médicinales.

(*f*) "Liqueurs enivrantes" signifie et comprend toute liqueur ou tout breuvage qui contient plus que deux et demi pour cent d'esprit preuve.

2. (1) Nulles liqueurs enivrantes ne seront importées ou apportées en Canada le ou après le 24e jour de décembre 1917, à moins qu'elles n'aient été réellement achetées pour l'importation en Canada avant cette date et effectivement expédiées par le vendeur ou consignateur le ou avant le 31e jour de janvier 1918, et à moins qu'il ne soit prouvé à la satisfaction du ministre des Douanes que l'achat et l'expédition ont ainsi été faits.

(2) Les dispositions de ce règlement ne s'appliquent pas (*a*) au vin pour le service divin ; (*b*) aux liqueurs enivrantes pour fins médicinales ; (*c*) aux liqueurs enivrantes pour fins industrielles et commerciales autres que leur fabrication ou usage comme breuvage, pourvu que dans chacun de ces cas une licence spéciale permettant l'importation en Canada de tels vins ou de telles liqueurs enivrantes pour ces fins ait été accordée par le ministre des Douanes, basée sur un permis formel écrit, accordé par l'autorité provinciale compétente à l'importateur, de posséder ou employer tels vins ou telles liqueurs enivrantes ou d'en faire le commerce pour ces fins, ou, si le Gouvernement de la province à laquelle ce vin ou ces liqueurs enivrantes sont destinées n'a pris aucune mesure pour telle procédure formelle, sur toute autre preuve, à la satisfaction de ce ministre, que ces liqueurs sont destinées à telles fins.

3. (1) Personne ne fera ou fabriquera de liqueurs enivrantes ou ne fera faire ou fabriquer de liqueurs enivrantes au Canada après le premier jour d'avril 1918. Toutefois, dans le cas où est permise dans une province la vente de liqueurs enivrantes d'espèce quelconque comme breuvage, le présent règlement ne s'appliquera pas à la fabrication de telles liqueurs enivrantes dans cette province avant le 31e jour de décembre 1918.

(6) Le Gouverneur en conseil peut, dans toute zone interdite, autoriser une ou plusieurs personnes à recevoir, vendre et délivrer des liqueurs enivrantes pour les fins sacramentelles seulement, et si dans une zone interdite il n'y avait aucun licencié autorisé à recevoir, vendre et délivrer des liqueurs enivrantes pour des fins sacramentelles, industrielles, artistiques, mécaniques, scientifiques et médicinales, le Gouverneur en conseil peut autoriser une personne ou plusieurs personnes dans cette zone interdite à recevoir, vendre et délivrer des liqueurs enivrantes pour telles fins, et toute personne ainsi autorisée sous l'empire du présent paragraphe sera réputée être licenciée aux termes des présents règlements.

(7) Le transport de liqueurs enivrantes d'un licencié ou fabricant à un licencié dans une zone interdite, et le transport à travers une zone interdite ne se fera que par l'entremise d'un voiturier public, par eau ou par chemin de fer, et non autrement.

6. Les présents règlements seront censés être supplémentaires aux lois prohibitives actuellement en vigueur ou qui peuvent dorénavant être en vigueur dans une province ou un territoire quelconque, et ils resteront en vigueur tant que durera la présente guerre et pendant douze mois après.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre de l'Intérieur, d'autoriser par les présentes l'émission de permis de pâturage sur les terres disponibles des townships 15, 16 et 17, rang 3, et du township 15, rang 4, à l'ouest du 3e méridien, dans la province de Saskatchewan, ainsi que des townships 20, 21 et 22, rang 3, à l'ouest du 4e méridien, dans la province d'Alberta, lesquelles ont été réservées pour fins de stations de remonte, aux conditions suivantes :—

(1) Seuls peuvent obtenir des permis les sujets britanniques et les compagnies constituées en corporation sous l'empire des lois du Canada ou des lois d'une province quelconque du Canada, et dont le président, le vice-président et une majorité des directeurs sont sujets britanniques et qui ne sont aucunement sous le contrôle d'étrangers ou d'une ou de plusieurs corporations étrangères.

(2) L'étendue maximum pouvant être obtenue sous permis par un individu ou une compagnie ne dépassera pas 12,000 acres.

(3) Le loyer sera au taux de 4 cents l'acre par année payable d'avance.

(4) Toute demande de permis sera faite à l'agent des terres fédérales du district où sont situés les terrains demandés et devra inclure le montant du loyer des premiers six mois

(5) L'agent transmettra les demandes au Département, qui, après avoir fait afficher des avis par le requérant sur les terrains demandés et en avoir fait faire l'inspection, décidera si le permis doit être accordé.

(6) Avant que le permis soit accordé, le requérant affichera pendant trente jours des avis de sa demande dans au moins quatre endroits bien en vue sur les terrains faisant l'objet de la demande, ainsi que dans les bureaux de poste les plus rapprochés, et fera une déclaration statutaire à cet effet.

(7) Dans les six mois qui suivront immédiatement la date de son permis, le concessionnaire mettra, sur le terrain faisant l'objet de son permis, au moins une tête de bétail ou un cheval d'un an au moins, ou cinq moutons, dont il sera propriétaire, par chaque trente acres de terrain.

(8) Le concessionnaire maintiendra sur le terrain le nombre requis de têtes de bétail et fera une déclation statutaire indiquant le nombre de bestiaux qu'il a sur le terrain au 1er juillet de chaque année ou à toute autre date, ainsi que pourra l'exiger le département.

(9) Tout tel permis expirera le 31 décembre suivant la date de tel permis.

(10) L'obtention d'un permis ne donnera pas au porteur de tel permis le droit d'en obtenir le renouvellement, mais le ministre peut, à sa discrétion, accorder des renouvellements d'année en année ; le porteur de tel permis aura alors priorité de droit au renouvellement, mais demande de tel renouvellement doit être faite au département pas plus tard que le 1er décembre précédant l'expiration de tels permis et doit inclure le montant du loyer pour l'année suivante.

(11) Nuls bâtiments ne seront érigés sur le terrain objet du permis sauf les constructions temporaires nécessaires pour abriter le bétail.

(12) Si, lorsque le permis expire, le concessionnaire néglige d'en obtenir le renouvellement, il aura droit d'emporter, dans un temps raisonnable à être fixé par le ministre de l'Intérieur, toutes constructions temporaires ou clôtures qu'il aurait pu y ériger, mais il n'aura droit à aucune compensation.

(13) Le concessionnaire aura cependant droit au foin qui se trouve sur le terrain et qui est nécessaire pour l'entretien de son bétail, mais il ne pourra le vendre ni l'échanger.

(14) Si un concessionnaire désire garder des moutons en pâturage, il devra entourer le pâturage d'une clôture que les moutons ne peuvent franchir.

(15) Un concessionnaire ne peut disposer de son permis sans le consentement du ministre de l'Intérieur.

(16) Tout permis est sujet à annulation sommaire si le concessionnaire néglige de se conformer à une prescription quelconque des présents règlements ou s'il fait de fausses représentations relativement à des faits d'importance.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 22 janvier 1919, représentant que le docteur Charles Walcott, secrétaire du Smithsonian Institute, Washington, a demandé la permission de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été prochain pour le Musée National des Etats-Unis,—

Par conséquent, comme cette collection est purement pour des fins scientifiques, le ministre recommande que soient suspendus dans ce cas les règlements des parcs établis par un arrêté en conseil du 21 juin 1909, et de nouveau appliqués auxdits parcs par un arrêté en conseil du 6 juin 1911, prohibant la chasse et la capture de tout animal ou oiseau sauvage dans les limites des parcs, et que permission soit accordée au docteur Charles Walcott de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été de 1919. Toutefois, la permission est limitée à deux spécimens mâles et deux spécimens femelles de chaque espèce et à six spécimens de chaque espèce d'oiseaux.

Le comité agrée cette recommandation et la soumet pour approbation.

Attendu que le ministre de l'Intérieur fait rapport que d'après les dispositions du traité n° 6, les sauvages de la Bande Makwa ont droit à six cent quarante (640) acres pour chaque famille de cinq personnes, étant donné qu'il y a quarante membres dans la bande. La bande Makwa a refusé le terrain d'abord choisi au lac Ministikwan et de nouveaux terrains ont été choisis au lac Makwa au lieu de ceux de l'endroit précédent. Le département des Affaires des Sauvages a par conséquent demandé la mise en réserve pour les sauvages d'une étendue de terrain connue sous le nom des Réserves Indiennes Nos 129 et 129*a* du lac Makwa, dans le township 58, rang 21, et le township 58, rang 23, à l'ouest du 3e méridien, dans la province de la Saskatchewan, comprenant une superficie de cinq mille cent vingt-neuf acres et deux dixièmes (5,129·2);

Que ces terrains sont inaliénés et disponibles pour cette fin, d'après les archives du Département de l'Intérieur,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes que les terrains ci-après décrits soient soustraits à l'application de la *Loi des terres fédérales* et mis en réserve pour lesdits sauvages de la bande Makwa:—

Au comité du Consil privé a été soumis un rapport du ministre de l'Intérieur, représentant qu'Alexandre Chisholm, en août 1914, s'établit comme squatter sur le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, avant que fut complété l'arpentage de ce terrain, et fut par conséquent incapable d'obtenir une inscription de homestead lors de son établissement comme squatter sur ledit quart de section. Les archives du département de la Milice et de la Défense établissent que M. Chisholm s'est enrôlé le 27 avril 1915 et que d'après les rapports officiels il a été tué en service le 9 octobre 1916. Jusqu'à présent ce terrain a été tenu en réserve pour permettre au squatter défunt de s'inscrire, conformément à la coutume du département de l'Intérieur. Demande a maintenant été faite que patente dudit quart de section soit accordée à la succession du défunt.

Vu toutes ces circonstances, le ministre recommande que ledit Alex Chisholm, défunt, soit considéré comme inscrit en ce qui concerne le terrain susmentionné, soit le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, pour que sa succession obtienne les lettres patentes dudit terrain en vertu des dispositions des arrêtés en conseil du 8 mai 1915 et du 20 septembre 1915, qui stipulent que dans le cas d'un inscrit tué en service militaire actif dans la défense de l'Empire Britannique les lettres patentes de son homestead seront immédiatement délivrées.

Le comité agrée cette recommandation et la soumet pour approbation.

A la recommandation du ministre de l'Intérieur, le Comité du Conseil privé recommande que M. ATTENDU que le ministre de l'Intérieur fait rapport comme suit :—

Il a été décidé d'inclure la section 11, township 36, rang 20, à l'ouest du méridien principal, dans la réserve des sauvages de Pine River et de substituer à ladite section une section de terres fédérales pour le fonds des terres des écoles ;

L'agent des terres fédérales à Dauphin a par conséquent reçu instruction de faire choisir par un inspecteur une section disponible de terres fédérales pour être réservée comme terres des écoles en remplacement de la section 11, township 36, rang 20, à l'ouest du méridien principal ;

L'agent du département de l'Intérieur soumet le rapport de l'inspecteur de homesteads Thomas C. Secord, dans lequel ce dernier déclare avoir choisi la section 9, township 36, rang 20, à l'ouest du méridien principal, en remplacement de ladite section 11 ;

Sous l'empire du paragraphe 2 de l'article 39 de la *Loi des terres fédérales*, le Gouverneur en conseil peut autoriser le ministre à mettre à part à titre de réserve affectée aux sauvages des terres qui, aux termes de la présente loi, sont des terres des écoles, ou des terres qui, par l'arpentage, deviendront des terres des écoles, mais pas avant que d'autres terres fédérales, de valeur égale autant que possible, aient été choisies à leur place ; et lorsque d'autres terres fédérales auront été ainsi choisies et auront été désignées comme "terres des écoles" par le ministre, elles seront de ce moment et deviendront terres des écoles, et il en sera disposé de la même manière qu'il est disposé des terres des écoles ordinaires sous le régime des dispositions de la présente loi,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'autoriser par les présentes le transfert à la réserve des sauvages de Pine River de la section 11, township 36, rang 20, à l'ouest du méridien principal, et la mise en réserve comme terres des écoles de la section 9, township 36, rang 20, à l'est du méridien principal, cette section ayant été déclarée vacante et disponible pour le transfert.

Au comité du Conseil privé a été soumis un rapport du ministre des Travaux Publics, daté le 20 janvier 1919, représentant ce qui suit :—

Le passage d'eau entre Prescott, Ont., et Ogdensburg, dans l'état de New-York, Etats-Unis d'Amérique, est actuellement exploité par la compagnie dite " Prescott and Ogdensburg Ferry Company ", en vertu d'une licence de dix ans qui expire le 1er octobre 1919;

Le prix du loyer ainsi que stipulé dans la licence est de $1.00 par année, et la compagnie a déposé au département des Travaux Publics des garanties pour un montant de $10,000 (la compagnie pour une somme de $8,000 et la London Guarantee and Accident Company, Limited, pour une somme de $2,000) comme garantie que la compagnie exploitante observera les conditions de la charte;

La compagnie a demandé un renouvellement de sa licence pour une période de dix ans à partir du 1er octobre 1919, déclarant qu'elle n'aurait pas de difficultés à disposer de son bateau-passeur le " Miss Vanderburg" à un prix beaucoup plus élevé que le prix d'achat, et qu'elle ne saurait laisser passer cette occasion s'il ne lui est permis de compter sur ce renouvellement de licence;

Une copie de ladite license et copies des arrêtés en conseil datés respectivement le 30 septembre 1913, le 30 septembre 1915, et le 27 mars 1918, modifiant les dispositions de ladite licence, ont été soumises au conseil de ville de Prescott et le greffier de la ville déclare dans une lettre qu'après mûre considération le conseil déclare n'avoir aucune objection à ce renouvellement de licence,—

Le Ministre, par conséquent, recommande que soit renouvelée pour une période additionnelle de dix ans à partir du 1er octobre 1919, aux conditions présentes, la licence de la compagnie dite "Prescott and Ogdensburg Ferry Company" pour le passage d'eau entre Prescott, Ont., et Ogdensburg, dans l'Etat de New-York, Etats-Unis d'Amérique, au loyer actuel de $1.00 par année ; la compagnie devra renouveler ses garanties de $10.000, —les règlements modifiés et le tarif actuel, dont copie est ci-annexée, devant rester en vigueur durant la période de renouvellement, à moins qu'ils ne soient de nouveau modifiés par Son Excellence le Gouverneur en conseil.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 16e jour de janvier 1919, représentant ce qui suit :

M. John Cawkell, de Drumheller, Alberta, a demandé la permission de faire usage d'une petite île dans la rivière Red Deer, comprenant une partie de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour y faire l'élevage des canards, des oies et des poulets ;

En vertu du paragraphe 2 de l'article 4 de la *Loi des terres fédérales*, les terres des écoles peuvent être louées pour des fins quelconques à toute personne, municipalité ou corporation, ainsi que prescrit par des règlements établis par le Gouverneur en conseil ;

Toutefois, vu que cette île est voisine de la ville de Drumheller, le département de l'Intérieur a demandé aux autorités de cette ville de l'aviser si la cession à bail de cette île pour les fins susdites serait de quelque façon préjudiciable à la ville, et le secrétaire-trésorier de la municipalité a répondu au département que permission pouvait être accordée à M. Cawkell de faire usage de l'île en question pour l'élevage des canards, des oies et des poulets, pourvu que le bail soit résiliable à la fin de chaque année au cas où cela deviendrait une nuisance ;

Par conséquent, il a été décidé d'accorder à M. Cawkell le privilège de faire usage de l'île durant le bon plaisir du ministre, moyennant un loyer annuel de $2.00, ce privilège étant en tout temps sujet à annulation sur avis raisonnable,—

Par conséquent, vu que M. Cawkell a payé le loyer de la première année, soit $2.00, le ministre de l'Intérieur recommande qu'il soit autorisé à accorder à M. Cawkell, de Drumheller, Alberta, la permission de faire usage d'une petite île située dans les quarts sud-est et nord-est de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour l'élevage des canards, des oies et des poulets, ce privilège étant sujet à annulation après soixante jours d'avis au locataire.

Le comité agrée cet recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
35-4 Greffier du Conseil privé.
